## **NOTICE OF STAKEHOLDER WORKING GROUP MEETINGS**

### **IN THE MATTER OF EXECUTIVE ORDER 1 MODERNIZATION OF THE TRADITIONAL ELECTRIC DISTRIBUTION UTILITY BUSINESS MODEL STUDY**

**Docket No. [EO26040117](#)**

**PLEASE TAKE NOTICE** that Staff of the New Jersey Board of Public Utilities ("NJBP" or "Board") ("Staff") hereby invites all interested parties and members of the public to participate in public Stakeholder Working Group Meetings on Thursday, October 1, 2026, on Governor Sherrill's Executive Order 1 ("EO1") directive related to the "modernization of the traditional electric distribution utility business model."

Robust stakeholder engagement is vital to ensure the near- and long-term success of NJBP's effort related to EO1. As such, Staff established two (2) stakeholder working groups to further explore: 1) utility business model regulatory reform goals, customer outcomes, and associated metrics ("Goals and Metrics Working Group"); and 2) technical considerations of utility business model reform options ("Technical Working Group").

The October 1 Technical Working Group Meetings will be held in a hybrid format with an in-person attendance option at the Board's Offices at 44 South Clinton Avenue, Trenton, NJ 08625. The Technical Working Group will meet from 9:30am-11:30am and the Goals and Metrics Working Group will meet from 1:00pm-3:00pm on Thursday, October 1, 2026. You must register for the meeting before attending by completing and submitting this [Registration Form](#). After registering, you will receive a confirmation email. In order to encourage full participation, please submit any requests for needed accommodations, such as interpreters and/or listening assistance, at least forty-eight (48) hours prior to the conference to Patrick Holzbaur at [patrick.holzbaur@bpu.nj.gov](mailto:patrick.holzbaur@bpu.nj.gov).

Please direct any questions concerning the Working Group Sessions to Patrick Holzbaur at [patrick.holzbaur@bpu.nj.gov](mailto:patrick.holzbaur@bpu.nj.gov).
