

This project is being supported, in whole or part, by federal award number CPFFNO185 awarded to the State of New Jersey by the U.S. Department of Treasury

NJBIDE Applicant Attestations

NJBIDE applicants must **initial** the lines next to each attestation and provide a **signature** at the bottom of this form as part of the application requirements.

_____ (a) I attest to providing reliable broadband service as proposed to all CPF-eligible Broadband Serviceable Locations (BSLs) within the proposed project area.

_____ (b) I attest to providing reliable gigabit service to all Community Anchor Institutions (CAIs) within the proposed project area.

_____ (c) I attest that the project area(s) identified within the application are eligible, to the best of my knowledge, for NJBIDE funding and do not have enforceable federal or state commitments.

_____ (d) I attest that there have been no federal or state labor and employment law violations in the past ten years.

_____ (e) I attest to acquiring any required licenses and permits for deployment.

_____ (f) I attest to completing the requisite environmental and historical preservation documentation, adhering to the Treasury’s CPF Environmental Checklist.

_____ (g) I attest to participating in all applicable federal programs that help low-income consumers afford internet access, such as the Affordable Connectivity Program (ACP) or any future program designated by the Treasury Department.

_____ (h) I attest to reporting pricing data to the OBC for program performance monitoring and ensuring compliance with affordability requirements. I recognize that this reporting obligation will continue until the federal interest period expires on December 31, 2034.

Applicant’s full name: _____

Signature: _____

Role, affiliation: _____
