

## **NOTICE OF PUBLIC HEARINGS**

### **IN THE MATTER OF A PETITION OF NEW JERSEY-AMERICAN WATER COMPANY, INC. FOR AUTHORIZATION TO IMPLEMENT A RESILIENCY AND ENVIRONMENTAL SYSTEM INVESTMENT CHARGE BPU Docket No. WR24040240**

#### **TO OUR CUSTOMERS:**

**PLEASE TAKE NOTICE** that on April 19, 2024, New Jersey-American Water Company, Inc. (“Company”) filed a petition with the New Jersey Board of Public Utilities (“Board”), seeking approval of a Foundational Filing to implement a Resiliency and Environmental System Investment Charge (“RESIC”), pursuant to L. 2023, c. 315 (“Petition”). A RESIC is a regulatory mechanism that enables timely cost recovery of investment in certain non-revenue-producing water and wastewater system components that are in direct or indirect compliance with requirements addressing existing or emerging requirements, and enhance water and wastewater system resiliency, and the health, safety or environmental protection of customers, employees, or the public. A RESIC rate is interim, until the subsequent base rate case, and subject to refund.

Any rate adjustments with resulting changes in bill impacts found by the Board to be just and reasonable as the result of the Petition may be modified and/or allocated by the Board in accordance with the provisions of N.J.S.A. 48:2-21 and for other good and legally sufficient reasons to any class or classes of customers of the Company. Therefore, the described charges may increase or decrease based upon the Board’s decision. The Petition and applicable attachments as well as the Public Hearing Notice for this proceeding can be viewed on the Company’s website at [www.newjerseyamwater.com](http://www.newjerseyamwater.com) by first selecting Customer Service & Billing and then Your Water and Wastewater Rates.

The maximum proposed monthly RESIC rates contained in the Petition are outlined in the table below. The average customer has a 5/8-inch meter and will be subjected to a maximum monthly RESIC surcharge of \$2.50 under the Company’s proposed rates. The maximum revenues will be set in the Company’s currently pending base rate case, BPU Docket No. WR24010056.
