For contracts featuring services, invoices must reference the tasks or subtasks detailed in the Scope of Work section of the RFP and must be in strict accordance with the firm, fixed prices submitted for each task or subtask on the RFP pricing sheets. When applicable, invoices should reference the appropriate RFP price sheet line number from the contractor's bid proposal. All invoices must be approved by the State Contract Manager or using agency before payment will be authorized.
 - c. In all time and materials contracts, the State Contract Manager or designee shall monitor and approve the hours of work and the work accomplished by contractor and shall document both the work and the approval. Payment shall not be made without such documentation. A form of timekeeping record that should be adapted as appropriate for the Scope of Work being performed can be found at www.nj.gov/treasury/purchase/forms/Vendor_Timesheet.xls.
 - d. The contractor shall provide, on a monthly and cumulative basis, a breakdown in accordance with the budget submitted, of all monies paid to any small business, minority or woman-owned subcontractor(s). This breakdown shall be sent to the Chief of Operations, Division of Revenue, P.O. Box 628, Trenton, NJ 08646.
- 6.4 OPTIONAL PAYMENT METHOD: P-CARD** - The State offers contractors the opportunity to be paid through the MasterCard procurement card (p-card). A contractor's acceptance and a State agency's use of the p-card are optional. P-card transactions do not require the submission of a contractor invoice; purchasing transactions using the p-card will usually result in payment to a contractor in three (3) days. A contractor should take note that there will be a transaction-processing fee for each p-card transaction. To participate, a contractor must be capable of accepting the MasterCard. Additional information can be obtained from banks or merchant service companies.
- 6.5 NEW JERSEY PROMPT PAYMENT ACT** - The New Jersey Prompt Payment Act, N.J.S.A. 52:32-32 et seq., requires state agencies to pay for goods and services within sixty (60) days of the agency's receipt of a properly executed State Payment Voucher or within sixty (60) days of receipt and acceptance of goods and services, whichever is later. Properly executed performance security, when required, must be received by the State prior to processing any payments for goods and services accepted by state agencies. Interest will be paid on delinquent accounts at a rate established by the State Treasurer. Interest shall not be paid until it exceeds \$5.00 per properly executed invoice.
- Cash discounts and other payment terms included as part of the original agreement are not affected by the Prompt Payment Act.
- 6.6 AVAILABILITY OF FUNDS** - The State's obligation to make payment under this contract is contingent upon the availability of appropriated funds and receipt of revenues from which payment for contract purposes can be made. No legal liability on the part of the State for payment of any money shall arise unless and until funds are appropriated each fiscal year to the using agency by the State Legislature and made available through receipt of revenues.
