Staff of the New Jersey Board of Public Utilities ("Staff") hereby gives notice to all interested parties and members of the public to participate in a virtual public meeting to discuss the opening of a second application ("Application") period for the Regional Greenhouse Gas Initiative ("RGGI") Medium and Heavy Duty ("MHD") Electric Vehicle ("EV") Charging Program established by Board via Order dated October 26, 2022 ("Order").¹ This will be a public information session about the RGGI MHD Charging Program and Application process.
