

**State of New Jersey
Board of Public Utilities**

ANTICIPATED JOB VACANCY

JOB POSTING #: 13-18

DATE OF POSTING: August 2, 2018

DATE OF CLOSING: August 16, 2018

TITLE: Government Representative 1, Pipeline Safety

SALARY: \$91,000.00

EXISTING VACANCIES: One (1)

DIVISION/LOCATION: Board of Public Utilities
Division of Reliability & Security, Pipeline Safety

GENERAL DESCRIPTION: Under the direction of the Bureau Chief, Pipeline Safety, or Director of the Division of Reliability and Security, performs as the lead inspector on significant pipeline safety inspections and incident investigations, manages the Bureau's transmission and distribution integrity management programs, supervises and assists Bureau staff in the inspection, monitoring, and enforcement of pipeline safety regulations and laws, represents the Board on pipeline safety matters in meetings and public hearings, prepares Federal pipeline safety grant applications, reports and related documentation, provides engineering support and directs technical reviews related to pipeline safety.

Duties and Responsibilities

Conducts and leads significant pipeline safety inspections and incident investigations of New Jersey natural gas facilities, inputs inspection data and findings into NJBPU pipeline safety database, and processes non-compliance actions for findings discovered during the inspections and investigations.

Manages the Bureau's transmission and distribution integrity management inspection programs of the New Jersey natural gas operators. Coordinates all inspection work, findings, and remedies in accordance with Federal and State regulations and ensures that all performance requirements are complied with.

Supervises assigned pipeline safety engineers and staff regarding all work activity. Ensures all supervisory responsibilities are carried out to meet the goals and objectives of the Bureau and Division.

Prepares Federal pipeline safety grant applications, reports and related documentation in compliance with U.S.D.O.T. requirements and coordinates all work activities with Bureau Chief.

Represents the NJBPU on pipeline safety matters in Board meetings, public hearings, meetings with gas operators, and other venues regarding pipeline safety, natural gas pipeline projects, inspections, investigations, and associated activities.

Provides engineering support, data analyses, and technical assistance. Conducts and directs reviews of proposed natural gas pipeline projects; makes recommendations for revisions and improvements as needed. Analyzes and develops documents concerning proposed natural gas pipeline installations and procedures; and coordinates the preparation of discovery inquiries and Board Agenda documents.

Evaluates, reviews and prepares comments and recommendations for proposed Federal pipeline safety and New Jersey Administrative Code regulations associated with natural gas pipeline safety requirements.

REQUIREMENTS: Graduation from an accredited college or university with a Bachelor's degree in Civil Engineering, Sanitary Engineering, Chemical Engineering, Environmental Engineering, Mechanical Engineering, Agricultural Engineering, Mining Engineering, Industrial Engineering, or Bio-Resource Engineering and a Master's Degree in a discipline appropriate to the position.

EXPERIENCE: Minimum of six (6) years of experience including inspection and investigation regarding natural gas engineering, construction, maintenance and operations, operator qualification, integrity management and pipeline safety compliance. In addition, has completed training conducted by U.S.D.O.T. Pipeline and Hazardous Materials Safety Administration to qualify as a gas, LNG, DIMP, and OQ inspector.

NOTE: Possession of a Professional Engineer's License issued by the NJ State Board of Professional Engineers and Land Surveyors may be considered a plus.

OPEN TO THE FOLLOWING: Open to NJ residents.

NOTE: RESIDENCY LAW: Pursuant to N.J.S.A. 52:14-7 (L. 2011, Chapter 70), also known as the "New Jersey First Act," which became effective September 1, 2011, all persons newly hired by the Executive Branch on or after that date shall have one year from the date of employment to establish, and then maintain principal residence in the State of New Jersey.

The State of New Jersey is an Equal Opportunity Employer.
