

SPOTLIGHT ON ATLANTIC CITY

Since its 1977 inception, the AtlantiCare Foundation has furthered AtlantiCare's vision of building healthy communities and has played a pivotal role in funding critical health initiatives, innovative medical technologies, and community programs that address the diverse needs of the area.

The AtlantiCare Foundation improves health outcomes by promoting mental health services, access to quality healthcare for underserved communities, adding cutting-edge treatment options and comprehensive wellness programs.

The Foundation's work with Midtown in Motion focuses on creating clean, safe, and beautiful neighborhoods as well as economic development to help transform Atlantic City.

The Foundation highlights how collective efforts can sculpt healthier, vibrant communities for generations to come.

"Building healthy communities"

The work of the AtlantiCare Foundation takes place inside the walls of its facilities and in the community alongside the neighbors it is proud to serve. Featured is AtlantiCare's newest facility, the Medical Arts Pavilion, located in Atlantic City.
