See, 2 CFR Part 200, Appendix II, para. C.

During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their

race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his/her books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

(A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or

subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:

(1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs; and request referral of minority and women workers;

(2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;

(3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

(4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

(5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

(6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:

(i) The contractor or subcontractor shall interview the referred minority or women worker.

(ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or

subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.

The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.

(D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS
(Rev. 6/14/2018)**

5.19 AUDIT NOTICE AND DISPUTE RESOLUTION

To the extent the contractor's proposal or Standard Form Agreement permits the contractor to conduct periodic audits of the State's usage of the Contractor Intellectual Property provided thereunder, such provision is amended to include the following audit notice and dispute resolution process:

- a. **AUDIT NOTICE** – Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, in the event that the contractor seeks to exercise a right in its proposal or Standard Form Agreement to audit the State's use of Contractor Intellectual Property, the contractor shall deliver simultaneous written notice, no less than thirty days in advance of the audit start date (unless the contractor's notice provides a longer notice period), to the:
 - i. Director of the New Jersey Department of Treasury, Division of Purchase and Property:
Procurement Bureau, Technology Unit
P.O. Box 230
Trenton, NJ 08625-0230
 - ii. Chief of Staff of the New Jersey Office of Information Technology:
Office of the Chief Technology Officer
300 Riverview Plaza
Trenton, NJ 08625

The notice shall reference the specific audit provision(s) in the contractor's proposal or Standard Form Agreement being exercised and include copies of same, specify the means by which the contractor will conduct the audit, and shall require the audit to be conducted in accordance with generally accepted standards in the field of such audits.

- b. **AUDIT DISPUTE RESOLUTION** -- If the State, in good faith, provides the contractor with written notice of an alleged error in the amount of underpaid fees due the contractor as a result of an audit (the "dispute"), then the parties will endeavor to resolve the dispute in accordance with this paragraph. Each party will appoint a Vice President, Assistant Director, or the equivalent (hereinafter referred to as "Representative") to discuss the dispute and no formal proceedings for the judicial resolution of such dispute, except for the seeking of equitable relief or those required to avoid non-compliance with the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq., may begin until either such Representative concludes, after a good faith effort to resolve the dispute, that resolution through continued discussion is unlikely. In addition, the parties shall refrain from exercising any termination right related to the dispute being considered under this paragraph and shall continue to perform their respective obligations under the Contract while they endeavor to resolve the dispute under this paragraph.
- c. **STATE NOT LIABLE FOR AUDIT COSTS** -- Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, the State will not reimburse the contractor for any costs related to an audit.
- d. **NO AUDIT RIGHT CREATED** -- In the event that the contractor's proposal or Standard Form Agreement does not permit audits of the State's usage of Contractor Intellectual Property, Section 5.19 of this Supplement shall not be interpreted to provide such an audit right.

On each anniversary of the effective date of the Contract, the amount of the required performance bond, unless otherwise noted, is calculated by applying the established RFQ performance bond percentage to the outstanding balance of the estimated amount of the Contract price to be paid to the contractor.

- B. Nothing in this Contract shall be construed to be a waiver by the State of any warranty, expressed or implied, of any remedy at law or equity, except as specifically and expressly stated in a writing executed by the Director.
- C. In the event that the contractor fails to comply with any material Contract requirements, the Director may take steps to terminate this Contract in accordance with the Standard Terms and Conditions, authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the State by the defaulting contractor, as provided for in the State administrative code, or take any other action or seek any other remedies available at law or in equity.

2.21 NEWS RELEASES & ADVERTISING

- A. The contractor is not permitted to issue news releases pertaining to any aspect of the services being provided under this Contract without the prior written consent of the Director.
- B. The contractor shall not use the State's name, logos, images, or any data or results arising from this Contract as a part of any commercial advertising without first obtaining the prior written consent of the Director.

2.22 ORGAN DONATION

As required by N.J.S.A. 52:32-33.1, the State encourages the contractor to disseminate information relative to organ donation and to notify its employees, through information and materials or through an organ and tissue awareness program, of organ donation options. The information provided to employees should be prepared in collaboration with the organ procurement organizations designated pursuant to 42 U.S.C. 1320b-8 to serve in this State.

3.8 PERFORMANCE SECURITY

If performance security is required, such security must be submitted with the bid in the amount listed in the Solicitation. N.J.A.C. 17:12-2.5. Acceptable forms of performance security are as follows:

1. A properly executed individual or annual performance bond issued by an insurance or security company authorized to do business in the State of New Jersey,
2. A certified or cashier's check drawn to the order of "Treasurer, State of New Jersey," or
3. An irrevocable letter of credit issued by a federally insured financial institution and naming "Treasurer, State of New Jersey," as beneficiary.

The Performance Security must be submitted to the State within 30 days of the effective date of the Contract award and cover the period of the Contract and any extensions thereof. Failure to submit performance security may result in cancellation of the Contract for cause and nonpayment for work performed.

Although the performance bond is required for the full term of the Contract, the Director recognizes that the industry practice of sureties is to issue a one (1) year performance bond for goods and services contracts. Thus, the contractor is permitted to submit a one (1) year performance bond for the amount required under the Contract and, on each succeeding anniversary date of the Contract, provide a continuation or renewal certificate to evidence that the bond is in effect for the next year of the Contract. This procedure will remain in place for each year of the Contract thereafter until the termination of the Contract. Failure to provide such proof on the anniversary date of the Contract shall result in suspension of the Contract, and possibly, termination of the Contract.

2.15 STATE'S RIGHT TO INSPECT CONTRACTOR'S FACILITIES

The State reserves the right to inspect the contractor's establishment before making an award, for the purposes of ascertaining whether the contractor has the necessary facilities for performing the Contract.

The State may also consult with clients of the contractor to assist the State in making a contract award that is most advantageous to the State.

2.16 STATE'S RIGHT TO REQUEST FURTHER INFORMATION

The Director reserves the right to request all information which may assist him or her in making a contract award, including factors necessary to evaluate the contractor's financial capabilities to perform the Contract. The contractor shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's Using Agency or designated purchaser. Thirty calendar days ARO/F.O.B. does not cover "spotting" but does include delivery on the receiving platform of the Using Agency at any destination in the State of New Jersey unless otherwise specified.

No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at the contractor's convenience when a single shipment is ordered.

The weights and measures of the State's Using Agency receiving the shipment shall govern.

- A. Discount periods shall be calculated starting from the next business day after the Using Agency has accepted the goods or services, received a properly signed and executed invoice and, when required, a properly executed performance security, whichever is latest; and
- B. The date on the check issued by the State in payment of that invoice shall be deemed the date of the State's response to that invoice.

A contractor's failure to submit the completed and signed form with its proposal will result in the rejection of the proposal as non-responsive and preclude the award of a Contract to said contractor unless the Division has on file a signed and accurate Ownership Disclosure Form dated and received no more than six (6) months prior to the receipt of the proposal. If any ownership change has occurred within the last six (6) months, a new Ownership Disclosure Form must be completed, signed and submitted with the proposal.
