The following conditions shall be satisfied by the above-listed conditional license awardees:

1. Conditional licenses issued in accordance with this Resolution shall be automatically granted the additional 45 days allowed by statute to file a conditional conversion application, extending the conditional license phase to 165 days from the date of license issuance.
2. Conditional license-holders shall comply with all relevant provisions of N.J.A.C. 17:30-6 through 7 regarding conditional licenses, license-holders, and the conditional license phase.
3. If issued a conditional license as a social equity business, diversely owned business, or impact zone business, maintaining eligibility as such is a condition of the license and a condition of seeking an annual license through a conditional conversion application.
4. Conditional license-holders may add new owners in the conditional license phase; however, a majority of the ownership shall remain with the owners that qualified for the conditional license.
5. Conditional license-holders shall be granted provisional approval for 90 days to get a criminal history background check, with the ability for the provisional period to be extended by the Commission. No license-holder or license applicant shall be granted an annual license without completing a criminal history background check.
