COMPLETENESS REVIEW:

Illicit Gardens NJ LLC (Medical Permittee and Expanded Alternative Treatment Center)

The ownership change for this application would see Illicit Gardens NJ LLC merging with Onyx 7 LLC and OXG LLC, other businesses operating under the Illicit Gardens name in Missouri, under parent company S1 Enterprises, a recently formed Delaware limited liability company intended to serve as the new parent company of all interests in Illicit Gardens New Jersey, Onyx 7 LLC, and OXG LLC. Illicit Gardens NJ LLC will still retain 100% ownership of Harmony Holdings, pursuant to the prior-approved ownership change. The purpose of the transaction is to consolidate the management, control, and ownership of the various cannabis businesses in order to improve cash flow and access to capital. Illicit Gardens NJ LLC has stated that the transaction will not prejudice or change any of the prior representations made to the NJ-CRC in its application to operate as an expanded Alternative Treatment Center in New Jersey.

Phasal LLC (App ID 2330)

The ownership change for this application would see removal of minority owners Christopher Thomas Lloyd (44.1%) and Vishal R. Patel (4.9%) and replacement of those minority owners with Aman Verma (24.5%) and Singh Inderpal (24.5%). Majority owner Leonilda Rodriguez will retain her 51% equity in the company and the company will remain designated as a minority and woman-owned business enterprise. PHDs were filed by Verma and Inderpal and no derogatory information was found.

Holistic Re-Leaf (App ID 1519)

The ownership change for this application would see owner Rupinder Hundal (100%) transfer 49% of ownership stake in the company to entity Intense Releaf LLC in exchange for \$10 million. Majority owner Rupinder Hundal will retain 51% equity in the company and the company will remain designated as a minority-owned business enterprise. PHDs were filed by the three principals of Intense Releaf LLC and an EDF was filed for Intense Releaf LLC. Non derogatory information was found.

RECOMMENDATION: The Office of Compliance and Investigations recommends approval for the five applications to amend the license/permit set forth above and authorize the ownership structure change as presented by their representatives. All owners and officers that will hold positions after approval of the changes have been vetted as required by the statutes and regulations and have been deemed qualified to hold their positions in the adult use cannabis market.
