**RE: CALENDAR YEAR 2022 CERTIFICATION OF COMPLIANCE
SECTION 6032 OF THE FEDERAL DEFICIT REDUCTION ACT OF 2005, 42 U.S.C. §1396a(a)(68)**

Section 6032 of the Federal Deficit Reduction Act of 2005 requires entities that received or made payments of \$5 million or more (aggregate) in Title XIX funds during the previous federal fiscal year (October 1, 2020 – September 30, 2021) to assist in preventing, detecting and addressing fraud, waste and abuse in federal health care programs by taking certain actions, including:

- Establishing written policies for employees, contractors and agents that provide detailed information about federal and state false claims statutes and penalties, and whistleblower protections.
- Educating employees, contractors and agents on the policies and procedures for detecting and preventing fraud, waste and abuse.
- Providing information in the employee handbook, if one exists, about federal and state false claims statutes, penalties and whistleblower protections.

The New Jersey Medicaid Program has identified your entity as having received payments of \$5 million, or more, in Title XIX funds. Ultimately, it is the responsibility of each entity to determine whether it meets the \$5 million threshold and, thus, must submit a completed Certification, regardless of whether such entity is identified by the New Jersey Medicaid Program.

If the aggregated payments for your entities meets the \$5 million threshold, please complete and return the attached Section 6032 Certification Form no later than 30 days from the date of this electronic mail. **Please note: the certification form and questionnaire has been updated for Calendar Year 2022; please use the updated form.** Completed forms should be emailed to Section6032@osc.nj.gov.

If you are reporting for multiple entities, and the responses for each are the same, you may submit one Certification Form. Please be sure to include the names, Medicaid identification numbers, NPI numbers and IRS identification numbers for **each entity** for which you are reporting.

Selected entities will be asked to submit documentation to substantiate their responses. Please be prepared to send documentation upon request.

Compliance with Section 6032 is a condition of participation in all Title XIX programs. Failure to comply could result in termination of your organization's provider agreement with the Medicaid program and/or other sanctions.

Please feel free to contact me with questions. Thank you in advance for your attention to this matter.
