

**Liberty State Park**  
**Repair/Replacement of 2 Swing Gate Operators**  
**Scope of Work**

**Location:** Gates located near Gatehouse Restrooms on Audrey Zapp Drive

The 2-swing gates control vehicular access to the 2-Hour Parking Lot that serves the North-End of Park including the Terminal Building and 911 Memorial. Specific work areas will be identified during a scheduled field meeting with park staff.

**Project Scope:** Liberty SP requires the repair/replacement of damaged electronic and mechanical controls and operators for the 2 Swing Gates on Audrey Zapp Drive. Quote should include parts and labor. These controls were damaged by flooding from Hurricane Sandy.

Liberty State Park requires immediate repair.
