Re: **Electric Power and Natural Gas Supplier Renewal Licenses**
Docket Nos. EE19020153L and GE19020152L

Dear Ms. Schorr:

In accordance with the Electric Discount and Energy Competition Act of 1999, N.J.S.A. 48:3-49 et seq., at its April 7, 2021 Agenda meeting, the New Jersey Board of Public Utilities (the "Board") voted to renew the Electric Power Supplier and Natural Gas Supplier Licenses, numbers ESL-0166 and GSL-0146 to Gateway Energy Services Corp. Pursuant to signed bills S.604 and S.605 (2018) [P.L. 2019, c. 100-101], your licenses may be renewed without expiring so long as a license renewal fee accompanied by an annual information update form is submitted to the Board within 30 days prior to your annual **anniversary date of April 7**.

These licenses are effective April 7, 2021. These licenses and the rights thereunder are **Non-Transferable**.

This letter is not an endorsement of, nor is it intended for use in, the marketing promotions of the licensee. Licensees shall comply with all applicable laws and regulations, including the Electric Discount and Energy Competition Act, which prohibits the unauthorized change of a customer's energy provider and other fraudulent and illegal marketing activities.

If you have any questions, please contact Valencia Hunt at (609) 292-0637.

Sincerely,

Aida Camacho-Welch
Secretary of the Board
