Hemp Destruction Report Form

Instructions:

1. This form is due only if destruction is warranted or if client decides to not continue growing due to failed growth from biotic or abiotic factors.
2. Destruction must be witnessed by program staff to ensure compliance with destruction methods.
3. Ensure that both Location I.D.'s are filled out. Failure to list both will result in a rejection of this report.

Required → Initial the Following:

I certify and agree that I will follow all destruction protocols in accordance with N.J.A.C. 2:25

I agree that all destruction costs are the sole responsibility of the client. The Department is not liable for destruction costs.
