<p>In order to ensure a consistent portion size, yield and quality, standardized lunch recipes should be followed exactly. Ingredients should be weighed or measured using standardized weight or measuring utensils. Technical assistance was provided.</p> <p>During the week of review, the standardized recipes for Wednesday and Friday at lunch require correction. Although the entrées served met the daily meal pattern requirements, the crediting documented on the recipes does not accurately reflect the contributions.</p> <p>Explain, in detail, how the finding will be corrected and the measures taken to ensure that it will not reoccur in the future. Indicate the date of implementation.</p>
