N.J. Admin. Code § 17:30-20.6

(a) This section sets forth civil monetary penalties for violations of the Act or this chapter and enforcement procedures for imposing and collecting civil monetary penalties by the Commission.

(b) A monetary penalty imposed by the Commission on a license holder pursuant to this subchapter may not exceed \$500,000 per violation. Penalties may be imposed on a license holder as follows:

1. Not more than \$500,000 per major license violation; and
2. Not more than \$50,000 per any other license violation.

(c) A violation by each entity or person per day shall constitute a separate incident for purposes of calculating the number of violations.

(d) The Commission may impose greater penalties for successive violations up to the maximum amounts set forth at (b) above.

(e) The penalty for a subsequent violation shall only be imposed if the license holder has been notified of the prior violation or violations.

1. Such notice may be provided by service of written notice or the receipt of a written notice from an investigating officer that a violation has occurred, which may be presented to the license holder's owner, principal, or manager at the licensed premises or administrative office, or other reasonable form of notice such as certified mail or personal service pursuant to N.J. Ct. R. 4:4–4.

2. If violations are discovered during an undercover or unannounced inspection or onsite assessment, then no notice of any prior violation is necessary to impose the penalty for a subsequent violation.

(f) Notwithstanding anything in this section, the Commission may, in the Commission's sole discretion, consider additional factors in determining the penalty for each violation. Such factors may include, but are not limited to:

1. Any prior violations that the license holder has admitted to or was found to have engaged in;
2. Good faith measures by the license holder to self-report or prevent the violation;

3. The license holder's record of compliance with the laws and rules pertaining to personal use cannabis;
4. Corrective action(s) taken by the license holder related to the current violation or prior violations;
5. Willfulness and deliberateness of the violation;
6. Likelihood of reoccurrence of the violation; and
7. Violations involving damage or danger to the life, health, welfare, safety, or property of any person.

(g) Any penalties, costs, and/or fees pursuant to this subsection may be imposed and collected by the Commission in a summary proceeding pursuant to the Penalty Enforcement Law of 1999, P.L. 1999, c. 274 (N.J.S.A. 2A:58–10 et seq.).

(h) The Commission may additionally seek reimbursement for the costs of the State, including, but not limited to:

1. Costs of investigation, expert witness fees and costs, attorney fees and costs, and transcript costs for violations; and
2. Costs of cleaning up, mitigating, or remedying any environmental damage caused by a cannabis business or testing laboratory.

(i) The license holder may request an adjudicatory hearing pursuant to the Administrative Procedure Act, N.J.S.A. 52:14B–1 et seq., and 52:14F–1 et seq., to contest the Commission's imposition of a civil monetary penalty for any license violation within 14 days of receipt of the notice of civil monetary penalty.

(j) If the license holder requests an adjudicatory hearing pursuant to (i) above, the Commission shall arrange for a hearing to be conducted by the Commission and a final agency decision shall be issued after the hearing by the Commission.

1. If the Commission affirms the civil monetary penalty, it shall become final.

(k) The cannabis business may, pursuant to N.J.A.C. 17:30–20.10, apply for injunctive relief against the Commission's civil monetary penalty in the New Jersey Superior Court, Appellate Division.

N.J. Admin. Code § 17:30-20.7

(a) Violations shall be categorized as follows:

1. Category I, which is the exhibition of a pattern and practice of violating the requirements of the rules, posing a serious risk of harm to the health, safety, or welfare of consumers or personnel;
2. Category II, which is the failure to comply with administrative requirements, such that the licensee or permittee poses an immediate and serious risk of harm or actual harm to the health, safety, or welfare of consumers, personnel, or the general public, including, but not limited to, transfer of cannabis to a person under 21 years of age;
3. Category III, which is the submission of fraudulent, false, or misleading information, as to a material fact, to the Commission, or falsifying or concealing any record required to be maintained by the license holder;
4. Category IV, which is the failure of any owner, principal, management services contractor, employee, or volunteer of a cannabis business license holder or testing laboratory to register with the Commission and be issued a Cannabis Business Identification Card; or failure to complete training course, or failure to be in physical possession of their Cannabis Business Identification Card while acting in the course of their duties; and
5. Category V, which shall consist of other violations of the Commission's rules, or violations of valid ordinances established by municipalities that do not constitute a major violation.

(b) The Commission shall issue sanctions for violations of this chapter that account for the particular circumstances of the violation. The Commission shall consider, at a minimum, issuing the following sanctions for violations:

Category	Violation 1	Violation 2	Violation 3	Violation 4
I	Revocation			
II	\$500,000	Suspension	Revocation	
III	\$250,000	\$500,000	Revocation	
IV	\$10,000	\$25,000	\$50,000	Suspension
V	\$5,000	\$10,000	\$25,000	\$50,000

(c) A license holder shall pay an imposed civil monetary penalty by the time specified by the notice of enforcement action.

IN-DEPTH REVIEW: Inquiring parties can review the violations committed in the attached November 20, 2024, Notice of Violation. Garden Society failed to adhere to the Adult Use

regulations as it relates to employee badging. Garden Society failed to ensure that its employees had properly cleared the background check process and been issued a cannabis business identification card.

Garden Society did provide a response within 20 business days of receipt of the Notice of Violation, addressing the violations.

RECOMMENDATION: It is the opinion of staff that Garden Society has failed to adhere to the requirements imposed by the regulations. This failure to adhere to the requirements, however, did not pose an immediate and serious risk of harm or actual harm to the health, safety, or welfare of consumers, personnel, or the general public.

The Office of Compliance and Investigations considers this a “violation of the Commission’s rules... that do not constitute a major violation” and therefore it is prudent that the violations be treated as a Category IV violation.
