### Scope of Work

#### Replacement Windows

#### NHR PROJECT # 44-18

#### **Sedge Island Resource Education Center**

Area Contact – Karen Byrne (609) 618-9973  
Project Manager – Larry Tutela (609) 273-1866

Supply all labor and material to replace 7 vinyl slider windows and 2 fiberglass doors at the Sedge Island Education Center. Sedge Island is located within NJ's first marine conservation zone, just off Island Beach State Park and only accessible by boat.

Supply all material and labor to remove and replace

3 – 36" X 48" slider windows.

4 – 72" X 48" slider windows.

Replace any damaged or rotted framing material and trim around all windows. The existing interior trim can be reused providing it is not damaged during removal. Any damaged or unusable trim will be replaced.

Supply all material and labor to remove and replace

2 Fiberglass nine lite doors 36" X 80"

All existing locksets will be removed from the old doors and reinstalled on the new doors.

New trim will be installed on the doors.

The contractor will also be responsible to:

- Supply all necessary labor and materials to complete the job
- Work area to be broom swept at the end of each day
- Maintain a safe working environment always
- Remove all construction debris and dispose of the debris

**All material and tools will be transported by boat. The Sedge Island staff will transport everything needed to the work location.**
