RESOLUTION 2023-147
APPROVAL OF PERMITTING FOR MPX NEW JERSEY, LLC TO OPERATE A
SATELLITE DISPENSARY LOCATION FOR MEDICINAL CANNABIS

WHEREAS, the authority to regulate and enforce activities related to medicinal cannabis previously was vested in the New Jersey Department of Health ("the Department"), and now vests in the New Jersey Cannabis Regulatory Commission ("the Commission") pursuant to P.L. 2019, c.153; and

WHEREAS, P.L. 2021, c.16, "The New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act," ("the Act") authorizes an Alternative Treatment Center ("ATC") that was issued a permit prior to the effective date of P.L.2019, c.153 (C.24:6I-5.1 et al.) or that was issued a permit after the effective date of P.L.2019, c.153 (C.24:6I-5.1 et al.) pursuant to an application submitted prior to the effective date of P.L. 2019, c.153 (C.24:6I-5.1 et al.), to maintain up to two satellite medical dispensaries, including any satellite dispensary that was approved pursuant to an application submitted prior to or within 18 months after the effective date of P.L.2019, c.153. (C.24:6I-5.1 et al.); and

WHEREAS, in accordance with the authorities and requirements in N.J.A.C. 24:6I-1 through -30 and the corresponding rules at N.J.A.C. 17:30A-1 et seq., an application for a satellite medical dispensary site was submitted to the Department of Health by:

WHEREAS, to provide consistency and uniformity in the review of applications for satellite locations submitted to the Commission, the Commission has continued the Department's process of treating satellite location approvals as a permit amendment and "change of location" under the current regulations, specifically N.J.A.C 17:30A-7.8, requiring submission of a \$10,000 fee; and

WHEREAS, Commission staff have conducted site visits and reviewed site plans for compliance with the Act, P.L.2019, c.153, and the implementing regulations pertaining to ATC operations; and

WHEREAS, Commission staff have determined that the applicants have satisfied the requirements of N.J.A.C. 17:30A-7.8 and will submit the requisite \$10,000 fee to the Commission upon approval; and

WHEREAS, based on the review, Commission staff have determined that MPX New Jersey, LLC is authorized by N.J.S.A. 24:6I-7 to operate a satellite medical dispensary site, has submitted a complete application with all the necessary information required by the Commission to make a determination on the request, and has established site control and local approval for the properties and its plans;

NOW, THEREFORE, BE IT RESOLVED by the New Jersey Cannabis Regulatory Commission that the application for a satellite dispensary location for medicinal cannabis submitted by the above authorized entity is hereby approved.
