Steven S. Goldenberg, Esq., New Jersey Large Energy Users Coalition

BY THE BOARD:

On September 1, 2016, pursuant to N.J.S.A. 48:2-21 and N.J.A.C. 14:1-5.12, Pivotal Utility Holdings, Inc. d/b/a/ Elizabethtown Gas ("ETG or "Company"), a public utility of the State of New Jersey subject to the jurisdiction of the New Jersey Board of Public Utilities ("Board"), filed a petition for the authority to: (1) increase base delivery rates for gas service designed to produce an increase in revenues of approximately \$19 million or 6.6%; (2) modify its depreciation rates; (3) to roll in and recover certain costs and finalize certain rates associated with the Accelerated Infrastructure Replacement Program approved by the Board in Docket No. GO12070693 and the Elizabethtown Natural Gas Distribution Utility Reinforcement Program approved by the Board in Docket Nos. GO13090826 and GR15060656; (4) establish certain regulatory assets; (5) establish a new Societal Benefits Charge component rate, the Customer Benefit Charge of \$0.0097 per therm; and (6) implement other tariff revisions.

According to the petition, the requested increase is necessary to permit the Company to meet the cost of operating facilities used and useful in the service of the public while earning a just and reasonable return on the investment in such facilities and maintain its financial integrity. ETG also states that the additional revenue is needed to compensate investors for risks assumed by the Company, continue to provide safe and adequate service to the public, as well as maintain its facilities in a condition sufficient to enable ETG to discharge its public duty.

On September 23, 2016, the Board issued an Order suspending the proposed rates until February 1, 2017, and the matter was transmitted to the Office of Administrative Law ("OAL") on October 14, 2016.

In light of the fact that this matter will not be completed by February 1, 2017, and it appearing that the proposed revisions will increase existing rates and change or alter existing classifications in Company's tariff, it is **HEREBY ORDERED** as follows:

- (1) Pursuant to N.J.S.A. 48:2-21(d), the proposed revisions are further suspended until June 1, 2017, unless prior to that date the Board makes a determination disposing of the petition or enters an Order further suspending the proposed revisions;
- (2) ETG shall, at least ten (10) days prior to the date set for hearing on the petition by the OAL, file with this Board and the Office of Administrative Law proof of compliance with the notice provisions of N.J.S.A. 48:2-32.2 and N.J.A.C. 14:1-5.12(b) and (c), which notice shall include a statement that any relief found by the Board to be just and reasonable may be allocated by the Board to any class or classes of customers on any rate or schedule as the Board may determine; and
- (3) ETG shall, at the same time it files with the Board, also file proof of service of copies of this Order upon the New Jersey Division of Rate Counsel, the clerks of each affected municipality, the clerks of the Boards of Chosen Freeholders of each affected County, and where appropriate, the executive officer of each affected County within its service area. Service of the petition, notice of hearings and this Suspension Order may be made simultaneously.

The Board **HEREBY DIRECTS** staff to post this Order on the Board's website.

This Order shall be effective on February 1, 2017.
