TO: PARTIES ON THE ATTACHED SERVICE LIST

Re: In the Matter of the Provision of Basic Generation Service for the Period Beginning June 1, 2025, Docket No. ER24030191

At its public agenda meeting held on February 12, 2025, the New Jersey Board of Public Utilities ("Board") certified and approved the results of the Residential and Small Commercial Pricing ("RSCP") and Commercial and Industrial Energy Pricing ("CIEP"), Basic Generation Service ("BGS") Auctions for the State's four (4) electric distribution companies: Atlantic City Electric Company; Jersey Central Power & Light Company; Public Service Electric and Gas Company; and Rockland Electric Company (collectively, "EDCs") to satisfy supply requirements for their BGS customers for the period June 1, 2025, through May 31, 2026. The Board also directed the EDCs to: 1) execute the necessary documents with the winning bidders, including the BGS Supplier Master Agreements; 2) implement the BGS rates resulting from the auctions beginning June 1, 2025; and 3) file tariff sheets reflecting those rates seven (7) days after the results of the Third Incremental Reliability Pricing Model Auction are known, but no later than April 1, 2025.

Consistent with the Board's Order, the EDCs filed revised tariffs to become effective on June 1, 2025, which incorporated the changes resulting from the recently completed auctions. Board Staff reviewed the EDCs' tariff filings and found them consistent with the rate structure and results approved by the Board for the auction process.

At its public agenda meeting held on May 21, 2025, the Board approved the compliance filings for the EDCs after finding them consistent with the Board's Order dated February 12, 2025. The EDCs should post the approved tariff sheets on their respective websites.

Sincerely,

Sherri L. Lewis

Sherri L. Lewis
Secretary
