

**Liberty State Park
Southside Walkway Lighting Control Repairs and Replacement
Scope of Work**

Location: Southside Walkway
Walkway near Base and Sundial Parking Lots

Specific work areas will be identified during a scheduled field meeting with park staff.

Requirement: Certified Electrician in the State of New Jersey with approved vendor paperwork.

Project Scope:

1. Replace damaged components of the electrical boxes that control light poles on the walkway
2. This may include, but limited to, breaker panels and transformer
3. Obtain all necessary state permits and inspections
4. Coordinate with PSEG on power source issues

Timeframe to complete work Spring 2013

Please submit itemized quote on the attached spreadsheet "PB-120" and fax to our office at 201-451-6383 to the attention of Liberty State Park.
