1.1 PURPOSE AND INTENT

The purpose of this RFP is to solicit Proposals from qualified firms and/or individuals to provide consulting services to the Office of the State Comptroller (OSC) in relation to its oversight of the Gateway Development Commission (GDC) and the Gateway Program.

Established in 2007 as an independent state agency, OSC has a statutory duty to ensure efficiency, transparency, and accountability in state government by providing oversight of New Jersey's Executive Branch. In addition, OSC is specifically directed by the New Jersey Gateway Development Commission Act (NJGDCA), N.J.S.A. 32:36-1 to 32:37-2, to conduct periodic examinations of the "the accounts books of the [GDC], including their receipts, disbursements, contracts, leases, sinking fund, investments and such other items referring to their financial standing and receipts and disbursements as [OSC] may deem proper." N.J.S.A. 32-39-19(a).

This RFP requests Proposals for: (1) a risk assessment of the GDC and the Gateway Program including preparation of a comprehensive Risk Assessment Report; and (2) development of an oversight plan for OSC in relation to the GDC, including preparation of a comprehensive Oversight Framework Report.

Following acceptance by OSC of Contractor's Risk Assessment Report and Oversight Framework Report, Contractor may be asked to provide further consulting services to OSC related to the Scope of Work in Section 3.0 below.

OSC intends to award one (1) Contract to that responsible Bidder whose Proposal conforming to this RFP is most advantageous to OSC, price and other factors considered. Contract will commence upon award by OSC and shall terminate no later than ten (10) months from award of

Contract, or upon acceptance of the required reports, unless extended by OSC, at its sole option, for a period of up to an additional six (6) months or additional or follow-up consulting services.

This RFP is issued by OSC pursuant to N.J.S.A. 52:15C-5(c) and N.J.S.A. 32:36-19, provisions which authorize OSC to retain experts that assist it in providing oversight of entities under its jurisdiction, including the GDC.

The State of New Jersey Standard Terms and Conditions and Waivered Contracts Supplement to the State of New Jersey Standard Terms and Conditions shall be a part of the Contract awarded as a result of this RFP. These terms are in addition to the terms and conditions set forth in this RFP and should be read in conjunction with them unless the RFP specifically indicates otherwise. See Attachment B.

1.2 EXCEPTIONS TO THE TERMS OF THE RFP

Any exceptions to the terms of this RFP, including, but not limited to, the State of New Jersey Standard Terms and Conditions and Waivered Contracts Supplement to the State of New Jersey Standard Terms and Conditions, must be posed during the Question and Answer period and shall contain Bidder's suggested changes and the reason(s) for the suggested changes. Any exceptions submitted with the Proposal may render the Proposal non-responsive and subject to rejection by OSC.

1.3 BACKGROUND

Established in 2008 as an independent state agency, OSC is dedicated to enhancing efficiency, transparency, and accountability in New Jersey government by providing oversight. OSC is tasked with examining all aspects of government expenditures, including reviewing public contracts, auditing finances, and evaluating the performance of programs. OSC reviews contracts and conducts audits and investigations of the executive branch of state government, including state agencies, independent state authorities, bistate agencies and commissions, state colleges and universities, and local government entities.

OSC's powers and responsibilities arise from three primary sources: first, the statute creating the New Jersey Office of the Inspector General, N.J.S.A. 52:15B-1 to 52:15B-16; second, the Medicaid Program Integrity and Protection Act, N.J.S.A. 30:4D-53 to 30:4D-64, which created the Office of Medicaid Inspector General; and third, the law that created OSC itself, N.J.S.A. 52:15C-1 to 52:15C-24. In 2005, the Office of the Inspector General was created to investigate allegations of waste, fraud, and abuse in the expenditure of public funds, promote efficiency, and identify cost savings, and detect and prevent misconduct at all levels of government. N.J.S.A. 52:15B-1. In 2007, the Office of the Medicaid Inspector General was created to prevent, detect, and investigate waste, fraud, and abuse in the Medicaid program. N.J.S.A. 30:4D-54. Also in 2007, the Legislature established OSC because it found the rapid growth of state and local government agencies and authorities outpaced the State's ability to "subject governmental financial activities to uniform, meaningful, and systematic public scrutiny." N.J.S.A. 52:15C-1. One of the goals of OSC is to "increas[e] public trust and confidence that every tax dollar collected by government" including "units of local government" "is spent wisely and well." N.J.S.A. 52:15C-1.

In 2010, the Legislature consolidated the three agencies into the Office of State Comptroller. The powers, functions, and duties of the Office of the Inspector General and the Office of the Medicaid Inspector General were transferred to the Office of State Comptroller to be exercised by the State Comptroller. N.J.S.A. 52:15C-20. In order to fulfill its watchdog role and provide the oversight necessary to effectuate its mandate, OSC has broad statutory powers and duties, including to conduct routine, periodic, and random audits of executive branch agencies, N.J.S.A. 52:15C-8, to review government contracts, N.J.S.A. 52:15C-10, and to conduct investigations into fraud, waste, abuse, or mismanagement of state funds, N.J.S.A. 52:15B-7 and B-8.

In addition, the NJGDCA empowers OSC to exercise oversight over the GDC. See N.J.S.A. 32:36-19. Specifically, OSC is authorized to regularly examine “the accounts books of the [GDC], including their receipts, disbursements, contracts, leases, sinking fund, investments and such other items referring to their financial standing and receipts and disbursements as [OSC] may deem proper.” Ibid. These examinations may occur at any time by either OSC or the Office of the New York State Comptroller individually, or by both comptrollers acting in unison. Ibid. The Act also requires that “[t]he comptrollers of the respective states acting individually or collectively shall report to the governors and the legislatures of the respective states the result of such examination.” Ibid.

The States of New Jersey and New York created the GDC as a bistate public authority by passing parallel legislation: the NJGDCA and the New York Gateway Development Commission Act, 2019 Sess. Law News of N.Y. Ch. 108 (A. 8126-A). The GDC is tasked with serving as a coordinating agency for federal, state, and local governments, the National Railroad Passenger Corporation, or “Amtrak,” private entities, and other interested parties in relation to the Gateway Program. The Gateway Program is a multi-billion dollar set of complex railroad infrastructure projects involving improvements to the Northeast Corridor rail line and related rail infrastructure between Newark Penn Station in Newark, New Jersey, and New York Penn Station in New York, New York.

The Gateway Program is planned to include a number of complex construction projects, including the Portal North Bridge Project, a NJ Transit-led venture that involves replacing the existing Portal Bridge with a new, fixed, high-level bridge, and the Hudson Tunnel Project, an initiative that includes construction of a new two-track rail tunnel from New Jersey to Manhattan and the rehabilitation and modernization of the existing North River Tunnel. Through a series of major construction projects, the Gateway Program also seeks to: expand New York Penn Station; replace the Sawtooth Bridges in Kearny, New Jersey; rehabilitate the Dock Bridge in Newark, New Jersey; construct a second two-track bridge over the Hackensack River, referred to as the “Portal South Bridge;” and expand, replace, and rehabilitate other related rail infrastructure. The objective of the program is to “improve reliability, resiliency and redundancy while creating new capacity for a critical section of the Northeast Corridor (NEC) – the most heavily used passenger rail line in the country.” See The Gateway Development Commission, Gateway Program, www.gatewayprogram.org. In view of its massive scale, the Gateway Program has been referred to as the largest transit public works project in the United States.

 - iii. Conflicts of Interest. Review the GDC's policies to identify and avoid conflicts of interest and self-dealing in the procurement process.
 - iv. Performance Metrics. Evaluate whether performance metrics are incorporated into the procurement process, if contracts and specifications include clear performance metrics, and how, if at all, such metrics are enforced through billing reductions or penalties.
 - v. Contracts. Review and analyze whether the GDC utilizes standard terms and conditions and whether such terms and conditions are sufficiently protective of the GDC's interests and the public interest.

Bidder should include the level of detail it determines necessary to assist OSC in its review of the Proposal.

The Preliminary Assessment Plan described below in Section 4.1.9 is a required element of a Bidder's Technical Proposal. This element of a Bidder's Proposal will be evaluated pursuant to Section 5.7. This narrative should demonstrate to OSC that Bidder understands the objectives that the Scope of Work is intended to meet, the nature of the required work, and the level of effort necessary to complete the services identified in Section 3 above successfully.

Mere reiterations of Scope of Work are strongly discouraged, as they do not provide insight into Bidder's approach to complete the services identified. Bidder's response to this section should be designed to demonstrate to OSC that Bidder's detailed plans and approach proposed to complete the Scope of Work are realistic, attainable, and appropriate, and that the Proposal will lead to successful project completion.

4.1.3 CONTRACT MANAGEMENT

Bidder shall describe its specific plans to manage, control, and supervise the Contract to ensure satisfactory completion according to the required Project Timeline. The plans should include Bidder's approach to communicate with OSC including, but not limited to, status meetings, and the required reporting identified herein.

Bidder should provide detailed resumes for each Subcontractor's management, supervisory, and other key personnel that demonstrate knowledge, ability, and experience relevant to that part of the work which the subcontractor is designated to perform.

4.1.8 EXPERIENCE WITH PROJECTS OF SIMILAR SIZE AND SCOPE

Bidder shall provide a comprehensive listing of contracts or projects it has successfully completed that are similar in size and scope to the work required by this RFP. A description of all such contracts should be included and should show how such contracts relate to the ability of the firm to complete the services required by this RFP. For each such contract listed, Bidder should provide two (2) names and telephone numbers of individuals for the contracting party. Beginning and ending dates should also be given for each contract.

Bidder should provide documented experience to demonstrate that each subcontractor has successfully performed work on contracts of a similar size and scope. Bidder must provide a detailed description of services to be provided by each subcontractor.

Bidder must provide details of any negative actions taken by other contracting entities against them in the course of performing these projects including, but not limited to, receipt of letters of potential default, default, cure notices, termination of services for cause, or other similar notifications/processes. Additionally, Bidder should provide details, including any negative audits, reports, or findings by any governmental agency for which Bidder is/was the contractor on any contracts of similar size and scope. In the event a Bidder neglects to include this information in the Proposal, Bidder's omission of necessary disclosure information may be cause for rejection of the Proposal by OSC.

4.1.9 PRELIMINARY ASSESSMENT PLAN

Bidder must submit a Preliminary Assessment Plan that demonstrates to OSC that Bidder's suggested approach is realistic, attainable, and appropriate and that the estimated number of hours and staff required to complete each activity are adequate. At a minimum, the Preliminary Assessment Plan should include:

- (1) Anticipated plan and methodology for performing the Scope of Work as described in Section 3.0, including, at minimum:
 - a. The processes and reviews to be undertaken;
 - b. Resources needed for the processes and reviews to be completed;
 - c. Planned duration of each process based on previous Bidder experience on contracts of similar size and scope;
- (2) Estimated number of hours and staff required to complete each deliverable for the duration of the Contract term; and

The Preliminary Assessment Plan will be evaluated as part of Bidder's Proposal as evidence of its ability to successfully complete the Scope of Work.

The successful Bidder's Preliminary Assessment Plan will be discussed at the Project Kick-Off Meeting described in Section 3.3.1 of the RFP.

4.2 PROPOSED TIMELINE

The Bidder shall include in its Proposal a proposed timeline with associated milestones, with all work to be completed within ten (10) months of the award of the Contract.

4.3 PRICE SCHEDULE

Bidder shall submit a Firm Fixed Price based on the All-Inclusive Hourly Rates and projected number of hours on the OSC-supplied Price Schedule by completing Attachment A. The Firm Fixed Price provided shall include all necessary staff and resources necessary to timely complete the services set forth in Section 3 of this RFP. See Price Schedule for personnel classifications. Bidder need only provide prices for personnel assigned to work on this Contract.

Each Bidder shall segment its professional skill classifications into the personnel classifications noted on the Price Schedule. If the title differs in Bidder's organization, that title should be listed in parenthesis after the particular category. It is not necessary for a Bidder's firm to possess all categories of professional skill classifications.

No additional fees shall be paid by the State, unless there is a mutually agreed upon change to the Scope of Work reduced to writing. Any consulting services provided after acceptance of the Report shall be based on the awarded All-Inclusive Hourly Rates.

Any extensions of the Contract term shall be paid on an hourly basis according to the approved pricing of the original Contract term.

Bidder's submitted Price Schedule will be evaluated pursuant to Section 5.7.

4.4 POTENTIAL CONFLICTS OF INTEREST

Bidder shall identify any potential conflicts of interest regarding the delivery of services under this RFP. If potential conflicts are identified, Bidder shall provide OSC with its conflict of interest policy and measures that can be implemented to mitigate any such conflicts.

- (7) Engage in any exchange of contributions to circumvent the intent of the Legislation; or
- (8) Directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of the Legislation.

Further, Contractor is required, on a continuing basis, to report any contributions it makes during the term of the Contract, and any extension(s) thereof, at the time any such contribution is made.

- C. A “Continuing Political Committee” means any political organization (a) organized under section 527 of the Internal Revenue Code; and (b) consisting of any group of two or more persons acting jointly, or any corporation, partnership, or any other incorporated or unincorporated association, including a political club, political action committee, civic association or other organization, which in any calendar year contributes or expects to contribute at least \$5,500 to the aid or promotion of the candidacy of an individual, or of the candidacies of individuals, for elective public office, or the passage or defeat of a public question or public questions, and which may be expected to make contributions toward such aid or promotion or passage or defeat during a subsequent election, provided that the group, corporation, partnership, association or other organization has been determined to be a Continuing Political Committee by the New Jersey Election Law Enforcement Commission under N.J.S.A.19:44A-8. 2.8 PAY TO PLAY PROHIBITIONS

New Jersey law insulates the negotiation and award of State contracts from political contributions that pose a risk of improper influence, purchase of access or the appearance thereof. P.L.2005, c.51, as amended by the Elections Transparency Act, P.L.2023, c.30, codified at N.J.S.A. 19:44A-20.13 to 20.25 ("Chapter 51") and Executive Order 333 (2023).

P.L.2023, c.30), a "fair and open process" means, at a minimum, that the contract shall be: publicly advertised in newspapers or on the Internet website maintained by the public entity in sufficient time to give notice in advance of the contract; awarded under a process that provides for public solicitation of proposals or qualifications and awarded and disclosed under criteria established in writing by the public entity prior to the solicitation of proposals or qualifications; and publicly opened and announced when awarded. A contract awarded under a process that includes public bidding or competitive contracting pursuant to State contracts law shall constitute a fair and open process. N.J.S.A. 19:44A-20.23. The agency conducting the procurement will need to determine whether the procurement meets the Election Transparency Act definition of a "fair and open process" and instruct vendors on the applicability of Chapter 51.

A. For Contracts Awarded Pursuant to a Fair and Open Process

Pursuant to P.L.2005, c.51, as amended by the Elections Transparency Act, P.L.2023, c.30, codified at N.J.S.A. 19:44A-20.13 to 20.25 ("Chapter 51"), and Executive Order No. 333 (2023), contracts awarded pursuant to a fair and open process do not require a certification or disclosure of any solicitation or contribution of money, or pledge of contribution, including in-kind contributions.

B. For Contracts Awarded Pursuant to a Non-Fair and Open Process

Pursuant to N.J.S.A. 19:44A-20.13 et seq. (P.L.2005, c.51, rev. P.L.2023, c.30), and Executive Order 333 (2023), the State shall not enter into a Contract to procure services or any material, supplies or equipment, or to acquire, sell, or lease any land or building from any Business Entity, where the value of the transaction exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions, to a Continuing Political Committee or to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor or Lieutenant Governor during certain specified time periods. It shall be a breach of the terms of the contract for the Business Entity to:

- (2) Knowingly conceal or misrepresent a contribution given or received;
- (3) Make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution;

- (5) Engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of the Legislation;
- (6) Fund contributions made by third parties, including consultants, attorneys, family members, and employees;
- (7) Engage in any exchange of contributions to circumvent the intent of the Legislation; or
- (8) Directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of the Legislation.

Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the Contract, and any extension(s) thereof, at the time any such contribution is made.

A "Continuing Political Committee" means any political organization (a) organized under section 527 of the Internal Revenue Code; and (b) consisting of any group of two or more persons acting jointly, or any corporation, partnership, or any other incorporated or unincorporated association, including a political club, political action committee, civic association or other organization, which in any calendar year contributes or expects to contribute at least \$5,500 to the aid or promotion of the candidacy of an individual, or of the candidacies of individuals, for elective public office, or the passage or defeat of a public question or public questions, and which may be expected to make contributions toward such aid or promotion or passage or defeat during a subsequent election, provided that the group, corporation, partnership, association or other organization has been determined to be a Continuing Political Committee by the New Jersey Election Law Enforcement Commission under N.J.S.A.19:44A-8. A Continuing Political Committee does not include a "political party committee," a "legislative leadership committee," or an "independent expenditure committee," as defined in N.J.S.A. 19:44A-3.

Prior to awarding any Contract or agreement to any Business Entity pursuant to a non-fair and open process, the Business Entity proposed as the intended Contractor of the Contract shall submit the Two-Year Chapter 51 /Executive Order 333 Vendor Certification and Disclosure of Political Contributions for Non-Fair and Open Contracts, certifying either that no contributions to a Continuing Political Committee or to a candidate committee or election fund of a gubernatorial candidate have been made by the Business Entity and reporting all qualifying contributions made by the Business Entity or any person or entity whose contributions are attributable to the Business Entity. The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.
- (B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:
 - (1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

- (2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;
 - (3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;
 - (4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;
 - (5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;
 - (6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:
 - (i) The contractor or subcontractor shall interview the referred minority or women worker.
 - (ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.
 - (iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.
 - (iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.
 - (7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.
- (C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.

The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.

- (D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

1. Discount periods shall be calculated starting from the next business day after the Using Agency has accepted the goods or services, received a properly signed and executed invoice and, when required, a properly executed performance security, whichever is latest; and
2. The date on the check issued by the State in payment of that invoice shall be deemed the date of the State's response to that invoice.

F. PERFORMANCE SECURITY

If performance security is required, such security must be submitted with the bid in the amount listed in the scope of work. N.J.A.C. 17:12-2.5. Acceptable forms of performance security are as follows:

1. A properly executed individual or annual performance bond issued by an insurance or security company authorized to do business in the State of New Jersey,

2. A certified or cashier's check drawn to the order of "Treasurer, State of New Jersey," or
3. An irrevocable letter of credit issued by a federally insured financial institution and naming "Treasurer, State of New Jersey," as beneficiary.

The Performance Security must be submitted to the State within 30 days of the effective date of the Contract award and cover the period of the Contract and any extensions thereof. Failure to submit performance security may result in cancellation of the Contract for cause and nonpayment for work performed.

Although the performance bond is required for the full term of the Contract, the Director recognizes that the industry practice of sureties is to issue a one (1) year performance bond for goods and services contracts. Thus, the contractor is permitted to submit a one (1) year performance bond for the amount required under the Contract and, on each succeeding anniversary date of the Contract, provide a continuation or renewal certificate to evidence that the bond is in effect for the next year of the Contract. This procedure will remain in place for each year of the Contract thereafter until the termination of the Contract. Failure to provide such proof on the anniversary date of the Contract shall result in suspension of the Contract, and possibly, termination of the Contract.

For performance bonds based on a percentage of the total estimated Contract price. On each anniversary of the effective date of the Contract, the amount of the required performance bond, unless otherwise noted, is calculated by applying the established RFQ performance bond percentage to the outstanding balance of the estimated amount of the Contract price to be paid to the contractor.

In the event that the Contract price is increased by a Contract Amendment, the contractor may be required to provide, within 30 calendar days of the effective date of the Contract Amendment, performance bond coverage for the increase in Contract price. The required increase in the performance bond amount is calculated by applying the established bond percentage set forth above to the increase in Contract price. Failure to provide such proof to the Director of this required coverage may result in the suspension of payment to the contractor until such time the contractor complies with this requirement.

G. RETAINAGE

If retainage is required on the Contract as stated in the scope of work, the state and/or agency will retain the stated percentage or retainage from each invoice. Payment of retainage will be authorized after satisfactory completion and submission of all services, deliverables or work products by the contractor and acceptance by the agency of all services, deliverables or work products required by the Contract.

For ongoing contracts, the agency will retain the stated percentage of each invoice submitted. At the end of the three (3) month period after payment of each invoice, the agency will review the contractor's performance and if performance has been satisfactory, the agency will release the retainage for the preceding three (3) month period. Following the expiration of the Contract, retained fees will be released to the contractor after certification by the agency's project manager, if any, that all services have been satisfactorily performed.

H. AUDIT NOTICE AND DISPUTE RESOLUTION

To the extent the contractor's proposal or Standard Form Agreement permits the contractor to conduct periodic audits of the State's usage of the Contractor Intellectual Property provided thereunder, such provision is amended to include the following audit notice and dispute resolution process:

1. **AUDIT NOTICE** – Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, in the event that the contractor seeks to exercise a right in its proposal or Standard Form Agreement to audit the State's use of Contractor Intellectual Property, the contractor shall deliver simultaneous written notice, no less than thirty days in advance of the audit start date (unless the contractor's notice provides a longer notice period), to the: Agency requesting the waiver contract.
2. The notice shall reference the specific audit provision(s) in the contractor's proposal or Standard Form Agreement being exercised and include copies of same, specify the means by which the contractor will conduct the audit, and shall require the audit to be conducted in accordance with generally accepted standards in the field of such audits.
3. **AUDIT DISPUTE RESOLUTION** -- If the State, in good faith, provides the contractor with written notice of an alleged error in the amount of underpaid fees due the contractor as a result of an audit (the "dispute"), then the parties will endeavor to resolve the dispute in accordance with this paragraph. Each party will appoint a Vice President, Assistant Director, or the equivalent (hereinafter referred to as "Representative") to discuss the dispute and no formal proceedings for the judicial resolution of such dispute, except for the seeking of equitable relief or those required to avoid non-compliance with the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq., may begin until either such Representative concludes, after a good faith effort to resolve the dispute, that resolution through continued discussion is unlikely. In addition, the parties shall refrain from exercising any termination right related to the dispute being considered under this paragraph and shall continue to perform their respective obligations under the Contract while they endeavor to resolve the dispute under this paragraph.
4. **STATE NOT LIABLE FOR AUDIT COSTS** -- Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, the State will not reimburse the contractor for any costs related to an audit.
5. **NO AUDIT RIGHT CREATED** -- In the event that the contractor's proposal or Standard Form Agreement does not permit audits of the State's usage of Contractor Intellectual Property, Section 5.19 of this Supplement shall not be interpreted to provide such an audit right.

 - 2. The State will: (1) promptly notify Contractor in writing of the claim or suit; (2) Contractor shall have control of the defense and settlement of any claim that is subject to Section 4.1(A)(1); provided, however, that the State must approve any settlement of the alleged claim, which approval shall not be unreasonably withheld. The State may observe the proceedings relating to the alleged claim and confer with the Contractor at its expense. Furthermore, neither Contractor nor any attorney engaged by Contractor shall defend the claim in the name of the State of New Jersey, nor purport to act as legal representative of the State of New Jersey, without having provided notice to the Director of the Division of Law in the Department of Law and Public Safety and to the Director of DPP. This indemnity obligation and remedy are given to the State solely for its benefit and in lieu of, and Contractor disclaims, all warranties, conditions and other terms of non-infringement or title with respect to any product.
 - 6. The provisions of this indemnification clause shall in no way limit the Contractor's obligations assumed in the Contract, nor shall they be construed to relieve the Contractor from any liability, nor preclude the State from taking any other actions available to it under any other provisions of the contract or otherwise at law or equity.
 - 7. The Contractor agrees that any approval by the State of the work performed and/or reports, plans or specifications provided by the Contractor shall not operate to limit the obligations of the Contractor assumed in the Contract.

CHAPTER 51 POLITICAL CONTRIBUTION DISCLOSURE (PAY TO PLAY FORMS)

INFORMATION AND INSTRUCTIONS
For Completing the “Two-Year Chapter 51/Executive Order
333 Vendor Certification and Disclosure of Political
Contributions for Non-Fair and Open Contracts” Form

Background Information

New Jersey law insulates the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. P.L.2005, c.51, as amended by the Elections Transparency Act, P.L.2023, c.30, codified at N.J.S.A. 19:44A-20.13 to 20.25 (“Chapter 51”) and Executive Order No. 333 (2023).

For Contracts Awarded Pursuant to a Fair and Open Process

Pursuant to P.L.2005, c.51, as amended by the Elections Transparency Act, P.L.2023, c.30, codified at N.J.S.A. 19:44A-20.13 to 20.25 (“Chapter 51”), and Executive Order No. 333 (2023), contracts awarded pursuant to a fair and open process do **not** require a certification or disclosure of any solicitation or contribution of money, or pledge of contribution, including in-kind contributions.

For Contracts Awarded Pursuant to a Non-Fair and Open Process

Pursuant to P.L.2005, c.51, as amended by the Elections Transparency Act, P.L.2023, c.30, codified at N.J.S.A. 19:44A-20.13 to 20.25 (“Chapter 51”), and Executive Order No. 333 (2023), the State shall not enter into a Contract to procure services or any material, supplies or equipment, or to acquire, sell, or lease any land or building from any Business Entity, where the value of the transaction exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions, to a Continuing Political Committee or to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor during certain specified time periods.

Definitions:

A “fair and open process” means, at a minimum, that the contract shall be: publicly advertised in newspapers or on the Internet website maintained by the public entity in sufficient time to give notice in advance of the contract; awarded under a process that provides for public solicitation of proposals or qualifications and awarded and disclosed under criteria established in writing by the public entity prior to the solicitation of proposals or qualifications; and publicly opened and announced when awarded. A contract awarded under a process that includes public bidding or competitive contracting pursuant to State contracts law shall constitute a fair and open process. N.J.S.A. 19:44A-20.23 (P.L.2005, c.51, rev. P.L.2023, c.30).

A “Continuing Political Committee” means any political organization (a) organized under section 527 of the Internal Revenue Code; and (b) consisting of any group of two or more persons acting jointly, or any corporation, partnership, or any other incorporated or unincorporated association, including a political club, political action committee, civic association or other organization, which in any calendar year contributes or expects to contribute at least \$5,500 to the aid or promotion of the candidacy of an individual, or of the candidacies of individuals, for elective public office, or the passage or defeat of a public question or public questions, and which may be expected to make contributions toward such aid or promotion or passage or defeat during a subsequent election, provided that the group, corporation, partnership, association or other organization has been determined to be a continuing political committee by the New Jersey Election Law Enforcement Commission under N.J.S.A.19:44A-8(b)(8). A Continuing Political Committee does not include a “political party committee,” a “legislative leadership committee,” or an “independent expenditure committee,” as defined in N.J.S.A. 19:44A-3.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form **for Non-Fair and Open Contracts** is valid for a two (2) year period. Thus, if a Business Entity and/or vendor receives approval on January 1, 2022, the certification expiration date would be December 31, 2023. Any change in the Business Entity’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51 forms to the contracting State Agency. **Please note that it is the Business Entity’s responsibility to file new forms with the State should these changes occur.**

State Agency Instructions

Prior to the awarding of a contract, the State Agency should first use NJSTART (<https://www.njstart.gov/bso/>) to check the status of a Business Entity's Chapter 51 certification before contacting the Review Unit's mailbox at CD134@treas.nj.gov. If the State Agency does not find any Chapter 51 Certification information in NJSTART and/or the Business Entity is not registered in NJSTART, then the State Agency should send an e-mail to CD134@treas.nj.gov to verify the certification status of the Business Entity. If the response is that the Business Entity is NOT within an approved two-year period, then forms must be obtained from the Business Entity and forwarded for review. If the response is that the Business Entity is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.
