About OSC:

The Office of the State Comptroller (OSC) is an independent state agency created to bring greater efficiency and transparency to all levels of New Jersey government. Our mission is to make the government in New Jersey more efficient, transparent, and accountable. Our office audits and investigates, municipalities, school districts, counties, state colleges and universities, independent state authorities, and state agencies. We also oversee government expenditures, review public contracts, evaluate local and state programs, and oversee the integrity of New Jersey's Medicaid program. We detect and uncover fraud, waste, and abuse and share our findings through public reports.

About the Division:

The Medicaid Fraud Division (MFD) oversees New Jersey's Medicaid program. The Division works to improve the efficiency and integrity of Medicaid in New Jersey and returns millions of dollars to taxpayers each month. MFD audits and investigates healthcare providers, recipients, and managed care organizations (MCOs) that coordinate the provision of an individual's health care needs. We evaluate the care provided to Medicaid recipients and work to prevent and detect fraud, waste, and abuse in the program. In addition, we pursue civil and administrative enforcement actions and disqualify providers from participating in the Medicaid program when necessary.

About the Role:

We are seeking a detail-oriented and experienced supervisor to assess accounts receivable and support the Division's financial recovery efforts. This role be responsible for the supervision of tracking, reconciliation, and reporting of funds recovered through MFD's investigations and audits. The ideal candidate will work closely with the Division's various units, the State Medicaid agency, and other stakeholders to monitor incoming payments, manage delinquent accounts, and implement financial controls such as withholds and payment suspensions.

Responsibilities:

- Manage MFD's accounts receivable function, ensuring the proper tracking of payments, reconciling of accounts, and ensuring timely collections.
- Collaborate with the State Medicaid agency to monitor, resolve, and report on financial recoveries, delinquent accounts, and payment discrepancies.
- Supervise withholds, suspensions, and repayment plans in accordance with state and federal guidelines.

- Supervise the analysis of complex reimbursement issues and recommend solutions to ensure accurate and timely resolution.
- Ensure compliance with applicable laws and regulations regarding financial transitions and recovery efforts.
- Serve as a liaison between the Division and external parties, including Medicaid Managed Care Organizations (MCOs), providers, and the State Medicaid agency.
- Provide regular reporting to Division leadership on outstanding balances, recovery trends, and financial performance.
- Participate in internal audits and assist with the preparation of financial documentation for legal proceedings or investigations.
- Support the development and implementation of policies and procedures to improve receivables management and reduce bad debt.
- Participate in meetings and special projects as assigned.

Requirements:

- Applicants must meet one of the following or a combination of both experience and education:
 - Eight (8) years of professional experience involving the review, analysis, and evaluation of budget, organization, administrative practices, operational methods, management operations, or data processing applications, or any combination thereof, which shall have included responsibility for the recommendation, planning, and/or implementation of improvements in a business or government agency.
- OR**
- Possession of a bachelor's degree from an accredited college or university.
 - Four (4) years of the above-mentioned professional experience.
- OR**
- Possession of a master's degree in Public Administration, Business Administration, Economics, Finance, or Accounting.
 - Three (3) years of the above-mentioned professional experience.

The ideal candidate will have the following skills and experience:
