RE: Rockland Electric Company Report on Voting at PJM Meetings in 2025

Dear Secretary Lewis,

Pursuant to N.J.S.A. § 48:2-16.5 (2025), which became effective August 15, 2025, enclosed please find Rockland Electric Company's updated report on voting at meetings of PJM Interconnection, L.L.C. during calendar year 2025. Following discussions with Board of Public Utilities Staff, the updated report includes updated descriptions for votes that occurred after August 15, 2025, and Markets and Reliability Committee and Members Committee votes that occurred between January 1, 2025, and August 14, 2025. The updated report does not include descriptions for votes occurring before August 15, 2025, because the law's requirement to provide such descriptions did not apply until the law became effective on August 15, 2025.

Respectfully Submitted,
