## **SECTION 6: DBE REQUIREMENTS AND GOAL ASSIGNMENT**

---

As an aid in meeting the commitment of its Disadvantaged Business Enterprise Program, NJ TRANSIT has assigned a DBE goal on the gross sum amount of the Bid or Contract for DBE subcontracting utilization which is identified in the "Instructions to Bidders". All NJ Unified Certification Program (NJUCP) certified DBE firms, including suppliers, are eligible to participate in this Contract. NJ TRANSIT's DBE Program is accorded the same priority as compliance with all other legal obligations required by the United States Department of Transportation (USDOT). Contractors shall comply with the DBE Program requirements in the award and administration of NJ TRANSIT contracts. Failure by the Contractor to carry out these requirements shall constitute a breach of the contract, which may result in the termination of the Contract or other such remedy, as NJ TRANSIT deems appropriate.

The Bidder shall refer to NJ TRANSIT's "DBE Requirements and Forms" available for download with the electronic bidding documents, for instructions, guidance, and explanations for DBE Program obligations for contracts and subcontracts.

For this Contract, the apparent low Bidder and the second low Bidder shall identify all DBE and non-DBE Subcontractors, Subconsultants, and suppliers proposed to participate in and those solicited for this Contract, and shall complete and submit to NJ TRANSIT, in care of the Contract Specialist the mandatory DBE Forms A-First Tier DBE Utilization, DBE Form A1-Bidder Solicitation & Contractor Information, DBE Form A2-Non-DBE Subcontractor Utilization and DBE Form B-Intent to Perform as a First Tier DBE. The apparent low Bidder and the second low Bidder shall submit the DBE firm's current Certified Profile with commodity codes from the NJUCP DBE Business Directory at njucp.dbesystem.com. Additionally, the apparent low Bidder and the second low Bidder shall submit any applicable supplemental forms for Second-Tier DBE and Non-DBE firms (AA, AA1, AA2, BB, and D). All required DBE forms and NJUCP DBE Certification Profile with Commodity Codes shall be submitted to NJ TRANSIT, in care of the Contract Specialist with the Bid or within five (5) calendar days after the bid opening date. **However, Bidders are strongly encouraged to submit all mandatory documents with the Bid to prevent delay of the Contract Award. Bidders are requested to review carefully and complete the forms entirely, with no blank fields.**

Notwithstanding the date of submission of the mandatory DBE forms, all negotiations between a Bidder and any potential DBE subcontractor, subconsultant, or supplier shall be completed prior to the bid opening date. All DBE forms are included in the "DBE Requirements and Forms" available for download with the electronic bidding documents.

**Failure to submit any and all mandatory DBE documentation within five (5) calendar days after the Bid Opening date**

**shall result in a rejection of a Bid as non-responsible.**

Any questions regarding the DBE requirements or the mandatory required forms for this contract should be directed to the Office of Business Development Specialist identified in the "Instructions to Bidders".

The Bidder can refer to <https://njucp.dbesystem.com/>, which is a search engine of firms certified by the New Jersey Department of Transportation, the New Jersey Transit Corporation and the Port Authority of New York and New Jersey as Disadvantaged Business Enterprises. This listing is intended as an aid in identifying DBE firms to potential Bidders and is not meant to be an all-inclusive listing of DBE firms available for subcontracting. The Bidder may identify other firms; however, all DBE firms must be properly certified prior to award of the Contract. At the time of Bid submission, only DBE firms certified in the New Jersey Unified Certified Program (NJUCP) shall satisfy the assigned DBE goal on this IFB.

**(D.) CERTIFICATION OF COMPLIANCE/ NJ TRANSIT CODE OF ETHICS FOR VENDORS**

## **IMPORTANT NOTICE TO ALL CONTRACTORS AND CONSULTANTS**

NJ TRANSIT is an instrumentality of the State of New Jersey and its employees and officers, including members of the NJ TRANSIT Board of Directors, are public servants. NJ TRANSIT, its employees and officers are governed by a number of civil and criminal laws which control how NJ TRANSIT and its personnel do business with contractors and consultants. These provisions include the Conflicts of Interest Law, N.J.S.A. 52:13D-12 etseq. and contain unequivocal and stringent restrictions relating to gifts and gratuities.

Be advised that the law prohibits the receipt of gifts and gratuities by any NJ TRANSIT employee or officer from any person, company or entity doing business - or wanting to do business - with NJ TRANSIT. Concomitantly, NJ TRANSIT's own Code of Ethics and Code of Ethics for Vendors, prohibits NJ TRANSIT employees from accepting gifts and prohibits you, the contractors and consultants, from offering any gifts to any NJ TRANSIT employee.

The term "gift" is broadly and widely defined. It includes all things and objects, tangible or intangible, including services, gratuities, meals, entertainment, tickets to events, access to membership clubs, travel costs, and lodging. Simply put, a "gift" is anything of value.

Do not, under any circumstance, tempt or put an NJ TRANSIT employee in the awkward position of having to refuse a gift or return a gift, no matter how well intentioned or innocuous the gift may be in your eyes.

The bright line rule for you and your staff in doing business with NJ TRANSIT is simple: Offer nothing and give nothing to any NJ TRANSIT employee or officer. It is your responsibility to circulate this Notice in your company and educate accordingly all personnel who do business with NJ TRANSIT.

#### **Required for Contracts \$25,000 or more**

##### Instructions for Certification

By signing and submitting this Bid or proposal, the prospective lower tier participant is providing the signed certification set out below.

The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, NJ TRANSIT may pursue available remedies, including suspension and/or debarment.

The prospective lower tier participant shall provide immediate written notice to NJ TRANSIT if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

The terms "covered transaction", "debarment", "suspended", "ineligible", "lower tier covered transaction", "participant", "persons", "lower tier covered transaction", "principal", "proposal", and "voluntarily excluded", as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549 [49 C.F.R. Part 20]. You may contact NJ TRANSIT for assistance in obtaining a copy of those regulations.

The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized in writing by NJ TRANSIT.

The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction", without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List issued by U.S. General Service Administration.

Nothing contained in the foregoing shall be construed to require establishment of system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings

Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to all remedies available to the Federal Government, NJ TRANSIT may pursue available remedies including suspension and/or debarment.

#### **Exclusion - Lower Tier Covered Transaction**

(1) The prospective lower tier participant certifies by submission of this bid or proposal, that neither it nor its principals [as defined at 49 C.F.R. 29.105(p)] is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily

excluded from participation in this transaction by any Federal department or agency.

(2) When the prospective lower tier participant is unable to certify to the statements in this certification, such prospective participant shall attach an explanation to this proposal.

#### **(H.) Certification of No Tax Liability or Felony Conviction**

Bidder hereby certifies that, as of the date of execution of this Certification, the Bidder:

The Bidder further understands and acknowledges that the conditions and obligations herein continue through and until the date of any contract award. If any of the conditions stated herein change prior to the date of contract award, for us or for any subcontractor or subconsultant (or sub-subcontractor or sub-subconsultant, etc.), the Bidder will immediately notify the NJ TRANSIT contracting officer.
