In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or

subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:

(1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

(2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;

(3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

(4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

(5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

(6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:

(i) The contractor or subcontractor shall interview the referred minority or women worker.

(ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or

subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.

The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.

(D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

2.15 STATE'S RIGHT TO INSPECT CONTRACTOR'S FACILITIES

The State reserves the right to inspect the contractor's establishment before making an award, for the purposes of ascertaining whether the contractor has the necessary facilities for performing the Contract.

The State may also consult with clients of the contractor to assist the State in making a contract award that is most advantageous to the State.

2.16 STATE'S RIGHT TO REQUEST FURTHER INFORMATION

The Director reserves the right to request all information which may assist him or her in making a contract award, including factors necessary to evaluate the contractor's financial capabilities to perform the Contract. Further, the Director reserves the right to request a contractor to explain, in detail, how the proposal price was determined.

2.17 DELIVERY TIME AND COSTS

Unless otherwise noted elsewhere in the Solicitation, all delivery times are 30 calendar days after receipt of order (ARO) and prices for items in proposals shall be submitted Freight On Board (F.O.B.) Destination (30 calendar days ARO/F.O.B.). The contractor shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's Using Agency or designated purchaser. Thirty calendar days ARO/F.O.B. does not cover "spotting" but does include delivery on the receiving platform of the Using Agency at any destination in the State of New Jersey unless otherwise specified.

No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at the contractor's convenience when a single shipment is ordered.

The weights and measures of the State's Using Agency receiving the shipment shall govern.

2.18 COLLECT ON DELIVERY (C.O.D) TERMS

C.O.D. terms will not be accepted.

2.19 CASH DISCOUNTS

The contractor is encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts.

Should the contractor choose to offer cash discounts the following shall apply:

- A. Discount periods shall be calculated starting from the next business day after the Using Agency has accepted the goods or services, received a properly signed and executed invoice and, when required, a properly executed performance security, whichever is latest; and
- B. The date on the check issued by the State in payment of that invoice shall be deemed the date of the State's response to that invoice.

2.20 CLAIMS AND REMEDIES

- A. All claims asserted against the State by the contractor shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1, et seq., and/or the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq.

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

- B. Nothing in this Contract shall be construed to be a waiver by the State of any warranty, expressed or implied, of any remedy at law or equity, except as specifically and expressly stated in a writing executed by the Director.
- C. In the event that the contractor fails to comply with any material Contract requirements, the Director may take steps to terminate this Contract in accordance with the Standard Terms and Conditions, authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the State by the defaulting contractor, as provided for in the State administrative code, or take any other action or seek any other remedies available at law or in equity.

2.21 NEWS RELEASES & ADVERTISING

- A. The contractor is not permitted to issue news releases pertaining to any aspect of the services being provided under this Contract without the prior written consent of the Director.
- B. The contractor shall not use the State's name, logos, images, or any data or results arising from this Contract as a part of any commercial advertising without first obtaining the prior written consent of the Director.

2.22 ORGAN DONATION

As required by N.J.S.A. 52:32-33.1, the State encourages the contractor to disseminate information relative to organ donation and to notify its employees, through information and materials or through an organ and tissue awareness program, of organ donation options. The information provided to employees should be prepared in collaboration with the organ procurement organizations designated pursuant to 42 U.S.C. 1320b-8 to serve in this State.

3.8 PERFORMANCE SECURITY

If performance security is required, such security must be submitted with the bid in the amount listed in the Solicitation. N.J.A.C. 17:12-2.5. Acceptable forms of performance security are as follows:

- 1. A properly executed individual or annual performance bond issued by an insurance or security company authorized to do business in the State of New Jersey,
- 2. A certified or cashier's check drawn to the order of "Treasurer, State of New Jersey," or
- 3. An irrevocable letter of credit issued by a federally insured financial institution and naming "Treasurer, State of New Jersey," as beneficiary.

The Performance Security must be submitted to the State within 30 days of the effective date of the Contract award and cover the period of the Contract and any extensions thereof. Failure to submit performance security may result in cancellation of the Contract for cause and nonpayment for work performed.

Although the performance bond is required for the full term of the Contract, the Director recognizes that the industry practice of sureties is to issue a one (1) year performance bond for goods and services contracts. Thus, the contractor is permitted to submit a one (1) year performance bond for the amount required under the Contract and, on each succeeding anniversary date of the Contract, provide a continuation or renewal certificate to evidence that the bond is in effect for the next year of the Contract. This procedure will remain in place for each year of the Contract thereafter until the termination of the Contract. Failure to provide such proof on the anniversary date of the Contract shall result in suspension of the Contract, and possibly, termination of the Contract.

WAIVERED CONTRACTS SUPPLEMENT TO THE STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS (Rev. 6/14/2018)

For performance bonds based on a percentage of the total estimated Contract price. On each anniversary of the effective date of the Contract, the amount of the required performance bond, unless otherwise noted, is calculated by applying the established RFQ performance bond percentage to the outstanding balance of the estimated amount of the Contract price to be paid to the contractor.

In the event that the Contract price is increased by a Contract Amendment, the contractor may be required to provide, within 30 calendar days of the effective date of the Contract Amendment, performance bond coverage for the increase in Contract price. The required increase in the performance bond amount is calculated by applying the established bond percentage set forth above to the increase in Contract price. Failure to provide such proof to the Director of this required coverage may result in the suspension of payment to the contractor until such time the contractor complies with this requirement.

3.9 RETAINAGE

If retainage is required on the Contract as stated in the Solicitation, the state and/or agency will retain the stated percentage or retainage from each invoice. Payment of retainage will be authorized after satisfactory completion and submission of all services, deliverables or work products by the contractor and acceptance by the agency of all services, deliverables or work products required by the Contract.

For ongoing contracts, the agency will retain the stated percentage of each invoice submitted. At the end of the three (3) month period after payment of each invoice, the agency will review the contractor's performance and if performance has been satisfactory, the agency will release the retainage for the preceding three (3) month period. Following the expiration of the Contract, retained fees will be released to the contractor after certification by the agency's project manager, if any, that all services have been satisfactorily performed.

3.10 SUBCONTRACTOR UTILIZATION PLAN

A contractor that will subcontract any of the work or services to be provided under the Contract shall submit to the agency along with its proposal a Subcontractor Utilization Plan located at the following webpage: <http://www.state.nj.us/treasury/purchase/forms/subcontracting.pdf>. See also Section 5.8 of the Standard Terms and Conditions.

5.17 CONFIDENTIALITY

- a. The State's obligation to maintain the confidentiality of the contractor's confidential information provided to the State under the Contract is conditioned upon and subject to the State's obligations under the New Jersey Public Records Act, N.J.S.A. 47:1A-1 et seq., ("OPRA"), the New Jersey common law right to know, and any other lawful document request or subpoena.
- b. By virtue of the Contract, the parties may have access to information that is confidential to one another. The parties agree to disclose only information that is required for the performance of their obligations under the Contract. The contractor's confidential information, to the extent not expressly prohibited by law, shall consist of all information clearly identified as confidential at the time of disclosure ("Contractor Confidential Information"). Notwithstanding the previous sentence, the contractor acknowledges the terms and pricing of the Contract are subject to disclosure under OPRA, the New Jersey common law right to know, and any other lawful document request or subpoena.
- c. The State's Confidential Information shall consist of all information or data in any form whatsoever supplied by the State, any information or data gathered by the contractor in fulfillment of the Contract and any analysis thereof (whether in fulfillment of the Contract or not).
- d. A party's Confidential Information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party, except that if the information is personally identifying to a person or entity regardless of whether it has become part of the public

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS
(Rev. 6/14/2018)**

domain through other means, the other party must maintain full efforts under the Contract to keep it confidential; (b) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the other party by a third party without restriction on the disclosure; or (d) is independently developed by the other party.

- e. The parties agree to hold each other's Confidential Information in confidence, using at least the same degree of care in doing so that it uses to protect its own confidential information.
- f. In the event that the State receives a request for Contractor Confidential Information related to the Contract pursuant to a court order, subpoena, lawful document request or other operation of law, the State agrees, if permitted by law, to provide the contractor with as much notice, in writing, as is reasonably practicable and the State's intended response to such request. The contractor shall take any action it deems appropriate to protect its documents and/or information.
- g. In addition, in the event the contractor receives a request for State Confidential Information pursuant to a court order, subpoena, or other operation of law, the contractor shall, if permitted by law, provide the State with as much notice, in writing, as is reasonably practicable and the contractor's intended response to such request. The State shall take any action it deems appropriate to protect its documents and/or information. Notice to the State shall not relieve the contractor of its obligation to take action to protect such information if the contractor is aware of a legal reason to do so.
- h. Notwithstanding the requirements of nondisclosure described in this Section 5.17, either party may release the other party's Confidential Information (i) if directed to do so by a court or arbitrator of competent jurisdiction, (ii) pursuant to a lawfully issued subpoena or other lawful document request, (iii) in the case of the State, if the State determines the documents or information are subject to disclosure and the contractor does not exercise its rights as described in subsection (f), or if the contractor is unsuccessful in defending its rights as described in subsection (f), or (iv) in the case of the contractor, if the contractor determines the documents or information are subject to disclosure and the State does not exercise its rights as described in subsection (g), or if the State is unsuccessful in defending its rights as described in subsection (g).

The insurance shall be in the amount of not less than \$5,000,000 and in such policy forms as shall be approved by the State. If the contractor has claims-made coverage and subsequently changes carriers during the term of the Contract, it shall obtain from its new Errors and Omissions, Professional Liability Insurance and/or Professional Malpractice Insurance carrier an endorsement for retroactive coverage.

5.18 OWNERSHIP

Capitalized terms used but not defined are defined in Subsection D of this Supplement, below.

- a. Contractor Intellectual Property; COTS and Customized Software – The contractor retains ownership of all Contractor Intellectual Property, and any modifications thereto and derivatives thereof, that the contractor supplies to the State pursuant to the Contract. - b. Third Party Intellectual Property – Unless otherwise specified in the Solicitation that the State, on its own, will acquire and obtain a license to Third Party Intellectual Property, the contractor shall secure on the State's behalf, in the name of the State and subject to the State's approval, a license to Third Party Intellectual Property sufficient to fulfill the business objectives, requirements and specifications identified in the Contract at no additional cost to the State beyond that in the bid price. Under no circumstances will the State accept a license for Third Party Intellectual Property that contains terms and conditions that conflict with the terms and conditions of the Contract. If the contractor uses Third Party Intellectual Property, the contractor must indemnify the State for infringement claims with respect to the Third Party Intellectual Property. The contractor agrees that its use of Third Party Intellectual Property shall be consistent with the license for the Third Party Intellectual Property, whether supplied by the contractor, secured by the State as required by the Solicitation, or otherwise supplied by the State.
- c. Work Product; Custom Software – The State owns all Custom Software which shall be considered "work made for hire", i.e., the State, not the contractor, subcontractor, or third party, shall have full and complete ownership of all such Custom Software. - e. State Intellectual Property – Data and Background Information. The State owns all State Intellectual Property and State data and background information provided to the contractor pursuant to the Contract. The State's data and background information shall include, without limitation, all data, technical information, and materials provided to the contractor by the State to facilitate performance of the Contract, including but not limited to all reports, plans, charts, literature, brochures, mailings, recordings (video and/or audio), pictures, drawings, analyses, graphic representations, software computer programs and accompanying documentation and print-outs, notes and memoranda, written procedures and documents. The items described in the preceding sentence shall be delivered or returned to the State of New Jersey upon thirty (30) days' notice by the State or thirty (30) days after the expiration or termination of the Contract. Only to fulfill the purposes of the Contract does the State grant the contractor a non-exclusive, royalty-free, world-wide license to use, copy, display, distribute, transmit and prepare derivative works of State Intellectual Property and State data and background information. Notwithstanding anything to the contrary contained in the Terms and Conditions or this Supplement, no part of the State's data will be disclosed, sold, assigned, leased or otherwise disposed of to any person or entity other than the State unless specifically directed to do so in writing by the Contract Manager. The State's license to the contractor is limited by the term of the Contract and the confidentiality obligations set forth in Section 5.17 of this Supplement.
- f. No Rights – Except as expressly set forth in the Contract, nothing in the Contract shall be construed as granting to or conferring upon the contractor any right, title, or interest in State Intellectual Property or any intellectual property that is now owned or licensed to or subsequently owned by or licensed by the State. Except as expressly set forth in the Contract, nothing in the Contract shall be construed as granting to or conferring upon the State any right, title, or interest in any Contractor Intellectual Property that is now owned or subsequently owned by the contractor. Except as expressly set forth in the Contract, nothing in the Contract shall be construed as granting to or conferring upon the State any right, title, or interest in any Third Party Intellectual Property that is now owned or subsequently owned by a Third Party.

1. INDEMNIFICATION - The contractor's liability to the State and its employees in third party suits shall be as follows:
 - a) The contractor shall assume all risk of and responsibility for, and agrees to indemnify, defend, and save harmless the State and its officers, agents, servants and employees, from and against any and all third party claims, demands, suits, actions, recoveries, judgments and costs and expenses in connection therewith:

The State will (1) promptly notify the contractor in writing of the claim or suit; (2) the contractor shall have control of the defense and settlement of any claim that is subject to subsection (a); provided, however, that the State must approve any settlement of the alleged claim, which approval shall not be unreasonably withheld. The State may observe the proceedings relating to the alleged claim and confer with the contractor at its expense. Furthermore, neither the contractor nor any attorney engaged by the contractor shall defend the claim in the name of the State of New Jersey or any Agency, nor purport to act as legal representative of the State of New Jersey or any Agency, without having provided notice to the Director of the Division of Law in the Department of Law and Public Safety and to the Director of DPP. 5.11 CONTRACTOR PERFORMANCE WARRANTIES

Section 5.11 of the Standard Terms and Conditions is deleted in its entirety and replaced with the following:

1. COTS and Customized Software

- a. Unless the Contractor Standard Form Agreement provides greater coverage as determined by the State, in its sole discretion, the contractor warrants that COTS and Customized Software products licensed to the State shall operate in all material respects as described in the Solicitation and/or contractor technical documentation for ninety (90) days after Acceptance. The State shall

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

notify the contractor of any COTS or Customized Software product deficiency within ninety (90) days after Acceptance. For a Contract requiring the delivery of COTS or Customized Software and Custom Software, a notice within one hundred eighty (180) days that describes a deficiency in functional terms without specifying whether the deficiency is with COTS, Customized Software or Custom Software shall be deemed a notice that triggers the warranty provisions in both Section 5.11(a) and 5.11(b) of this Supplement.

- b. Except for the portion of the contractor's COTS or Customized Software product that intentionally contains one or more of the following for the purpose of anti-virus protection, the contractor warrants that, at the time of delivery and installation of the COTS or Customized Software provided pursuant to the Contract, its product shall be free of what are commonly defined as viruses, backdoors, worms, spyware, malware and other malicious code that will hamper performance of the COTS or Customized Software, collect unlawful personally identifiable information on users, or prevent the COTS or Customized Software from performing as required under the Contract.
- c. In the event of any breach of this warranty, the contractor shall correct the product errors that caused the breach of warranty, or if the contractor cannot substantially correct such breach in a commercially reasonable manner, the State may end its usage and recover the fees paid to the contractor for the license and any unused, prepaid, technical support fees paid. Under no circumstances does this warranty provision limit the contractor's obligation in the event of a breach of confidentiality.
- d. The contractor does not warrant that COTS or Customized Software is error-free or that it will operate uninterrupted.

2. Custom Software

- a. Unless the Contractor Standard Form Agreement provides greater coverage, as determined by the State, in its sole discretion, the contractor warrants that Custom Software Deliverables shall operate in all material respects as described in the applicable specification documentation for one hundred and eighty (180) days after Acceptance. The State shall notify the contractor of any Custom Software deficiency within one hundred and eighty (180) days after Acceptance of the Custom Software Deliverable (the "Notice Period"). Where the contractor is providing multiple Custom Software Deliverables over the term of the Contract, the Notice Period shall begin to run after the Acceptance of the final Custom Software Deliverable under the Contract. At that time, the State may assert defect claims relating to any and all of the Custom Software Deliverables provided under the Contract; however, the State may also assert claims earlier, in its discretion, without waiving the Notice Period.
- b. For a Contract requiring the delivery of COTS or Customized Software and Custom Software, a notice within one hundred eighty (180) days that describes a deficiency in functional terms without specifying whether the deficiency is with COTS, Customized Software or Custom Software shall be deemed a notice that triggers the warranty provisions in both Section 5.11(a) and 5.11(b) of this Supplement.
- c. The contractor warrants that, at the time of Acceptance of the Custom Software Deliverable provided pursuant to the Contract, its product shall be free of what are commonly defined as viruses, backdoors, worms, spyware, malware and other malicious code that will hamper performance of the Custom Software, collect unlawful personally identifiable information on users, or prevent the Custom Software from performing as required under the Contract. Under no circumstances does this warranty provision limit the contractor's obligation in the event of a breach of confidentiality.
- d. In the event of any breach of this warranty, the contractor shall correct the Custom Software errors that caused the breach of warranty, or if the contractor cannot substantially correct such breach in a commercially reasonable manner, the State may recover a portion of the fees paid to the contractor for the Custom Software with the uncorrected defect or in the event that the Custom Software is still deemed, by the State in its sole discretion, to be usable by the State even with the uncorrected defect, the State may recover a portion of the fees paid to the

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

contractor for the Custom Software (up to the total amount of such charges for such Custom Software) to reflect any reduction in the value of the Custom Software Deliverable as a result of the uncorrected defect. Under no circumstances does this warranty provision limit the contractor's obligations in the event of a breach of confidentiality.

- e. The contractor does not warrant that Custom Software is error-free or that it will operate uninterrupted.

3. IT Services

- a. Unless the Contractor Standard Form Agreement provides greater coverage, as determined by the State, in its sole discretion, the contractor warrants that all Services will be provided in a professional manner consistent with industry standards. The State shall notify the contractor of any Services warranty deficiencies within ninety (90) days from performance of the deficient Services.
- b. In the event of any breach of this warranty, the contractor shall re-perform the deficient Services, or if the contractor cannot substantially correct a breach in a commercially reasonable manner, the State may end the relevant Services and recover the fees paid to the contractor for the deficient Services.

4. Hardware

- a. 5.19 AUDIT NOTICE AND DISPUTE RESOLUTION

To the extent the contractor's proposal or Standard Form Agreement permits the contractor to conduct periodic audits of the State's usage of the Contractor Intellectual Property provided thereunder, such provision is amended to include the following audit notice and dispute resolution process:

- a. **AUDIT NOTICE** – Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, in the event that the contractor seeks to exercise a right in its proposal or Standard Form Agreement to audit the State's use of Contractor Intellectual Property, the contractor shall deliver simultaneous written notice, no less than thirty days in advance of the audit start date (unless the contractor's notice provides a longer notice period), to the:
 - i. Director of the New Jersey Department of Treasury, Division of Purchase and Property:
Procurement Bureau, Technology Unit
P.O. Box 230
Trenton, NJ 08625-0230
 - ii. Chief of Staff of the New Jersey Office of Information Technology:
Office of the Chief Technology Officer
300 Riverview Plaza
Trenton, NJ 08625
 - iii. State Contract Manager.

The notice shall reference the specific audit provision(s) in the contractor's proposal or Standard Form Agreement being exercised and include copies of same, specify the means by which the contractor will conduct the audit, and shall require the audit to be conducted in accordance with generally accepted standards in the field of such audits.

- b. **AUDIT DISPUTE RESOLUTION** -- If the State, in good faith, provides the contractor with written notice of an alleged error in the amount of underpaid fees due the contractor as a result of an audit (the "dispute"), then the parties will endeavor to resolve the dispute in accordance with this paragraph. Each party will appoint a Vice President, Assistant Director, or the equivalent (hereinafter referred to as "Representative") to discuss the dispute and no formal proceedings for the judicial resolution of such dispute, except for the seeking of equitable relief or those required to avoid non-compliance with the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq., may begin until either such Representative concludes, after a good faith effort to resolve the dispute, that resolution through continued discussion is unlikely. In addition, the parties shall refrain from exercising any termination right related to the dispute being considered under this paragraph and shall continue to perform their respective obligations under the Contract while they endeavor to resolve the dispute under this paragraph.
- c. **STATE NOT LIABLE FOR AUDIT COSTS** -- Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, the State will not reimburse the contractor for any costs related to an audit.
- d. **NO AUDIT RIGHT CREATED** -- In the event that the contractor's proposal or Standard Form Agreement does not permit audits of the State's usage of Contractor Intellectual Property, Section 5.19 of this Supplement shall not be interpreted to provide such an audit right.

COVID-19 MASTER AGREEMENT – GENERAL TERMS AND CONDITIONS

A. PRODUCTS. Subject to Section C, as of the Product Availability Date, Abbott shall make available to Customer and, if applicable, to the customer(s) listed on the attached Membership Exhibit, the ID NOW COVID-19 EUA test products ("Products") listed on the Signature Page at the prices set forth therein. Abbott and Customer may, from time to time, mutually agree in writing to add a System Member to the Membership Exhibit.

B. EQUIPMENT. Abbott agrees to provide Customer, for Customer's use, the Abbott-Owned equipment ("Abbott-Owned Equipment") identified on the Signature Page. Customer agrees to accept the identified Abbott-Owned Equipment. The terms and conditions in the Abbott-Owned Equipment Terms and Conditions Section apply to all Abbott-Owned Equipment provided under this Agreement.

C. SUPPLY ALLOCATION. Notwithstanding anything to the contrary in the Agreement (i) at any time and from time to time, Abbott may have limited inventory or no inventory of one or more Products and/or the Abbott-Owned Equipment, and Abbott shall not incur any liability to Customer for any failure to supply or any delayed supply of Products and/or the Abbott-Owned Equipment; and (ii) Abbott reserves the right, in its sole discretion and without liability, to allocate supply of the Products and/or the Abbott-Owned Equipment, and to immediately discontinue supplying any Product, and any such action will not constitute a breach by Abbott under this Agreement.

D. DISCLOSURE. Any discounts, rebates or other price reductions (collectively referred to herein as "discounts") issued by Abbott to Customer constitute a discount under applicable law (42 U.S.C. Section 1320a-7b(b)(3)(A)). Upon Customer's written request, Abbott shall provide detail pertaining to such discounts and the allocation of total net purchase dollars for Products, equipment, services, and miscellaneous purchases, as applicable. Customer may have an obligation to report such discounts to any State or Federal program that provides reimbursement to Customer for the items to which the discount applies, and, if so, Customer must fully and accurately report such discounts. Further, Customer should retain invoices and other price documentation and make them available to Federal or State officials upon request.

E. PURCHASE COMMITMENT. Subject to Section C above, Abbott agrees to sell, and Customer agrees to purchase, the Product at the prices and volumes indicated on the Signature Page under the Reagents table for the duration of the Term of this Agreement (the "Purchase Commitment"). Customer acknowledges and agrees that the Total Equipment Value for the Abbott-Owned Equipment shall be deemed to be incorporated into the Product price during the Term of the Agreement. Abbott will review Customer's compliance with the Purchase Commitment during the Term. If Customer fails to meet the Purchase Commitment at the end of the Term, then Customer may elect to extend the Term for an additional two (2) months (the "Extension Term"). If Customer elects not to extend the Term and/or does not fulfill their Purchase Commitment at the end of the Extension Term, then Customer agrees that the amount equal to the shortfall between the actual aggregate price of Products purchased by Customer and the Purchase Commitment shall become immediately due to Abbott. If Customer purchases any Product from an authorized distributor, then such purchases shall count toward the Purchase Commitment; it being understood that any such purchases shall, in addition, otherwise be subject to separate terms and conditions between Customer and such authorized distributor. Customer acknowledges and agrees that, in any event, the Product is subject to EUA, the Fact Sheets and the terms of this Agreement. In the event that Abbott is unable to supply a Product under this Agreement and unable to provide a replacement product, Abbott shall suspend the Purchase Commitment for the applicable Product for the duration of time in which the Product is unavailable and adjust the Purchase Commitment accordingly for the current Contract Year. "Contract Year" shall mean the twelve (12) month period commencing upon the Effective Date of this Agreement and each consecutive 12-month period.

F. TERMINATION. If Customer breaches any of the terms of this Agreement, Abbott may, in its sole discretion and without further liability, immediately terminate this Agreement and/or repossess the Abbott-Owned Equipment, in addition to all its other rights and remedies. This Agreement shall automatically terminate upon the end of the EUA Period. Within thirty (30) days following to the end of the Term, Customer shall (i) enter into a Master Agreement for use of the Abbott-Owned Equipment listed on the Price Exhibit with other ID Now-related products; (ii) purchase the Abbott-Owned Equipment by providing a billable purchase order to Abbott using a mutually agreed upon price; or (iii) carefully package and return the Abbott-Owned Equipment pursuant to the terms of this Agreement.

G. CONFIDENTIALITY. The terms of this Agreement are confidential and, except as otherwise required by law, Customer shall not disclose such terms to any third party without Abbott's prior written consent, provided that Customer shall be permitted to disclose the terms of this Agreement to the extent required by applicable law or as reasonably required by Customer's attorneys, accountants and other professional advisors who are under an obligation of confidentiality to Customer. Customer acknowledges and agrees that Abbott may share information under this Agreement, including pursuant to the rules of the stock exchange on which the securities of Abbott are traded, or to the extent requested by any governmental entity. The provisions of this paragraph shall survive termination or expiration of this Agreement.

H. PAYMENT TERMS; SHIPPING. Payment terms are net thirty (30) days. Past due balances may be subject to a service charge of one and one-half percent (1.5%) per month (or the highest rate allowed by law, if lower than one and one-half percent (1.5%) per month). Unless Customer is fully exempt from all taxes, Customer shall pay all taxes, federal, state and local, which may be imposed upon the use, possession, ownership, or lease of any product; such taxes shall be added to the invoice. Customer shall reimburse Abbott for any such tax paid by Abbott. If Customer is tax exempt, Customer must provide a tax-exempt certification to Abbott prior to the Effective Date of this Agreement. Shipping charges are prepaid and added to each invoice. Products will be shipped Free Carriage Alongside (FCA) point of shipment.

I. PRODUCT RETURNS AND ACCEPTANCE. Unless Customer provides written notice to Abbott, no later than ten (10) calendar days after delivery of the applicable Product and/or Abbott-Owned Equipment, of (1) subject to Section C, any discrepancy between the type or quantity of Products and/or Abbott-Owned Equipment ordered and the type or quantity of Products and/or Abbott-Owned Equipment delivered or (2) any failure of such Product and/or Abbott-Owned Equipment to materially comply with the warranty set forth in Section J below. Customer shall be deemed to have accepted ("Acceptance") such Product and/or equipment. All returns shall be governed by Abbott's return policy, which Abbott shall provide to Customer upon request. If Customer experiences difficulty with the Product, Customer may call Abbott Technical Support at 877-441-7440, option 2. If Customer experiences a problem with an order or shipment, Customer may call Abbott Customer Service at 877-441-7440, option 1.

J. WARRANTY. Abbott warrants and represents that Products delivered to carrier for shipment to Customer, or delivered directly to Customer, will commence on Acceptance and continue for the shelf life of the Product: (1) materially conform to published specifications set forth in the applicable Abbott package insert(s); (2) not be adulterated or misbranded within the meaning of the U.S. Food, Drug and Cosmetic Act; and (3) be of good quality and free from defects in materials and workmanship. Except as to warranties specifically set forth in this paragraph, the only other warranties made by Abbott with respect to Products and Abbott-Owned Equipment are those specifically and expressly stated as warranties in the Abbott package insert specifications and manuals. ABBOTT MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, WARRANTIES AS TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OR ANY OTHER MATTER. Notwithstanding the foregoing, any warranties provided by Abbott will not apply to any Product or Abbott-Owned Equipment if (a) it has been misused, altered, damaged or used other than in accordance with the applicable Abbott package insert and/or operating manual (including product dating); (b) it has been used in combination with other articles, substances or reagents (or any combination thereof) not provided or recommended for use by Abbott with such Product or Abbott-Owned Equipment; (c) the serial or lot number of any Product or Abbott-Owned Equipment has been altered, defaced, or removed; or if any repair is attempted by personnel who has not been authorized by Abbott to perform such repair; or (d) the Product or Abbott-Owned Equipment was purchased from an unauthorized distributor (subsections (a) through (d), collectively, "Warranty Exclusions"). If any Product or Abbott-Owned Equipment does not comply with the warranty set forth in this paragraph, as Customer's sole and exclusive remedy, Abbott shall, at its discretion, repair or replace the applicable Product at no additional expense to Customer.

K. DISCLAIMER. Customer assumes all risk for the suitability of the test results obtained by using the Product and/or Abbott-Owned Equipment hereunder, and the consequences which flow therefrom. Customer assumes all risk when any of the Warranty Exclusions apply to the Products and/or Abbott-Owned Equipment. To the full extent permitted by applicable law, Abbott's maximum aggregate and total liability for all claims under this Agreement is limited to the amount paid to Abbott by Customer for the Products and/or Abbott-Owned Equipment giving rise to the claim. IN NO EVENT SHALL ABBOTT BE LIABLE FOR ANY PUNITIVE, CONSEQUENTIAL, INDIRECT, INCIDENTAL OR SPECIAL DAMAGES OR LOSSES OF ANY NATURE WHATSOEVER (INCLUDING WITHOUT LIMITATION, LOST REVENUE, LOST PROFITS, OR LOST BUSINESS) ARISING OUT OF THIS AGREEMENT OR THE USE OF PRODUCTS, EQUIPMENT, SERVICES, OR MISCELLANEOUS PURCHASES HEREUNDER.

L. USE OF PRODUCTS. The Products purchased under this Agreement are for Customer's own use and not for resale or distribution to any third party. Customer agrees not to (1) resell any Abbott Product or equipment; (2) use the Products, as applicable, past their expiration date and (3) use any Product or Equipment in any manner inconsistent with its intended use. Upon reasonable notice, Abbott or its designee may, at its expense, audit all relevant books and records of Customer to confirm Customer's compliance with the restrictions on resale set forth herein. Any such audit shall be conducted during Customer's normal business hours.

M. MISCELLANEOUS. This Agreement, together with all other exhibits and items specifically referenced herein, constitute the entire understanding between Customer and Abbott with respect to the subject matter contained within the Agreement and supersedes prior agreements concerning the same. All terms and conditions contained in any form issued by Customer shall be null and void and entirely superseded by the terms and conditions of this Agreement, except for those items proposed by Customer and specifically accepted in writing by a duly authorized representative of Abbott. Except where otherwise stated herein, this Agreement may not be altered or amended except by written agreement signed by both parties. Orders received for Products on this Agreement are subject to acceptance by Abbott. Customer will not use Abbott's or its affiliates' names, logos or other indicia in any publicity, advertising, announcement, brochure, customer list or website, in any media now known or hereinafter invented, without prior written consent from Abbott Public Affairs or its designee. Neither party may assign or transfer this Agreement without the other party's prior written consent, except that Abbott may assign this Agreement to an affiliate without Customer's consent. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, excluding choice of law provisions. Subject to the Dispute Resolution section below, for any legal action relating to this Agreement, the parties consent to the exclusive jurisdiction and venue of the federal courts of the Northern District of Illinois and, if there is no jurisdiction in federal court, to the exclusive jurisdiction and venue of the state courts in Lake County, Illinois, U.S. Neither party shall be liable for any failure to perform hereunder (other than the payment of money) due to events outside the affected party's reasonable control, including strikes (legal or illegal), lockouts, fires, floods, or water damage, riots, government acts or orders, interruption of transportation, or inability to obtain material upon reasonable prices or terms. The waiver by either party of any breach of any provision hereof by the other party shall not be construed to be either a waiver of any subsequent breach of any such provision or a waiver of the provision itself. The parties are independent contractors. This Agreement does not create or otherwise imply that there is any relationship of employment, agency, franchise, joint venture, partnership or other similar legal relationship among the parties. No party has the authority to bind or act on behalf of any other party except as otherwise expressly stated in this Agreement. The terms set forth in Sections D, G and J-N shall survive termination or expiration of the Agreement. This Agreement is entered into by and for the sole benefit of the enumerated parties to this Agreement. Nothing in this Agreement shall be interpreted or construed to provide any benefits to any third party or to otherwise create a third-party beneficiary under this Agreement.

N. ALTERNATIVE DISPUTE RESOLUTION. Any dispute or claim arising out of or in connection with this Agreement initiated by either party shall be resolved by binding Alternative Dispute Resolution in accordance with the provisions set forth in this Section N. If a dispute arises between the parties regarding this Agreement, the parties will attempt to resolve such dispute in good faith by direct negotiation by representatives of each party. If such negotiation does not resolve the matter within twenty-eight (28) days after notice of the dispute is given, the matter will be resolved by the following alternative dispute resolution ("ADR") procedure.

To begin an ADR proceeding, a party shall provide written notice to the other party of the issues to be resolved by ADR. Within fourteen (14) days after its receipt of notice of ADR, the other party may, by written notice, add additional issues to be resolved. Within twenty-one (21) days following receipt of the original ADR notice, the parties shall select a mutually acceptable independent, impartial and conflicts-free neutral to preside over the proceeding. If the parties are unable to agree on a mutually acceptable neutral within such period, each party will select one independent, impartial and conflicts-free neutral and those two neutrals will select a third independent, impartial and conflicts-free neutral within ten (10) days thereafter. None of the neutrals selected may be current or former employees, officers or directors of either party or its Affiliates. The parties shall convene in a location mutually agreed upon to conduct a hearing before the neutral no later than fifty-six (56) days after selection of the neutral (unless otherwise agreed upon by the parties).

The ADR Process shall include a pre-hearing exchange of exhibits and summary of witness testimony upon which each party is relying, proposed rulings and remedies on each issue, and a brief in support of each party's proposed rulings and remedies not to exceed twenty (20) pages. The pre-hearing exchange must be completed no later than ten (10) days prior to the hearing date. Any disputes relating to the pre-hearing exchange shall be resolved by the neutral. No discovery shall be permitted by any means, including depositions, interrogatories, requests for admissions, or production of documents.

The hearing shall be conducted on two (2) consecutive days, with each party entitled to five (5) hours of hearing time to present its case, including cross-examination. The neutral shall adopt in its entirety the proposed ruling and remedy of one of the parties on each disputed issue but may adopt one party's proposed rulings and remedies on some issues and the other party's proposed rulings and remedies on other issues. The neutral shall rule within fourteen (14) days of the hearing, shall not issue any written opinion, and shall not refer any portion of the dispute to mediation without the parties' prior, written consent. The rulings of the neutral shall be binding, and non-appealable and may be entered as a final judgment in any court having jurisdiction. The neutral(s) shall be paid a reasonable fee plus expenses. These fees and expenses, along with the reasonable legal fees and expenses of the prevailing party (including all expert witness fees and expenses), the fees and expenses of a court reporter, and any expenses for a hearing room, shall be paid as follows:

(a) If the neutral(s) rule(s) in favor of one party on all disputed issues in the ADR, the losing party shall pay 100% of such fees and expenses.

(b) If the neutral(s) rule(s) in favor of one party on some issues and the other party on other issues, the neutral(s) shall issue with the rulings a written determination as to how such fees and expenses shall be allocated between the parties. The neutral(s) shall allocate fees and expenses in a way that bears a reasonable relationship to the outcome of the ADR, with the party prevailing on more issues, or on issues of greater value or gravity, recovering a relatively larger share of its legal fees and expenses.

To the extent not contradicted by the parties' contractual agreement regarding ADR rules and procedures contained herein, the rules governing Fast Track Arbitration of the CPR Institute for Dispute Resolution ("CPR") 366 Madison Avenue, 14th floor, New York, NY 10017 shall apply.

Updated: June 1, 2020

**Coronavirus
Disease 2019
(COVID-19)**

This Fact Sheet informs you of the significant known and potential risks and benefits of the emergency use of the ID NOW COVID-19.

The ID NOW COVID-19 is authorized for use on respiratory specimens collected from individuals who are suspected of COVID-19 by their healthcare provider.

All patients whose specimens are tested with this assay will receive the Fact Sheet for Patients: ID NOW COVID-19.

What are the symptoms of COVID-19?

Many patients with confirmed COVID-19 have developed fever and/or symptoms of acute respiratory illness (e.g., cough, difficulty breathing). The current information available to characterize the spectrum of clinical illness associated with COVID-19 suggests that symptoms include cough, shortness of breath or dyspnea, fever, chills, myalgias, headache, sore throat or new loss of taste or smell. Based on what is known about the virus that causes COVID-19, signs and symptoms may appear any time from 2 to 14 days after exposure to the virus. Based on preliminary data, the median incubation period is approximately 5 days, but may range 2-14 days.

Public health officials have identified cases of COVID-19 infection throughout the world, including the United States, which may pose risks for public health. Please check the CDC webpage for the most up to date information.

What do I need to know about COVID-19 testing?

Current information on COVID-19 for healthcare providers is available at CDC's webpage, *Information for Healthcare Professionals* (see links provided in "Where can I go for updates and more information" section).

- The ID NOW COVID-19 can be used to test direct nasal, nasopharyngeal or throat swabs.
- The ID NOW COVID-19 should be ordered for the detection of COVID-19 in individuals who are suspected of COVID-19 by their healthcare provider.
- The ID NOW COVID-19 is authorized for use in laboratories certified under the Clinical Laboratory Improvement Amendments of 1988 (CLIA), 42 U.S.C. §263a, to perform high and moderate complexity tests.
- The ID NOW COVID-19 Test is authorized to be distributed and used in patient care settings using the ID NOW Instrument outside of the clinical laboratory environment.

This test is to be performed only using respiratory specimens collected from individuals who are suspected of COVID-19 by their healthcare provider.

Specimens should be collected with appropriate infection control precautions. Current guidance for COVID-19 infection control precautions are available at the CDC's website (see links provided in "Where can I go for updates and more information" section).

Use appropriate personal protective equipment when collecting and handling specimens from individuals suspected of having COVID-19 as outlined in the CDC *Interim Laboratory Biosafety Guidelines for Handling and Processing Specimens Associated with Coronavirus Disease 2019 (COVID-19)*. For additional information, refer to CDC *Interim Guidelines for Collecting, Handling, and Testing Clinical Specimens from Persons Under Investigation (PUIs) for Coronavirus Disease 2019 (COVID-19)* (see links provided in "Where can I go for updates and more information" section).

What does it mean if the specimen tests positive for the virus that causes COVID-19?

A positive test result for COVID-19 indicates that RNA from SARS-CoV-2 was detected, and the patient is infected with the virus and presumed to be contagious. Laboratory test results should always be considered in the context of clinical observations and epidemiological data in making a final diagnosis and patient management decisions. Patient management should follow current CDC guidelines.

The ID NOW COVID-19 has been designed to minimize the likelihood of false positive test results. However, in the event of a false positive result, risks to patients could include the following: a recommendation for isolation of the patient, monitoring of household or other close contacts for symptoms, patient isolation that might limit contact with family or friends and may increase contact with other potentially COVID-19 patients, limits in the ability to work, the delayed diagnosis and treatment for the true infection causing the symptoms, unnecessary prescription of a treatment or therapy, or other unintended adverse effects.

All laboratories and healthcare providers in patient care settings using this test must follow the standard testing and reporting guidelines according to their appropriate public health authorities.

Updated: June 1, 2020

Coronavirus
Disease 2019
(COVID-19)

What does it mean if the specimen tests negative for the virus that causes COVID-19?

A negative test result for this test means that SARS-CoV-2 RNA was not present in the specimen above the limit of detection. However, a negative result does not rule out COVID-19 and should not be used as the sole basis for treatment or patient management decisions. A negative result does not exclude the possibility of COVID-19. Negative results should be treated as presumptive and, if inconsistent with clinical signs and symptoms or necessary for patient management, should be tested with an alternative molecular assay.

When diagnostic testing is negative, the possibility of a false negative result should be considered in the context of a patient's recent exposures and the presence of clinical signs and symptoms consistent with COVID-19. The possibility of a false negative result should especially be considered if the patient's recent exposures or clinical presentation indicate that COVID-19 is likely, and diagnostic tests for other causes of illness (e.g., other respiratory illness) are negative. If COVID-19 is still suspected based on exposure history together with other clinical findings, retesting with an alternative method should be considered by healthcare providers in consultation with public health authorities.

Risks to a patient of a false negative include: delayed or lack of supportive treatment, lack of monitoring of infected individual's and their household or other close contacts for symptoms resulting in increased risk of spread of COVID-19 within the community, or other unintended adverse events.

What is an EUA?

The United States FDA has made this test available under an emergency access mechanism called an Emergency Use Authorization (EUA). The EUA is supported by the Secretary of Health and Human Service's (HHS's) declaration that circumstances exist to justify the emergency use of in vitro diagnostics (IVDs) for the detection and/or diagnosis of the virus that causes COVID-19.

An IVD made available under an EUA has not undergone the same type of review as an FDA-approved or cleared IVD. FDA may issue an EUA when certain criteria are met, which includes that there are no adequate, approved, available alternatives, and based on the totality of scientific evidence available, it is reasonable to believe that this IVD may be effective in the detection of the virus that causes COVID-19.

The EUA for this test is in effect for the duration of the COVID-19 declaration justifying emergency use of IVDs, unless terminated or revoked (after which the test may no longer be used).

FACT SHEET FOR PATIENTS

ID NOW COVID-19 –
Abbott Diagnostics Scarborough, Inc.

**Coronavirus
Disease 2019
(COVID-19)**

You are being given this Fact Sheet because your sample(s) was tested for the Coronavirus Disease 2019 (COVID-19) using the ID NOW COVID-19 test. This Fact Sheet contains information to help you understand the risks and benefits of using this test for the diagnosis of COVID-19. After reading this Fact Sheet, if you have questions or would like to discuss the information provided, please talk to your healthcare provider.

- For the most up to date information on COVID-19 please visit the CDC Coronavirus Disease 2019 (COVID-19) webpage:
- <https://www.cdc.gov/COVID19>

What is COVID-19?

COVID-19 is caused by the SARS-CoV-2 virus. The virus can cause mild to severe respiratory illness and has spread globally, including the United States. The current information available to characterize the spectrum of clinical illness associated with COVID-19 suggests that symptoms include cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, headache, sore throat or new loss of taste or smell.

What is the ID NOW COVID-19 test?

The test is designed to detect the virus that causes COVID-19 in respiratory specimens, for example nasal or oral swabs.

Why was my sample tested?

You were tested because your healthcare provider believes you may have been exposed to the virus that causes COVID-19 based on your signs and symptoms (e.g., fever, cough, difficulty breathing), and/or because:

- You live in or have recently traveled to a place where transmission of COVID-19 is known to occur, and/or
- You have been in close contact with an individual suspected of or confirmed to have COVID-19.

Testing of the samples will help find out if you may have COVID-19.

What are the known and potential risks and benefits of the test?

Potential risks include:

- Possible discomfort or other complications that can happen during sample collection.
- Possible incorrect test result (see below for more information).

Potential benefits include:

- The results, along with other information, can help your healthcare provider make

- **Where can I go for updates and more information?** The most up-to-date information on COVID-19 is available at the CDC General webpage: <https://www.cdc.gov/COVID19>. In addition, please also contact your healthcare provider with any questions/concerns.

- informed recommendations about your care.
- The results of this test may help limit the spread of COVID-19 to your family and others in your community.

What does it mean if I have a positive test result?

If you have a positive test result, it is very likely that you have COVID-19. Therefore, it is also likely that you may be placed in isolation to avoid spreading the virus to others. There is a very small chance that this test can give a positive result that is wrong (a false positive result). Your healthcare provider will work with you to determine how best to care for you based on the test results along with medical history, and your symptoms.

What does it mean if I have a negative test result?

A negative test result means that the virus that causes COVID-19 was not found in your sample. For COVID-19, a negative test result for a sample collected while a person has symptoms usually means that COVID-19 did not cause your recent illness.

However, it is possible for this test to give a negative result that is incorrect (false negative) in some people with COVID-19. This means that you could possibly still have COVID-19 even though the test is negative. If this is the case, your healthcare provider will consider the test result together with all other aspects of your medical history (such as symptoms, possible exposures, and geographical location of places you

have recently traveled) in deciding how to care for you.

It is important that you work with your healthcare provider to help you understand the next steps you should take.

Is this test FDA-approved or cleared?

No. This test is not yet approved or cleared by the United States FDA. When there are no FDA-approved or cleared tests available, and other criteria are met, FDA can make tests available under an emergency access mechanism called an Emergency Use Authorization (EUA). The EUA for this test is supported by the Secretary of Health and Human Service's (HHS's) declaration that circumstances exist to justify the emergency use of in vitro diagnostics for the detection and/or diagnosis of the virus that causes COVID-19. This EUA will remain in effect (meaning this test can be used) for the duration of the COVID-19 declaration justifying emergency of IVDs, unless it is terminated or revoked by FDA (after which the test may no longer be used).
