**RE:** In the Matter of the Act Concerning the Imposition of Standby Charges Upon  
Distributed Generation Customers Pursuant to N.J.S.A. 48:2-21 *et seq.*  
BPU Docket No. GO12070600

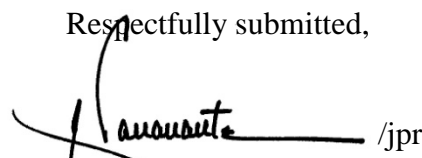

Dear Secretary Izzo:

In its Order dated July 18, 2012 in Docket No. GO12070600, the Board directed the four Electric Delivery Companies to make filings regarding the extension of standby service tariff provisions to Distributed Generators (“DGs”) as defined in the Standby Charge Law, which is codified in N.J.S.A 48:2-21.37 – 48:2-21.40. Pursuant to the Order, the Company has reviewed the terms and conditions of its existing tariff rider for standby service (Rider STB) for applicability to DG facilities. Based on this review, it is the Company’s position that the current terms and conditions and rate structure in Rider STB are appropriate for application to DG facilities.

The Company therefore proposes that no changes to existing Tariff Rider STB are necessary at this time in order to accommodate DG facilities.

Kindly return one date and time-stamped copy of this letter to the undersigned in the pre-addressed, stamped envelope provided.

Respectfully submitted,

  
Philip J. Passanante /jpr  
An Attorney at Law of the  
State of New Jersey
