June 29, 2011

By submitting a proposal in response to the Agency Request for services, the bidder certifies that it understands and agrees that all of the following terms, conditions and definitions (collectively, "Standard Terms and Conditions") are part of any contract(s) awarded or order(s) placed as a result of the Agency Request unless specifically and expressly modified by reference in the Agency Request or in a writing executed by the Director, Division of Purchase and Property or the designee thereof.

- I. **DEFINITIONS:** As used in these Standard Terms and Conditions the following terms shall have the definitions set forth in this paragraph. These definitions shall also apply to the entire contract unless otherwise defined therein.

"Agency" means the entity on whose behalf the Division of Purchase and Property entered into the Contract. The Agency is the intended beneficiary of the Contract.

"Agency Request" means a request made by an Agency for offers or proposals to provide the sought after goods and/or services as specified herein.

"Bidder" means any person or entity submitting a proposal in response to the Agency Request for the purpose of obtaining a contract to provide the tangible items and/or services specified in the Agency Request.

"Contract" means a mutually binding legal relationship obligating the Contractor to furnish supplies and/or services and the buyer to pay for them, subject to appropriation where the Agency derives its annual budget by means of appropriation from the State Legislature. The Contract consists of these Standard Terms and Conditions, the Agency Request, the proposal submitted by the Contractor, the subsequent written document memorializing the agreement (if any), any amendments or modifications and any attachments, addenda or other supporting documents of the foregoing.

The Contract and/or its terms cannot be modified or amended by conduct or by course of dealings. Thus, the "contract" does not include the aforementioned actions and such actions, or reliance thereon, afford no rights whatsoever to any party to the Contract. The Contract can only be modified or amended by the Director; using Agencies have no authority to modify or amend the Contract. The State will not be bound by any attempt to modify or amend the Contract without the prior written approval of the Director.

"Contractor" means the person or entity which submits a proposal in response to the Agency Request and to whom (or which) the Contract is awarded.

"Director" means the Director of the New Jersey Division of Purchase and Property or the designee thereof.

"Division" means the New Jersey Division of Purchase and Property.

"Fixed-Price Contract" means a contract that provides for a firm price for the entire term of the Contract (including all extensions), subject to any contractual conditions allowing price adjustment, under which the contractor bears the full responsibility for profit or loss.

"Project" means the initiative, enterprise, undertaking or services for which the Contractor was contracted.

"Shall" denotes a mandatory condition.

"State" means the State of New Jersey and its agencies.

## II. APPLICABILITY AND INCORPORATION OF STANDARD TERMS AND CONDITIONS:

These Standard Terms and Conditions will apply to all services contracts made by the Director on behalf of the Agency. These Standard Terms and Conditions are automatically incorporated into the Contract unless the Contractor is specifically instructed otherwise in the Agency Request or in any amendment thereto. These Standard Terms and Conditions are in addition to the terms and conditions set forth in the Agency Request and should be read in conjunction with same unless the Agency Request specifically indicates otherwise.

III. **CONTRACTOR'S STATUS AND RESPONSIBILITIES:**

- A. **CONTRACTOR'S STATUS:** The Contractor's status shall be that of an independent contractor and not that of an employee of the State.
- B. **CONTRACTOR'S CERTIFICATION AS TO ITS REPRESENTATIONS:** The Contractor certifies that all representations made by it in its proposal or other related and/or supporting materials are true, subject to penalty of law. Further, the Contractor agrees that its violation of any statute or regulation related to public contracts and/or its misrepresentation or concealment of any material fact in the proposal, award or performance of the Contract may be cause for rescission of the contract award. In addition, the Contractor's violation of any statute or regulation related to public contracts and/or its misrepresentation or concealment of any material fact in the proposal, award or performance of the Contract shall serve as a legal bar to the Contractor's enforcement of its rights under the Contract including any and all claims at law or equity.
- C. **CONTRACTOR'S PERFORMANCE:** The Contractor agrees to perform in a good, skillful and timely manner all services set forth in the Contract. To perform these services, the Contractor shall employ or engage the services of qualified persons and/or entities at its own expense except as otherwise specified in the Contract. The Contractor has an affirmative obligation to promptly notify, in writing, the State of any changes in circumstances which might affect the Contractor's ability to be awarded or to perform its obligations under the Contract.
- D. **RESPONSIBILITIES OF CONTRACTOR:**
- 1) The Contractor is responsible for the quality, technical accuracy and timely completion and delivery of all deliverables and other services to be furnished by the Contractor under the Contract. If circumstances beyond the control of the Contractor result in a late delivery, it is the responsibility and obligation of the Contractor to make the details known immediately to the Division and Agency.
  - 2) The Contractor shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its services and deliverables furnished under the Contract. The approval of interim deliverables furnished under the Contract shall not in any way relieve the Contractor of fulfilling all of its obligations under the Contract. The acceptance or payment for any of the services rendered under the Contract shall not be construed as a waiver by the State or Agency, of any rights under the agreement or of any cause of action arising out of the Contractor's performance of the Contract.
  - 3) The acceptance of, approval of or payment for any of the services performed by the Contractor under the Contract shall not constitute a release or waiver of any claim the State or Agency, has or may have for latent defects or errors or other breaches of warranty or negligence.
  - 4) Should the Contractor hire, employ or otherwise engage subcontractors, the Contractor shall be considered the prime Contractor and the sole point of contact with regard to contractual matters. The Contractor assumes sole and full responsibility for the complete performance contemplated by the Contract including the performance of all subcontractors.
  - 5) When the Contractor intends to subcontract for any work under the Contract, the subcontractor must be approved by the Director in writing. It is understood, however, that consent of the Director for the subcontracting of any work under the Contract in no way relieves the Contractor from its full obligations under the Contract. In addition, the Contractor must notify and receive the approval of the Agency Project Manager before hiring any sub-contractor for the contract work. The Contractor shall at all times give due attention to the fulfillment of the Contract and shall keep the work under its control. Consent to the subcontracting of any part of the work by the Director in writing shall not be construed to be an approval of said subcontract or of any of its terms, but shall operate only as an approval of the subcontractor. The Contractor, shall be responsible for all work performed by the subcontractor, which shall conform to the provisions of the Contract and all requirements of law. The failure of any subcontractor to adhere to the terms of the Contract or requirements of law may, in the Director's discretion, be cause for rescission of the contract award.
  - 6) All payments for services under the Contract will be made only to the Contractor. The Contractor assumes sole and full responsibility for any payments due to its subcontractors under the Contract.
  - 7) Nothing herein or in the Contract shall be construed as creating a contractual relationship between any subcontractor and the State and/or the Agency.
  - 8) The Contractor's obligations under this clause are in addition to the Contractor's other expressed or implied assurances under the Contract or law and in no way diminish any other rights that the State or Agency may have against the Contractor.

- E. **INVESTIGATION:** By submitting a proposal in response to the Agency Request, the bidder certifies and warrants that it has satisfied itself, from its own investigation, of the conditions to be met and that it fully understands its obligations and if awarded the Contract agrees that it will not make any claim for, or have right to, cancellation or relief from the Contract without penalty because of its misunderstanding or lack of information.
- F. **PRICE FLUCTUATION DURING CONTRACT:** Unless otherwise set forth in writing by the Director, or the Director's designee, all prices quoted shall be firm and not be subject to increase during the duration of the Contract. However, in the event of a manufacturer's price or contractor's cost decrease during the Contract period, the State shall receive the full benefit of such price/cost reduction on any undelivered purchase order and on any subsequent order placed during the contract period. The Director must be notified in writing of any price reduction within five (5) days of the effective date. Failure to report and/or pass on price reductions may result in the rescission of the contract award for cause.
- G. **COST LIABILITY:** The State assumes no responsibility and no liability for costs incurred by the bidder prior to the award of the Contract and thereafter only as specifically provided in the Contract.
- H. **INDEMNITY/LIABILITY TO THIRD PARTIES:**
- 1) The Contractor shall assume all risk of and responsibility for, and agrees to indemnify, defend and save harmless the State of New Jersey and its employees from and against any and all claims, demands, suits, actions, recoveries, judgments and costs and expenses in connection therewith on account of the loss of life, property or injury or damage to the person, body or property of any person or persons whatsoever, which shall arise from or result directly or indirectly from the work and/or materials supplied under this contract.   - 2) The Contractor shall hold and save the State of New Jersey, its officers, agents, servants and employees, harmless from liability of any nature or kind for or on account of the use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance of this contract.
  - 3) The Contractor further agrees that:
    - a) any approval by the State or Agency of the work performed and/or reports, plans or specifications provided by the Contractor shall not operate to limit the obligations of the Contractor assumed in the Contract;
    - b) the State and Agency assume no obligation to indemnify or save harmless the Contractor, its agents, servants, employees or subcontractors for any claim which may arise out of its performance of the Contract; and
    - c) the provisions of this indemnification clause shall in no way limit the Contractor's obligations assumed in the Contract, nor shall they be construed to relieve the Contractor from any liability, nor preclude the State or Agency from taking any other actions available to it under any other provisions of the Contract or otherwise at law or equity.
- I. **INSURANCE:** The Contractor shall procure and maintain at its own expense, until at least two years after the completion of all work performed under the Contract, extensions and/or modifications thereto, liability insurance for damages imposed by law and assumed under the Contract, of the kinds and in the amounts hereinafter provided, from insurance companies admitted or approved to do business in the State of New Jersey. By submitting a proposal in response to the Agency Request, the Contractor expressly agrees that any insurance protection required herein or by the Contract shall in no way limit the Contractor's obligations assumed in the Contract and shall not be construed to relieve the Contractor from liability in excess of such coverage nor shall it preclude the State from taking such other actions as are available to it under other provisions of the Contract or otherwise in law or equity.

- L. **SET-OFF FOR STATE TAXES AND CHILD SUPPORT:** Pursuant to N.J.S.A. 54:49-19, if the Contractor is entitled to payment under the Contract at the same time as it is indebted for any State tax (or is otherwise indebted to the State) or child support, the State Treasurer may set off that payment by the amount of the indebtedness.
- M. **STANDARDS PROHIBITING CONFLICTS OF INTEREST:** The following prohibitions on vendor activities shall apply to all contracts and purchase agreements made with the State or Agencies:
- 1) No Contractor shall pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity or other thing of value of any kind to any State officer or employee or special State officer or employee, as defined by N.J.S.A. 52:13D-13b and e, in the Department of the Treasury or any other agency with which such Contractor transacts or offers or proposes to transact business, or to any member of the immediate family, as defined by N.J.S.A. 52:13D-13i of any such officer or employee, or partnership, firm or corporation with which they are employed or associated or in which such officer or employee has an interest within the meaning of N.J.S.A. 52:13D-13g.
  - 2) The solicitation of any fee, commission, compensation, gift, gratuity or other thing of value by any State officer or employee or special State officer or employee from any State vendor shall be reported in writing forthwith by the vendor to the Attorney General and the Executive Commission on Ethical Standards.
  - 3) No Contractor may, directly or indirectly, undertake any private business, commercial or entrepreneurial relationship with, whether or not pursuant to employment, contract or other agreement, express or implied, or sell any interest in such Contractor to, any State officer or employee or special State officer or employee or having any duties or responsibilities in connection with the purchase, acquisition or sale of any property or services by or to any State agency or any instrumentality thereof, or with any person, firm or entity with which he is employed or associated or in which he has an interest within the meaning of N.J.S.A. 52:13D-13g. Any relationships subject to this provision shall be reported in writing forthwith to the Executive Commission on Ethical Standards which may grant a waiver of this restriction upon application of the State officer or employee or special State officer or employee upon a finding the present or proposed relationship does not present the potential, actual or appearance, of a conflict of interest.
  - 4) No Contractor shall influence, or attempt to influence or cause to be influenced, any State officer or employee or special State officer or employee in his official capacity in any manner which might tend to impair the objectivity or independence of judgment of said officer or employee.
  - 5) No Contractor shall cause or influence, or attempt to cause or influence, any State officer or employees or special State officer or employee to use, or attempt to use, his official position to secure unwarranted privileges or advantages for the vendor or any other person.
  - 6) The provisions cited in this paragraph shall not be construed to prohibit a State officer or employee or special State officer or employee from receiving gifts from or contracting with the Contractor under the same terms and conditions as are offered or made available to members of the general public subject to any guidelines in the Executive Commission on Ethical Standards may promulgate under the provisions contained herein.
- N. **SUBCONTRACTORS:** A vendor that will subcontract any of the work or services to be provided under the contract shall submit with its proposal to the agency a **Notice of Intent to Subcontract** form located on the Advertised Solicitation, Current Bid Opportunities webpage <http://www.state.nj.us/treasury/purchase/forms/SubContracting.pdf>
- O. **P.L. 2005, C 271.** Contractor is advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission (ELEC), pursuant to P.L. 2005, c. 271, section 3 if the contractor receives contracts in excess of \$50,000 from a public entity in a calendar year. It is the contractor's responsibility to determine if filing is necessary. Failure to so file can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at [www.elect.state.nj.us/](http://www.elect.state.nj.us/)

**VII. PROJECT SUSPENSION AND RESCISSION OF THE CONTRACT AWARD:**

- A. **SUSPENSION OF PROJECT:** If, for any reason, the project for which the Contractor's services were contracted should be suspended, the Director may suspend this contract upon seven (7) days written notice to the Contractor. Upon receipt of such notice, unless otherwise directed in writing by the Director, the Contractor shall immediately discontinue all work under the Contract. Upon such notification the Contractor shall be paid a proportion of the fee which the services actually and satisfactorily performed by it shall bear to the total services completed under the Contract, less payments previously made. The State may order that the work on the project be stopped temporarily, and upon seven (7) days written notice from the Director, the Contractor shall cease all work on the project except as necessary to properly secure the project. If the State directs that the work on the project resume within six (6) months, the Contractor shall be obliged to complete the project for the basic fee provided for in this contract, plus additional compensation for any work necessitated by the stop order as approved by the Director in writing.

However, in the event that services are scheduled to end either by contract expiration or by rescission of the contract award by the Director (at the State's discretion), it shall be incumbent upon the Contractor to continue the service if requested by the Director to do so, until new services, if any, are completely operational. At no time shall this transitional period extend more than ninety (90) days beyond the expiration or rescission date of the existing contract, except by agreement of the parties. The Contractor will be reimbursed for this service at the rate in effect when this transitional period clause is invoked by the Director.

- B. **RESCISSION OF THE CONTRACT AWARD:** The Director may rescind the contract award at any time during the duration of the Contract, without penalty, subject to the following provisions:
- 1) For Convenience: Notwithstanding any provision or language in this contract to the contrary, the Director may terminate at any time, in whole or in part, any contract entered into as a result of this Agency Request for the convenience of the State, upon no less than 30 days written notice to the contractor.
  - 2) For Cause:
    - a) Where a Contractor fails to perform or comply with the Contract and/or fails to comply with the complaints procedure set forth in N.J.A.C. 17:12-4.1, et seq., the Director may rescind the contract award upon ten (10) days notice to the Contractor with an opportunity to protest said rescission and/or request an informal hearing. If the Contractor protests, the Director will complete the informal hearing, if necessary, and issue a final agency decision regarding rescission of the contract.
    - b) Where a Contractor continues to perform a contract poorly as demonstrated by one or more formal complaints resolved against it, the Director, or the Director's designee, may issue a Notice of Intent to Rescind the Contract Award with a ten (10) day opportunity for the Contractor to protest such rescission and/or request an informal hearing. If the Contractor protests, the Director will complete the hearing, if necessary, and issue a final agency decision regarding rescission and related issues including, but not limited to, damages payable to the State, subject to Paragraph VII B(5).
    - c) The Director's right to rescind the contract award for cause includes any reason set forth in any other provision contained in the Contract.
    - d) The failure of a Contractor to respond to the Director's notice of intent to rescind the contract award within the ten (10) day period automatically converts said notice into a final agency decision without further action of the Director.
    - e) The Director's right to rescind the contract award for cause includes the Contractor's performance on any other State contract, a violation of state or federal law (as demonstrated by the Contractor's admissions of same or a final decision of an appropriate decision-making body), or any reason related to the ability of the contractor to fulfill its contractual obligations. The Director may also rescind any contract with a federally debarred contractor or a contractor which is presently identified on the list of parties excluded from federal procurement and non-procurement contracts.
  - 3) In cases of emergency, the Director may shorten the time periods of notification and may dispense with an opportunity to respond.
  - 4) Upon a rescission of the contract award under this or any other paragraph herein, the Contractor shall be entitled to receive as full compensation for services rendered to the date of rescission that portion of the fee which the services actually and satisfactorily performed by it, as determined by the Director, shall bear to the total services contemplated under this contract, less payments previously made.

- 5) Except for termination of the contract by the Director for convenience, upon rescission of the contract award, the Director may acquire the services which are the subject of the Contract from another source and may charge the Contractor whose contract award has been rescinded the difference in price, and the said Contractor shall be liable for same.
- 6) All protests of the Director's intent to rescind a contract award must be accompanied by a statement of the factual and/or legal basis of the protest and copies of all documents which the Contractor believes support its position.
- 7) If Director determines that an informal hearing is required, said informal hearing shall be conducted by the Director, or the designee thereof, prior to the issuance of the final agency decision regarding the interpretation of the Contract, Contractor performance and/or rescission of the contract award.

**VIII. CONTRACTOR COMPENSATION:**

- A. **PAYMENT TO CONTRACTOR:** The Contractor is authorized to submit invoices monthly for tasks and/or sub-tasks satisfactorily completed. However, payment for goods and/or services purchased by the State or Agency will only be made against Official New Jersey Payment Voucher along with supporting documentation substantiating that the work has been satisfactorily completed. Invoices must reference the tasks and/or sub-tasks detailed in the scope of work and must be in strict accordance with the firm fixed prices submitted for each task and/or sub-task of the Contract and shall otherwise be in accordance with the terms of the Contract. The State bill form in duplicate together with the original Bill of Lading, express receipt or other related papers must be sent to the consignee on the date of each delivery. Responsibility for payment rests with the Agency. Notwithstanding Section VIII B, payment will not be made until the Agency has approved payment.
- B. **NEW JERSEY PROMPT PAYMENT ACT:** The New Jersey Prompt Payment Act, N.J.S.A. 52:32-32, et. seq. requires State agencies to pay for goods and services within sixty (60) days of the Agency's receipt of a properly executed New Jersey Payment Voucher or within sixty (60) days of receipt and acceptance of goods and services, whichever is later. Properly executed performance security, when required, must be received by the Division prior to processing any payments for goods and services accepted by the State and/or the Agency. Interest will be paid on delinquent accounts at a rate established by the State Treasurer. Interest will not be paid unless it exceeds \$5.00 per properly executed invoice. A good faith dispute creates an exception to the Prompt Payment Act. Except as noted above, cash discounts and other payment terms included as part of the original agreement are not affected by the Prompt Payment Act.
- C. **AVAILABILITY OF FUNDS:** The State's obligation to make payment under the Contract is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the State for payment of any money shall arise unless and until funds are made available each fiscal year to the using agency by the State Legislature.
- D. **RETAINAGE:** If retainage is required on the Contract, the State and/or Agency will retain the stated percentage or retainage from each invoice. Payment of retainage will be authorized after satisfactory completion and submission of all services, deliverables or work products by the Contractor and acceptance by the Agency of all services, deliverables or work products required by the Contract.

For ongoing term contracts, the Agency will retain the stated percentage of each invoice submitted. At the end of the three (3) month period after payment of each invoice, the Agency will review the Contractor's performance and if performance has been satisfactory, the Agency will release the retainage for the preceding three (3) month period. Following the expiration of the Contract, retained fees will be released to the Contractor after certification by the Agency's project manager, if any, that all services have been satisfactorily performed.

- IX. **NOTICES:** All notices required under this contract shall be in writing and shall be validly and sufficiently served by the Agency and/or Division upon the Contractor, and vice versa, if addressed and mailed by certified mail to the addresses set forth in the Contract.
- X. **CLAIMS:** The following shall govern claims made by the Contractor against the State concerning interpretation of the Contract, Contractor performance and/or rescission of the contract award:

All claims asserted against the State and/or Agency by the Contractor shall be subject to the New Jersey Tort Claims Act, N.J.S.A 59:1-1, et seq., and the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq.

XI. **APPLICABLE LAW:** This agreement and any and all litigation arising therefrom or related thereto shall be governed by the applicable laws, regulations and rules of evidence of the State of New Jersey without reference to conflict of laws principles.

I HEREBY ACCEPT THE TERMS AND  
CONDITIONS OF THIS AGREEMENT
