

Liberty State Park
Repair/Replacement of Sliding Gate Operator (McGovern Dr.)
Scope of Work

Location: Thomas McGovern Drive, near Freedom Way

The sliding gate controls vehicular access into the Liberty State Park along Thomas McGovern Drive (public City road). Specific work areas will be identified during a scheduled field meeting with park staff.

Project Scope: Liberty SP requires the repair/replacement of damaged electronic and mechanical controls and operator for the sliding gate on Thomas McGovern Drive. Quote should include parts and labor. These gate mechanics and controls were damaged by flooding during Hurricane Sandy.

Liberty State Park requires immediate repair and services.
