Hi Denise,

Not a problem at all!

The updated cost for the template is \$165. The updates will still be \$25 each.

Please let me know if you have additional questions.

Kindest regards,

Tom

Good Morning Tom,

Your previous price quote looked very good, unfortunately, the Agency was directed by HUD and DCA to use the revised format (attached). I am sorry for the inconvenience, but would you please provide a quote based on the revised template?

It is still anticipated that there will be approx. 60 notices over the next 6-12 months.

Please let me know if you have any questions.

Thanks much!
