

Application Information

Each month (excluding July and August) the New Jersey FFA Executive Board selects a Member of the Month recipient from submitted applications. All Member of the Month Recipients may then reapply for the Member of the Year award presented at the State FFA Convention.

Eligibility

1. Applicants must be current members of a chapter in good standing with the state association.
2. Applications for Member of the Month must be submitted to the State FFA Office by the 1st of each month, unless otherwise communicated by the State FFA Specialist. If the due date falls on the same day as the State FFA Executive Board Meeting, applications must be submitted by 2:00 pm that day in order to be evaluated.
3. Although there is no limit to the number of applicants from a chapter/school, it is strongly encouraged to submit the most competitive applications.
4. Member of the Month winners from May of the previous school year until April of the current school year may apply for the Member of the Year award. Applications are to be completed on the same form and submitted by April 1st. If you do not resubmit an application your original Member of the Month Application will be rejudged by the committee.
5. An applicant's records of supervised ag experience should include all areas during FFA membership.
6. High School applicants may only include information about their SAE programs and FFA involvement during their years in high school. High School applicants should NOT include middle school involvement.
7. Members who attain the status of Member of the Month in one school year, but are not rewarded Member of the Year, may reapply for Member of the Month.
