

Permitting Procedure for Importation of Poultry, Hatching Eggs or Poultry Waste from Highly Pathogenic Avian Influenza (HPAI) States

Only poultry or hatching eggs moving into New Jersey live bird markets, from HPAI states, require a permit and 72-hour test. The collection date, collection time, laboratory result, laboratory accession number and laboratory name must be recorded on the CVI accompanying the shipment. A copy of the laboratory report must also accompany the shipment.

No poultry waste shall be imported from HPAI states, without prior approval and permit issued by the State Veterinarian.

For information about testing please refer to the N.J.A.C. 2:3-7.4 (b) at the link below:
