[Docket No. EO22030130](#)

Pursuant to the Open Public Meetings Act, N.J.S.A. 10:4-6 et seq., the New Jersey Board of Public Utilities (“NJBP” or “Board”) hereby gives notice of a second virtual Stakeholder Meeting to present information to the public and interested parties regarding progress on modeling and analysis for a Ratepayer Impact Study of the 2019 Energy Master Plan. This meeting will provide a mid-study update on assumptions and observations received from the public following the initial stakeholder meeting held on March 25, 2022.

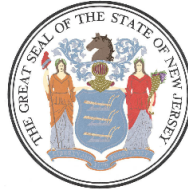

To facilitate an open and transparent process, Board Staff, in conjunction with its consultant, The Brattle Group, will provide opportunity for public comment at the meeting. Written comments will also be accepted for a period following the meeting regardless of whether a commenter participated in the meeting.
