Full Name	Meeting Date	Comment
John Soh	2/18/2025	How can community/youth prevention organizations apply to receive funds from “Underage Deterrence and Prevention Account”? Are these funds available and if so, how are they being spent?
Joe Watson	2/18/2025	I was wondering what, if anything, the CRC plans to do about the smoke shops selling illegal cannabis that are popping up everywhere, claiming to sell CBD products. The municipalities seem to have no how to handle this situation because cannabis is legal. Not only does this undermine the licensing process CRC has created, but it poses a health risk for people in the city who think these are licensed dispensaries and untested cannabis from them. Additionally, the packaging does not adhere CRC guidelines, as most designed and named after candy packages like skittles and Sour Patch Kids. These fake smoke shops also affect the legal dispensaries, as we have already seen some closures due to the inability to match the prices of smoke shops.
