**PLANT DEALER CERTIFICATE**

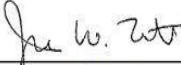

This certifies that the sources of the nursery stock grown for, purchased by, or dealt in by the plant dealer listed below have been investigated by the New Jersey Department of Agriculture and found satisfactory.

Furthermore, this certificate is conditioned upon the plant dealer receiving or distributing only stock which is accompanied by an official valid certificate of inspection indicating that the nursery stock was inspected and certified to be apparently free of dangerously injurious insects and plant diseases.

This certificate shall be valid until December 31, 2022, or until subsequent inspection finds infestation of dangerously injurious insects and plant diseases.
