Re: **FINAL AGENCY DECISION**
APPROVAL OF TRANSFER OF OWNERSHIP
Application ID 2010, 1100

Dear Rahul Patel:

The New Jersey Cannabis Regulatory Commission ("NJ-CRC" or "Commission") has received and reviewed your application requesting approval of an ownership transfer by which owner Dolly Patel (50%) would relinquish 49.9% of her ownership to Rahul Patel. Dolly is the mother of Rahul. Majority owner Divya Lodaya would retain their 50% stake, Rahul Patel would hold an interest of 49.9%, and Dolly Patel would retain 0.1% of her ownership stake. The company will remain designated as a minority-owned business enterprise. Your application has been approved.

All proposed ownership transfers in the personal-use cannabis market must comply with the provisions of N.J.A.C. 17:30, et seq, including the ownership transfer requirements under N.J.A.C. 17:30-9.3. After completing a thorough investigation of your entity, Commission staff found no evidence that would preclude the proposed transfer of ownership, and no significant derogatory information was uncovered during the investigations that would impact the suitability of the individuals or entities investigated. Thus, your proposed transfer of ownership is approved.

Congratulations and thank you for your interest in working with the NJ-CRC to establish a safe and equitable cannabis industry for the State of New Jersey. Should you have any questions regarding this correspondence, please submit your inquiry to the NJ-CRC Licensing inbox at crc.licensing@crc.nj.gov.

Sincerely,

A handwritten signature in black ink, appearing to be 'DH' followed by a horizontal line.
