Family Day Care Webinar: Tiering Methods – Quiz (continued)

6. Which of the following scenarios would require an Attendance Zone Letter as part of the proof of tiering documentation?
- a. A Tier IA home, located in a district in which all schools are above 50% free/reduced-price meal eligibility
 - b. A Tier IA home, located in a school district in which some of the schools in the district are below 50% free/reduced-price meal eligibility
 - c. A Tier IB home that is located on the border between an eligible and an ineligible area, based on census data
 - d. A Tier II home that is not located in an eligible area
7. How many years is a provider eligible for Tier I before they must be redetermined?
- a. Five (5) years for Tier 1A (school data)
 - b. Ten (10) years, or until the next census report for Tier 1B (census data)
 - c. One (1) year for Tier 1C (income eligibility)
 - d. All of the above
8. True or False? : A provider who is eligible for SNAP (Supplemental Nutrition Assistance Program) is categorically eligible for Tier IC.
- a. True
 - b. False
9. A Tier I provider has a foster child who lives in her home. Which of the following are required in order to claim reimbursement for this child?
- a. A current completed Income Eligibility Application and proof of placement documentation
 - b. Non-residential children must be present and participating in the meal service
 - c. Both a & b
 - d. None of the above; Tier I providers cannot claim their own children
10. True or False? : A Tier II provider can claim Provider's Own Children.
- a. True
 - b. False
