**Rebecca Stafford Student Center, Anacon Hall
Our Production Function**

Ms. Mallory White, National FFA Eastern Region Vice President

With a dwindling percentage of the American population actively engaged in agriculture, now more than ever it is important to reflect upon the importance of production. We can ALL be producers in the agriculture industry, but maybe not necessarily in the ways in which we traditionally think of it defined.

Thursday, May 23 – 1:00 PM

**Rebecca Stafford Student Center, Anacon Hall
Celebrating Differences: CTE Without Limits**

Ms. Lauren Fillebrown, ACTE Senior Manager of Leadership Development

Career and Technical Education (CTE) has opportunities for everyone. However sometimes, there are negative stigmas that might make us upset and/or push us away from our programs. Join Lauren Fillebrown as she identifies and removes those negative stigmas surrounding CTE and the Agriculture Industry, and how we can all help build an inclusive culture that encourages, supports and celebrates differences and diversity within CTE.

Thursday, May 23 – 4:30 PM

**Rebecca Stafford Student Center, Anacon Hall
Share, Don't Tell**

Ms. Mallory White, National FFA Eastern Region Vice President

Storytelling is a powerful tool used to create connection and build relationships. However, it's important that we SHARE our stories and experiences with others, as opposed to simply telling them. Let's learn how to craft our stories in a way that allows us to positively influence the world around us!

FFA MISSION STATEMENT

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

DEFINITION OF SUPERVISED AGRICULTURAL EXPERIENCE – SAE (Structured Learning Experience)

Supervised Agricultural Experience (SAE) is a student led, instructor supervised, work-based learning experience that results in measurable outcomes within predefined, agreed upon set of Agriculture, Food and Natural Resources (AFNR) Technical Standards and Career Ready Practices aligned to a career plan of study.

SAE is a...

- Career exploration and planning system for all students.
- Student-led, teacher-supervised path to college and career readiness
- Tool for measuring student progress toward college and career readiness
- Method for authentically enhancing the high school experience
- Small business incubator for young entrepreneurs
- Path to connect students to STEM careers and mentors
- Critical component of a comprehensive Career and Technical Education (CTE) program.

STATE FFA CONVENTION RULES

Following these rules will help you meet your conference expectations and others will benefit as well!

1. I will keep the room assignment given at registration.
2. I will be in my room by the assigned time as listed in the convention program so I am fully alert for the next day's activities.
3. I will be courteous, polite and considerate to others. As a result, I gain the respect of others.
4. I will attend all sessions in official/business dress and participate in all activities.
5. I will turn off any electronic devices, such as cell phones, iPods, tablets, and mp3 players during all sessions and convention events.
6. I will not have and will not use drugs, alcohol, or tobacco at any time during the convention.
7. I will not visit the room of another FFA member regardless of gender.
8. I will arrive at least ten minutes early to all sessions. This demonstrates my respect for other convention participants and allows the session to begin on time.
9. I will report all illnesses, injuries and other problems to my advisor so that appropriate action can be taken.
10. I will not accept food deliveries after lights out.
11. I will respect all advisors, state convention staff, and other convention participants.

I commit to doing my very best to follow these rules. Doing so will enable me to maximize the benefits to the New Jersey State FFA Convention. If I violate any of the above rules, I understand it will mean immediate dismissal from the State FFA Convention.
