Kenneth J. Sheehan
Secretary of the Board
(609) 292-1599

April 15, 2015

TO: PARTIES ON THE ATTACHED SERVICE LIST

Re: In the Matter of the Provision of Basic Generation Service for the
Period Beginning June 1, 2015 - Docket No. ER14040370

At its public agenda meeting held on February 12, 2015, the New Jersey Board of Public Utilities ("Board") certified and approved the results of the Residential and Small Commercial Pricing ("BGS-RSCP") and Commercial and Industrial Energy Pricing ("CIEP") Basic Generation Service ("BGS") Auctions for the State's four electric distribution companies: Atlantic City Electric Company ("ACE"); Jersey Central Power & Light Company ("JCP&L"); Public Service Electric and Gas Company ("PSE&G"); and Rockland Electric Company ("RECO") (collectively, the "EDCs") to satisfy supply requirements for their BGS customers for the period June 1, 2015 through May 31, 2016. The Board also directed the EDCs: 1) to execute the necessary documents with the winning bidders, including the BGS Supplier Master Agreements; 2) implement the BGS rates resulting from the Auctions beginning June 1, 2015; and 3) file revised tariff sheets reflecting the BGS rates resulting from the Auctions by March 1, 2015.

By Order dated April 15, 2015, the Board authorized RECO to conduct an RFP to satisfy the Company's obligation to obtain the energy and capacity needs of its customers located outside of PJM.

At its public agenda meeting held on April 15, 2015, the Board approved the compliance filings for ACE, JCP&L and PSE&G, after finding them to be consistent with the Board's Order dated February 12, 2015. The Board also directed ACE, JCP&L and PSE&G to post the approved tariff sheets on their respective websites. RECO will re-submit compliance tariff pages to reflect the results of the supplemental procurement process as blended with the results of the Auction.

Sincerely,

A handwritten signature in black ink, appearing to read "Kenneth J. Sheehan".

Kenneth J. Sheehan
Secretary of the Board
