Close Custody Statuses Considered Isolated Confinement:

Adjustment Unit (AU) means a close custody unit used as a form of separation of an inmate from general population for a specific period of time after a finding of guilt for any offense in Category A.

Investigative Housing Unit (IHU) is a close custody unit used for the non-punitive removal of an inmate from the general population, or other assigned housing, with restriction to the inmate's cell or a close custody unit for a period not to exceed 72 hours, for special observation (other than healthcare needs) or investigation, unless information or evidence warrants an extension beyond the 72 hours and the extension is approved by the appropriate supervisor.

Pre-hearing Disciplinary Housing (PHDH) means the removal of an inmate from the general population or any other housing unit of a correctional facility to a short term close custody unit because of a disciplinary infraction(s) pending an investigation and a hearing into an alleged violation of a prohibited act

Emergency Confinement (EC) is used for the separation of an inmate in a correctional facility when there is a belief that it is necessary to reduce a substantial risk of imminent serious harm to the inmate or others, as evidenced by recent conduct.

Note: both Pre-Hearing PC (PHPC) & Pre-Hearing MCU (PHMCU) are considered forms of Isolated Confinement.
