Re: Supplemental Social Services Block Grant
Compliance Services Engagement Query

Dear Dr. Pagdadis:

I am pleased to inform you that Pricewaterhouse Coopers LLP ("PwC") has been identified as the contract vendor offering the State of New Jersey the best solution for the referenced Engagement Query based upon cost and other factors. This decision was reached by an Evaluation Committee comprised of representatives from each of the three (3) participating State Departments of Children & Families, Health, and Human Services. The engagement as specified in the Engagement Query and responded to by PwC has a not-to-exceed cost of \$398,990.00.

I am currently identified as your Point of Contact (POC) from an engagement management perspective. I will begin assembling the necessary documentation as described by PwC's proposal and a purchase order is being prepared. Our first task is to schedule the kick-off meeting and I will need to know with whom on the PwC team this can be done.

On behalf of the State's Supplemental Social Services Block Grant (SSBG) Compliance Services team, I look forward to a successful engagement with PwC.

Sincerely,

A handwritten signature in blue ink that reads "Mary Lou Goho".
