www.Jobs4Jersey.com's **OnRamp** for Job-seekers

- ▣ *What is it?*
- ▣ *Why should I use it?*
- ▣ *How do I get started?*

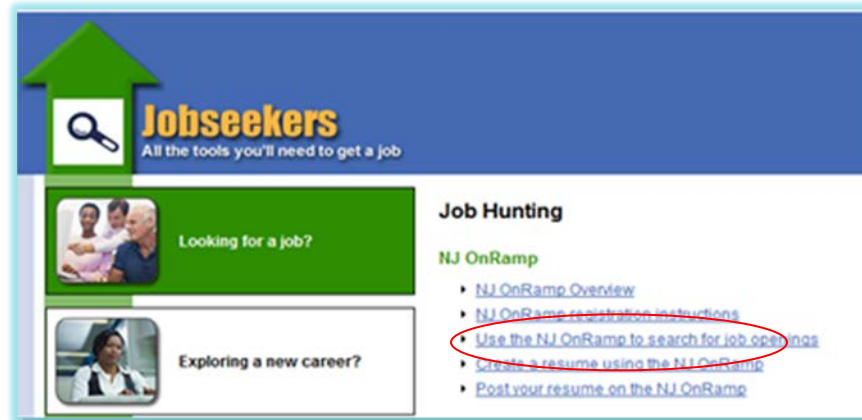

Power at Your Fingertips

Jobs4Jersey's *OnRamp* provides you with tools you need to find your next job

- ❑ Create a resume
- ❑ Enhance your current resume
- ❑ Build customized job searches
- ❑ Receive e-mail alerts of job openings
- ❑ Explore job market insights and career planning tools

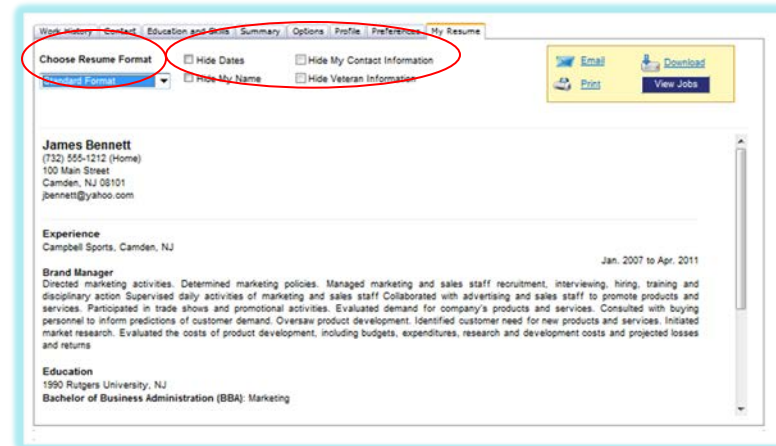

Create Your Resume

- In today's job market, the resume is an employer's *first* screening tool
- Job-seekers *need* a strong summary of their skills to compete
- **OnRamp** can create a resume for you by asking simple questions

Enhance Your Resume

With **OnRamp**:

- You can quickly and easily upload your current resume
- Learn key words or phrases to increase your visibility to employers
- Explore ways you can maximize your job search results

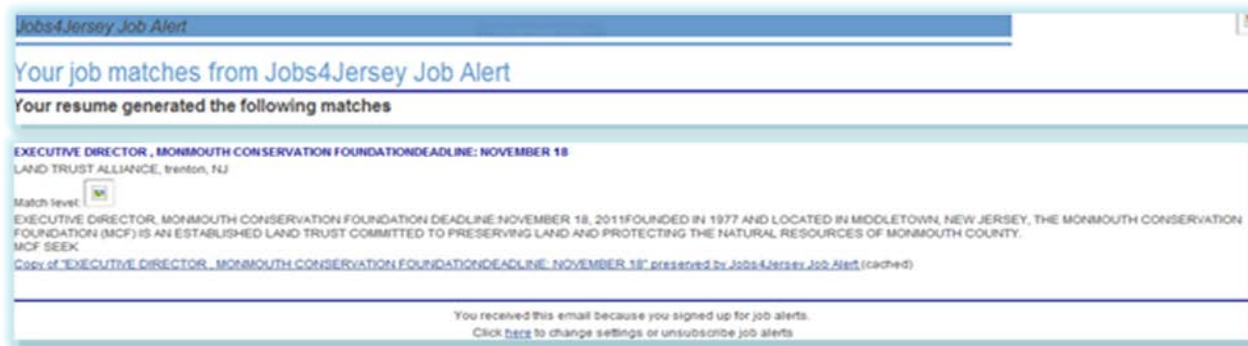

Customized, Skills-Based Matching

The screenshot shows the Jobs4Jersey.com user profile interface. At the top, the logo "Jobs4Jersey.com" and the tagline "WHERE TALENT MEETS OPPORTUNITY" are displayed. Below the logo is a navigation menu with tabs for "Work History", "Contact", "Education and Skills", "Summary", "Options", "Profile", "Preferences", and "My Resume". A "Save & Continue >>" button is located on the right side of the profile area.

- From your resume, **OnRamp** creates a unique profile for you
- Your transferable skills are identified and you receive job matches you may have otherwise missed
- At any time, you can review and refine your resume to expand or enhance your results

E-mail Alerts of Job Search Results

Use **OnRamp** to:

- Create multiple job searches – customizing them by geography, salary, industry or keywords
- Receive e-mail alerts about new job postings matching your search criteria
- Review job openings drawn from over 2,400 job posting websites
- Click on jobs that interest you and apply online

Job Market Insights

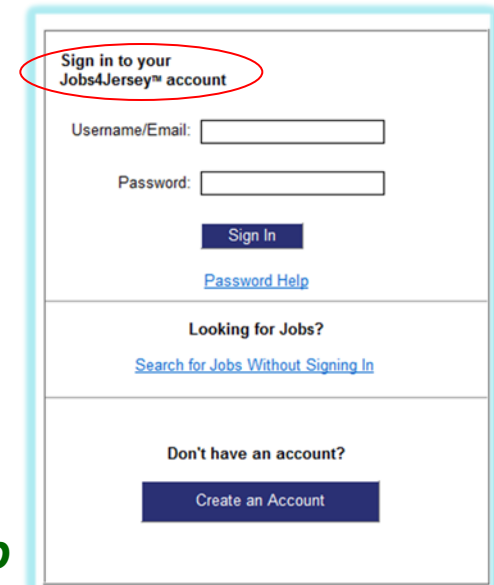

- Develop short-term and long-term career goals
- Learn how you can successfully transition from one industry to another
- **OnRamp** suggests new career paths based upon your transferable skills and life experiences

The screenshot shows the 'Job Market Insights' section of the Jobs4Jersey.com website. The page has a dark blue navigation bar at the top with links for Home, Job Market, Organizer, and Resume. Below the navigation bar is the Jobs4Jersey.com logo and tagline. The main content area is titled 'Job Market Insight' and is divided into two columns. The left column is titled 'Short-Term: Your Job Market' and contains text about understanding the job market and a link to 'See how you compare'. The right column is titled 'Long-Term: Make a Plan' and contains text about planning for the future and a link to 'What Have Others Like Me Done Next?'. Both columns have a white background and a thin border.

How to Get Started

- Go to: www.Jobs4Jersey.com
- Register to create a profile and begin exploring **OnRamp**
- See how **OnRamp** works for you – finding you quality job matches
- Manage your job search by customizing it to suit *your* needs
- Or search for jobs – without registering in **OnRamp**
- When you see a job you like – simply apply online

The screenshot shows the login interface for Jobs4Jersey.com. At the top, there is a link: "Sign in to your Jobs4Jersey™ account". Below this are two input fields: "Username/Email:" and "Password:". A "Sign In" button is positioned below the password field, with a "Password Help" link underneath it. A horizontal line separates the login section from the "Looking for Jobs?" section, which contains a link: "Search for Jobs Without Signing In". Another horizontal line separates this from the "Don't have an account?" section, which features a "Create an Account" button.

OnRamp – The Only Tool You Need

- Simplify your search – **OnRamp** checks over 2,400 web site job postings for you
