COUNSELING SERVICES FOR THE SANDY BUY-DOWN PROGRAM

1.0 INFORMATION FOR BIDDERS

1.1 Background

The New Jersey Housing and Mortgage Finance Agency (hereinafter referred to as the “Agency”) is an independent state agency, whose primary mission is to provide funding for affordable home ownership and housing opportunities for New Jersey Residents. The Agency is a strong, unified advocate for housing production, financing and improvement. It accomplishes its mission by responding to the needs of its residents by implementing creative programs and establishing alliances that fund affordable home mortgages for first-time home buyers; promoting construction and rehabilitation of rental housing; encouraging mixed-income, owner-occupied housing growth as a means to stabilize neighborhoods; advancing the growth and development of municipalities; contributing to the quality of life of older adults, the disabled and those with special housing needs; and formulating partnerships to foster the economic development of New Jersey and the personal development of its residents.

On October 29, 2012, Superstorm Sandy caused catastrophic damage to broad range of communities in the State New Jersey (the “State”) and had a negative impact on families of all income levels in general and low and moderate income households that include individuals with special needs in particular. Although the Presidential disaster declaration was designated to all twenty-one New Jersey counties, damage was particularly concentrated in communities bordering or near the Atlantic Ocean or the Hudson River. Priority has been given to the nine counties most impacted by the storm, which the United States Department of Housing and Urban Development (“HUD”) has identified to be Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean and Union Counties (the “most impacted and distressed counties”).

On January 29, 2013, the federal government enacted the Disaster Relief Appropriations Act of 2013 (Public Law 113-2) (the “Disaster Relief Act) which appropriated monies targeted to various federal agencies. Among those monies that the federal government appropriated, \$16,000,000,000 in Community Development Block Grant-Disaster Recovery (“CDBG-DR”) funds are to be split among states that experienced natural disasters in 2011, 2012, or 2013. These CDBG-DR funds are administered by HUD and are to be used to address unmet disaster recovery needs, which are, funding needs not satisfied by other public or private funding sources like Federal Emergency Management Association (“FEMA”), Small Business Administration Disaster Loans, individual assistance, or private insurance.

Governor Christie has designated the NJ Department of Community Affairs (“DCA”) as the “Grantee” or entity responsible to HUD for administering the distribution of CDBG-DR funds for the State. DCA has established the New Jersey Department of Community Affairs Community Development Block Grant-Disaster Recovery Action Plan (the “Action Plan”) to address the administration and distribution of the CDBG-DR funds. DCA has designated the Agency as the “Subrecipient” for the administration and distribution of the CDBG-DR for the Program.

The State will receive \$1,829,520,000 of the initial \$5,400,000,000 CDBG-DR fund distribution to assist the State’s recovery efforts, of which \$25,000,000 has been allocated to the Sandy Buy-Down Program (“SBDP”) in the effort to provide incentives for low and moderate income buyers to purchase a home

within one of the most impacted and distressed counties. The SBDB will provide an affordable alternative to leasing in increasingly expensive leasing markets and will assist in creating a market for new, rebuilt and restored homes.

The SBDB will provide up to \$50,000 per homebuyer to help buy-down the cost of a home in one of the most impacted and distressed counties. The assistance will be secured by a non-amortizing, zero percent (0%) interest mortgage loan which will be forgiven at a rate of twenty percent (20%) per year for a five (5) year term. Borrowers must work with HUD certified Housing Counselors to complete their application for Program assistance. Borrowers must have an income of eighty percent (80%) Area Median Income (“AMI”) or lower to comply with CDBG-DR requirements and must be able to obtain a first mortgage loan through one of the Agency’s participating lenders to be eligible for the Program.

The Program will initially be offered as a 90 day pilot program. During the pilot program, borrowers must provide proof of residency in one of the most impacted and distressed counties. The Program will then be open to borrowers who may reside outside of the nine most impacted areas. In no event will the assistance be provided to a borrower purchasing outside the nine impacted counties.

Upon receipt of such notice, unless otherwise directed in writing by the Agency, the Contractor shall immediately discontinue all work under the Contract. Upon such notification, the Contractor shall be paid a proportion of the fee which the services actually and

satisfactorily performed by it shall bear to the total services completed under the Contract, less payments previously made. The Agency may order that the work on the project be stopped temporarily, and upon seven (7) business days written notice from the Agency, the Contractor shall cease all work on the project except as necessary to properly secure the project. If the Agency directs that the work on the project resume within six (6) months, the Contractor shall be obliged to complete the project for the basic fee provided for in this Contract, plus additional compensation for any work necessitated by the stop order as approved by the Agency in writing.

However, in the event that services are scheduled to end either by contract expiration or by rescission of the contract award by the Agency, it shall be incumbent upon the Contractor to continue the service if requested by the Agency to do so, until new services, if any, are completely operational. At no time shall this transitional period extend more than ninety (90) calendar days beyond the expiration or termination date of the existing Contract, except by agreement of the parties. The Contractor will be reimbursed for this service at the rate in effect when this transitional period clause is invoked by the Agency.

B. **TERMINATION OF THE CONTRACT AWARD:** The Agency may terminate the Contract award at any time during the duration of the Contract, without penalty, subject to the following provisions:

In the event of such a termination of the contract award, the Contractor shall furnish to the Agency, free of charge, such closeout reports as may reasonably be required.

(2) For Cause:

(a) Where a Contractor fails to perform or comply with the Contract and/or fails to provide information requested by the Agency, the Agency may terminate the contract award upon ten (10) calendar days notice to the Contractor with an opportunity to protest said termination and/or request an informal hearing, if necessary, and issue a final Agency decision regarding termination of the Contract.

If the Contractor protests, the Agency will complete the hearing, if necessary, and issue a final Agency decision regarding termination and related issues including, but not limited to, damages payable to the State.

(c) The Agency's right to terminate award for cause includes any reason set forth in any other provision contained in the Contract.

(d) The failure of a Contractor to respond to the Agency's notice of intent to terminate the contract award within the ten (10) calendar day period automatically converts said notice into a final Agency decision without further action of the Agency.

(e) The Agency's right to terminate the contract award for cause includes the Contractor's performance on any other State Contract, a violation of state or federal law (as demonstrated by the Contractor's admissions of same or a final decision of an appropriate decision-making body), or any reason related to the ability of the Contractor to fulfill its contractual obligations. The Agency may also terminate any contract with a Contractor that has been debarred by New Jersey, another State or the federal government.

(3) In cases of emergency, the Agency may shorten the time periods of notification and may dispense with an opportunity to respond.

(4) Upon a termination of the contract award under this or any other paragraph herein, the Contractor shall be entitled to receive as full compensation for services rendered to the date of termination that portion of the fee which represents the services actually and satisfactorily performed by it, as determined by the Agency, shall bear to the total services contemplated under this Contract, less payments previously made.

(5) Upon termination of the contract award, the Agency may acquire the services, which are the subject of the Contract from another source and may charge the Contractor whose contract award has been terminated the difference in price, and the said Contractor shall be liable for same.

(6) All protests of the Agency's intent to terminate a contract award must be accompanied by a statement of the factual and/or legal basis of the protest and copies of all documents which the Contractor believes supports its position.

If the Agency determines that an informal hearing is required, said informal hearing shall be conducted by the Agency, or the designee thereof, prior to the issuance of the final Agency decision regarding the interpretation of the Contract, Contractor performance and/or termination of the contract award.

VENDOR CODE OF ETHICS
EXHIBIT G

The New Jersey Housing and Mortgage Finance Agency (“Agency”) considers the maintenance of public trust and confidence essential to its proper functioning, and accordingly has adopted this Code of Ethics for Vendors. Vendors who do business with Agency must avoid all situations where proprietary or financial interests, or the opportunity for financial gain, could lead to favored treatment for any organization or individual. Vendors must also avoid circumstances and conduct which may not constitute actual wrongdoing, or a conflict of interest, but might nevertheless appear questionable to the general public, thus compromising the integrity of the Agency.

This Code is based upon the principles established in Executive Order 189 (Kean, 1988), ethical standards established by the Agency pursuant to N.J.A.C. 5:80-18.8, and laws governing the State Ethics Commission, N.J.S.A. 52:13D-12 et seq., which, while not strictly applicable to Contractors, provide general guidance in this area. Also, this code has been established pursuant to the authority embodied in N.J.S.A. 55:14K-1 et seq., and for good cause.

This Code of Ethics will be made part of each Request for Qualifications (RFQ) issued by the Agency and will be attached to every contract and agreement with the Agency and, to the extent feasible, will be applicable to all those parties anticipating doing business with the Agency.

No person shall pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity, or other thing of value of any kind to any Agency member or employee or to any member of the immediate family, as defined by N.J.S.A. 52:13D-13 (i), of any such member or employee, or to any partnership, firm, or corporation with which such member, employee or member of their immediate family is employed or associated, or in which such member or employee has an interest within the meaning of N.J.S.A. 52:13D-13 (g).

Note: This section would permit an Agency officer or employee to accept food or refreshment of relatively low monetary value provided during the course of a meeting, conference or other occasion where the employee is properly in attendance (for example, coffee, danish, tea or soda served during a conference break). Acceptance of unsolicited advertising or promotional material of nominal value (such as inexpensive pens, pencils or calendars) would also be permitted.

No person may, directly or indirectly, undertake any private business, commercial or entrepreneurial relationship with, whether or not pursuant to employment, contract or other agreement, express or implied, or sell any interest in such person to, any Agency member or employee having any duties or responsibilities in connection with the purchase, acquisition or sale of any property or services by or to the Agency. No person may, directly or indirectly, undertake any private business, commercial or entrepreneurial relationship with, whether or not pursuant to employment contract or other agreement, express or implied, or sell any interest in such person to any individual, firm or entity with which such member or employee is employed or associated or has an interest within the meaning of N.J.S.A. 52:13D-13 (g). Any relationships subject to this provision shall be reported in writing forthwith to the State Ethics Commission, which may grant a waiver of this restriction upon application of the member or employee upon a finding that the present or proposed relationship does not present the potential, actuality or appearance of a conflict of interest.

No person shall influence, or attempt to influence or cause to be influenced, any Agency member or employee in his/her official capacity in any manner which might tend to impair the objectivity or independence of judgment of said member or employee.

No person shall cause or influence, or attempt to cause or influence, any Agency member or employee to use, or attempt to use, his/her official position to secure unwarranted privileges or advantages for the person or any other individual or entity.

All persons shall report to the Attorney General of New Jersey and the State Ethics Commission the solicitation of such persons of any fee, commission, compensation, gift, gratuity or other thing of value by an Agency member or employee. Any questions as to what is or is not acceptable or what constitutes proper conduct for an Agency officer or employee should be referred to the Agency Ethics Liaison Officer or his/her designee.
