OF THE NEW JERSEY ADMINISTRATIVE CODE)
N.J.A.C. 14:18-7.7(C) REGULATION PERTAINING TO)
TELEPHONE PERFORMANCE REPORTS) DOCKET NO. CW12060479

Party of Record:

William D. Smith, Esq., Assistant General Counsel, for Petitioner

BY THE BOARD¹:

On September 25, 2014, Verizon New Jersey, Inc. ("Verizon" or "the company") filed a petition seeking Board approval for renewal of the waiver granted by the Board by Order dated November 22, 2013 ("2013 Order") in the above-indicated docket². Verizon asserts that in that Order, the Board found it appropriate to grant Verizon a waiver from the requirement in N.J.A.C. 14:18-7.7(c) to submit telephone system performance reports to the Office of Cable Television ("Office") "within 10 days after the end of the [sic] each quarter and approved the company's request to extend the deadline to 15 days following the end [sic] each quarter." Petition at 1.

Although N.J.A.C. 14:18-7.7(c) in part actually requires the cable television operator to file the information "within 10 days of the end of the quarter for which the report is filed," the

¹ Commissioner Upendra J. Chivukula recused himself due to a potential conflict of interest and as such took no part in the discussion of deliberation of this matter. Commissioner Dianne Solomon was not present at the 11/21/14 agenda meeting.

² On June 1, 2012, Verizon filed a waiver request in Docket No. CW12060479 seeking a permanent 5 day extension of the filing requirement in N.J.A.C. 14:18-7.7(c) whereby the company is obligated to file its quarterly telephone system performance reports with the Office of Cable Television within 10 days of the end of the month for which the report is filed. Pursuant to the provisions of N.J.A.C. 14:18-7.7(g), the Board by Order dated August 15, 2012 granted Verizon the requested waiver for a one year period. On August 13, 2013, Verizon filed a request in Docket No. CW12060479 seeking renewal of the waiver granted by the Board by Order dated August 15, 2012 for a period of one (1) year. Verizon's request for the renewal of the wavier was granted by the Board by Order dated November 22, 2013. As also provided in the rule, Verizon seeks a renewal of the waiver.

Board in the 2013 Order approved Verizon's "request for a waiver for one year of the requirement in N.J.A.C. 14:18-7.7(c) to submit telephone system performance reports to [the Office] within fifteen (15) days of the end of the month for which the report is filed." Id. at 2. But the Order also noted: "Specifically, Verizon requests a permanent extension of five (5) days to fifteen (15) days following each quarter." Id. at 1. Thus, if any clarification is needed, the Board's intent was to grant Verizon a waiver, for one year, of N.J.A.C. 14:18-7.7(c), thereby allowing Verizon to file the report within fifteen (15) days of the end of the quarter for which the report is filed.

As to Verizon's current petition, it contends that the same circumstances that caused the company to seek the initial waiver continue to exist today. Specifically, Verizon's call center data is not finalized until the close of business on the fifth business day following the end of the quarter. This, according to Verizon, allows the company only one day to pull the data, perform a thorough validation of the data and produce the report for filing. In addition, holidays which fall within the data processing time period, such as New Year's Day and Independence Day, further reduce the time the company has available to perform these activities to a mere few hours.

Verizon contends that if it is discovered through the validation process that changes or restatements must be made to the data, these changes would require overnight processing, which is not feasible when a holiday falls within the timeline. Granting Verizon a five (5) day extension for filing these reports will allow for more time to ensure accurate reporting.

Verizon also stated a ten (10) day time period to produce these reports is very short. The majority of regulatory performance reports for other jurisdictions are due thirty (30) or forty-five (45) days after the end of each quarter. Likewise, the Board affords longer filing time frames for other reports. For example, outage reports in accordance with N.J.A.C. 14:18-6.6(a)1 are required to be filed monthly within fifteen (15) days following the end of the reporting month. Similarly, complaint reports required by N.J.A.C. 14:18-6.7(g) are due thirty-one (31) days after the end of the annual reporting period.

Verizon further contends that the Board's relocation from Newark to Trenton has required the company to produce the reports one day earlier in order to send them to the Board via overnight mail so that they arrive by the due date. Pursuant to N.J.S.A. 48:5A-10.1, electronic filing of documents by cable companies was supposed to be available effective January 1, 2014. Once electronic filing is available, Verizon contends it will be able to file the quarterly reports fourteen (14) days following the end of each quarter.

Pursuant to N.J.A.C. 14:18-7.7(g), a cable television operator may seek a waiver of the reporting requirements from the Director, for a period of up to one year. In considering such requests, the Director shall consider factors such as the size of the system, the burden on the cable television operator for providing the information, the capability of the cable television operator's telephone system and the nature and type of alternative information the cable television operator intends to provide. Any such waivers will be for periods of up to one year and are renewable.

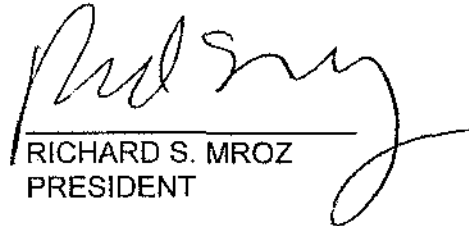

The Board has reviewed this matter and **HEREBY FINDS** that the renewal of the waiver is appropriate under the present circumstances. Therefore, the Board **HEREBY APPROVES** the

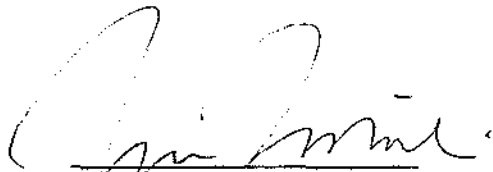

Petitioner's request for a waiver for one year of the requirement in N.J.A.C. 14:18-7.7(c) to submit telephone system performance reports to the Office and, therefore, the report shall be filed within fifteen (15) days of the end of the quarter for which the report is filed.

This Order shall become effective on December 1, 2014.
