**(507) 342-5617 - Fax**

**[sales@jonti-craft.com](mailto:sales@jonti-craft.com)**  
**[www.jonti-craft.com](http://www.jonti-craft.com)**  
**[www.sproutz.biz](http://www.sproutz.biz)**

**Commitment to Safety** - Jonti-Craft will continue to make our products as safe, functional and affordable as possible. In an effort to make continual improvements, we reserve the right to redesign or replace materials without prior notice. We round all edges to make them KYDZSafe®, we utilize full-length KYDZHinges® that minimize the chance of pinching little fingers, and we are constantly looking for new ways to improve all safety features.

**Warranty** - We unabashedly back the construction of our products with a steadfast warranty so that you can make your purchases with confidence. In fact, most Jonti-Craft products carry a lifetime warranty, absent any misuse or damage by the customer. If you, for any reason, are not satisfied with any product, simply call us before it has been used, and we will arrange to have it shipped back to Jonti-Craft for replacement.

**Orders** - Jonti-Craft prefers orders electronically (EDI, email). We will accept orders via fax or US mail. We do not accept phone orders. See contact information above.

**Terms** - Net 30 days. If you are a new customer, please call for a credit application. Order will be on a pre-pay basis until credit has been approved.

**Shipping** - All orders are shipped F.O.B. Wabasso, Minnesota, 56293. All freight discounts are passed on to our dealers. We do drop ship at no additional charge. Jonti-Craft's Customer Relations Specialists research the best way for each order to be delivered. In some cases, it may be determined that an UPS item will be sent by truck. Customer Relations will be happy to answer any questions concerning the method of shipment. To receive a freight estimate, please login to the Partner-NET. Shipping times for orders are posted on our Partner-Net. Jonti-Craft only ships complete orders. Expedited shipment service is available.

**Receiving Shipments** - It is the customer's responsibility to verify and inspect all shipments, including drop shipments, at the time of delivery. Be sure to check for concealed damage. If you are not satisfied with the condition or quality of the shipment, make note of it on the bill of lading before the freight carrier leaves, or refuse the shipment.

**Returns** - All returns must have authorization provided through Customer Relations. There is a 20% restocking charge in addition to all applicable freight charges.

**Damaged Shipments** - At Jonti-Craft, our packaging meets or exceeds the industry standards. Damaged shipments from our factory are an incredibly low one half of one percent, however, damage can occur. If this happens, the customer MUST keep original box and packaging at original delivery site in order for Jonti-Craft and freight carrier to participate in claim payment. Damage MUST be reported to the freight carrier within two weeks of receipt of our products. Our Customer Relations Specialists will help if there is a problem with a claim.

**Product Info & Photography** - Please contact our Customer Relations department to verify exact product information such as weights, measurements, shipping methods, etc. Information may vary slightly and should be considered approximate for description purposes. Comprehensive product data (spreadsheet) and product photography (high and low resolution digital images) are available upon request.

**Bids, Quantity Discounts, & Custom Products/Special Orders** - Please contact Customer Relations to request bid pricing or quantity discounts. Jonti-Craft offers custom products - contact us to discuss how we can create the perfect furniture for your needs.

**[www.sproutz.biz](http://www.sproutz.biz)**

**Commitment to Safety** - Jonti-Craft will continue to make our products as safe, functional and affordable as possible. In an effort to make continual improvements, we reserve the right to redesign or replace materials without prior notice. We round all edges to make them KYDZSafe®, we utilize full-length KYDZHinges® that minimize the chance of pinching little fingers, and we are constantly looking for new ways to improve all safety features.

**Warranty** - We unabashedly back the construction of our products with a steadfast warranty so that you can make your purchases with confidence. Most Sproutz® products carry a five year warranty (Sproutz® RTA products carry a one year warranty), absent any misuse or damage by the customer. If you, for any reason, are not satisfied with any product, simply call us before it has been used, and we will arrange to have it shipped back to Jonti-Craft for replacement.

**Orders** - Jonti-Craft prefers orders electronically (EDI, email). We will accept orders via fax or US mail. We do not accept phone orders. See contact information above.

**Terms** - Net 30 days. If you are a new customer, please call for a credit application. Order will be on a pre-pay basis until credit has been approved.

**Lead Time** - The lead time for all Sproutz® products is approximately 15 business days.

**Shipping** - All orders are shipped F.O.B. Wabasso, Minnesota, 56293. All freight discounts are passed on to our dealers. We do drop ship at no additional charge. Jonti-Craft's Customer Relations Specialists research the best way for each order to be delivered. In some cases, it may be determined that an UPS item will be sent by truck. Customer Relations will be happy to answer any questions concerning the method of shipment. To receive a freight estimate, please login to the Partner-NET. Shipping times for orders are posted on our Partner-Net. Jonti-Craft only ships complete orders. Expedited shipment service is available.

**Receiving Shipments** - It is the customer's responsibility to verify and inspect all shipments, including drop shipments, at the time of delivery. Be sure to check for concealed damage. If you are not satisfied with the condition or quality of the shipment, make note of it on the bill of lading before the freight carrier leaves, or refuse the shipment.

**Returns** - All returns must have authorization provided through Customer Relations. There is a 20% restocking charge in addition to all applicable freight charges.

**Damaged Shipments** - At Jonti-Craft, our packaging meets or exceeds the industry standards. Damaged shipments from our factory are an incredibly low one half of one percent, however, damage can occur. If this happens, the customer MUST keep original box and packaging at original delivery site in order for Jonti-Craft and freight carrier to participate in claim payment. Damage MUST be reported to the freight carrier within two weeks of receipt of our products. Our Customer Relations Specialists will help if there is a problem with a claim.

**Product Info & Photography** - Please contact our Customer Relations department to verify exact product information such as weights, measurements, shipping methods, etc. Information may vary slightly and should be considered approximate for description purposes. Comprehensive product data (spreadsheet) and product photography (high and low resolution digital images) are available upon request.

**Bids, Quantity Discounts, & Custom Products/Special Orders** - Please contact Customer Relations to request bid pricing or quantity discounts. Jonti-Craft offers custom products - contact us to discuss how we can create the perfect furniture for your needs.
