BEFORE **ELIA A. PELIOS**, ALJ:

STATEMENT OF THE CASE

Petitioner, Phillip Grimes (Grimes), disputes the billing and debt collection by respondent, Atlantic City Electric Company (Atlantic).

**PROCEDURAL HISTORY**

Petitioner requested a hearing and the matter was transmitted to the Office of Administrative Law (OAL) on January 29, 2018, for hearing as a contested case. This matter was originally assigned to Honorable Robert Bingham, II, ALJ, who presided over multiple telephone prehearing conferences in an attempt to resolve this matter. A hearing was scheduled for August 28, 2015. Petitioner Grimes indicated that he would be represented by attorney Natalie Pavone. Mr. Grimes thereafter advised via electronic mail on August 19, 2015, that he would not be represented by counsel.

On August 25, 2015, petitioner sent a letter to the OAL requesting an adjournment of the hearing scheduled for August 28, 2015, which was granted. Thereafter, on November 23, 2015, Judge Bingham held a telephone prehearing conference with the parties, wherein respondent advised that petitioner was enrolled in the Fresh Start Program (Program), and that respondent would know by the end of February 2016, whether Grimes had met all the requirements of the Program, such that his past due balance owed to respondent would be forgiven. The parties agreed that the case should be placed on a ninety-day inactive list in order to give the parties an opportunity to determine whether the issues could be resolved absent a hearing. Judge Bingham issued an order to this effect on December 1, 2015.

In February 2016, Petitioner Grimes successfully completed the Fresh Start Program so that his past due amounts were forgiven. A follow-up letter was sent to Judge Bingham on May 17, 2016, by respondent, outlining the status of this matter. Thereafter, Judge Bingham's assistant reached out to respondent advising that the Judge had reviewed the May 16, 2016, letter, and that His Honor would like the parties to submit a Stipulation of Dismissal or that petitioner would submit a letter withdrawing his appeal. Respondent prepared a form of Stipulation of Dismissal and sent same to Petitioner Grimes who did not sign the Dismissal. By letter dated June 20, 2016, respondent advised Judge Bingham of this situation.

On December 15, 2016, this matter was assigned to the undersigned. A telephone prehearing conference was scheduled for January 31, 2017. Petitioner's request to adjourn

this conference so that he could retain counsel was granted. A dial-in telephone prehearing conference was scheduled for April 4, 2017, and petitioner failed to participate. Grimes has never submitted a letter explaining his non-participation in this last telephone conference. Respondent submitted a request for dismissal to the undersigned on May 5, 2017.

Petitioner has not objected to nor has he responded in any way, to respondent's May 5, 2017 request that the case be dismissed.

### **FACTUAL DISCUSSION AND FINDINGS**

Based on the procedural record in the file, I FIND the following FACTS:

Petitioner filed an appeal for review of a billing dispute with respondent and challenging respondent's efforts to recover the alleged debt.

Respondent forgave the debts in February, 2016.

Respondent prepared a stipulation of dismissal. Petitioner never signed the stipulation.

A telephone prehearing conference was scheduled on January 31, 2017 and was adjourned as the petitioner requested an opportunity to obtain counsel.

No letter of representation by counsel on behalf of petitioner was ever received by this office.

A dial-in telephone conferences was scheduled for April 4, 2017, and the petitioner failed to dial-in.

Petitioner never communicated an explanation as to his inability to participate in the dial-in telephone prehearing conference.

On May 5, 2017, respondent requested that the matter be dismissed.

No response to the request for dismissal, nor any other communication by petitioner has been received by this office to this date.

### LEGAL ANALYSIS AND CONCLUSION

N.J.A.C. 1:1-14.4(a) provides that, if after appropriate notice, a party does not appear in a proceeding scheduled by the Clerk of OAL, the judge may direct the Clerk to return the matter to the transmitting agency if the judge does not receive an explanation for the nonappearance within one day:

(b) A case shall be returned to the transmitting agency by the Clerk of the Office of Administrative Law if, after appropriate notice, neither a party nor a representative of the party appears at a proceeding scheduled by the Clerk or a judge (see N.J.A.C. 1:1-14.4).

In consideration of the foregoing, along with the procedural history of this matter, I **CONCLUDE** that this matter should be dismissed for lack of prosecution.

### ORDER

It is **ORDERED** that Petitioner Grimes' appeal be **DISMISSED** pursuant to N.J.A.C. 1:1-14.4, and that the matter be returned to the **BOARD OF PUBLIC UTILITIES** for appropriate disposition.

I hereby **FILE** my initial decision with the **BOARD OF PUBLIC UTILITIES** for consideration.

This recommended decision may be adopted, modified or rejected by the **BOARD OF PUBLIC UTILITIES**, which by law is authorized to make a final decision in this matter. If the

OAL DKT. NO. PUC 01414-15

Board of Public Utilities does not adopt, modify or reject this decision within forty-five days and unless such time limit is otherwise extended, this recommended decision shall become a final decision in accordance with N.J.S.A. 52:14B-10.

Within thirteen days from the date on which this recommended decision was mailed to the parties, any party may file written exceptions with the **SECRETARY OF THE BOARD OF PUBLIC UTILITIES, 44 South Clinton Avenue, P.O. Box 350, Trenton, NJ 08625-0350**, marked "Attention: Exceptions." A copy of any exceptions must be sent to the judge and to the other parties.
