

**AGREEMENT
IN CONNECTION WITH
New Jersey State Waiver No. AN-067**

This Agreement is made effective as of _____, by and between Cardinal Health 110, LLC and Cardinal Health 112, LLC, whose address is 7000 Cardinal Place, Dublin, Ohio 43017 (collectively, “Cardinal”), and the State of New Jersey, Department of the Treasury, Division of Purchase and Property, whose address is 33 West State Street, 8th Floor, P.O. Box 039, Trenton, New Jersey 08625-0039, on behalf of the State of New Jersey, Department of the Treasury, Division of Purchase and Property (collectively, the “State”).

THEREFORE, for good and valuable consideration, the parties to this Agreement agree as follows:

1. The Parties agree the agreement between the State and Cardinal consists of the following documents (which shall be collectively referred to as the “Contract”):
 - A. This Agreement;
 - B. The State of New Jersey Standard Terms and Conditions (Rev: 10/21/19), signed on May 27, 2020 (“Standard Terms & Conditions”), as amended by the Waivered Contracts Supplement to the State of New Jersey Standard Terms and Conditions, signed on May 27, 2020 (“Waivered Contracts Supplement,” and collectively with the Standard Terms & Conditions, “Terms & Conditions”); and
 - C. Cardinal’s Proposal (“Schedule A”), annexed hereto.

In the event of a conflict in the terms and conditions among the documents comprising the contract, the above order shall prevail for purposes of the interpretation thereof (listed from highest ranking to lowest ranking). For the avoidance of doubt, the Terms & Conditions shall prevail over any other terms not otherwise amended by a written agreement signed by the parties.

2. The Parties agree the following procedures apply to manufacturer backorders:
 - a) Cardinal’s order entry system will provide notification prior to order of all Manufacturer Backorders.
 - b) Cardinal will also list all Manufacturer Backorders on its ordering website and the State can call customer service.
 - c) Notifications of Manufacturer Backorders will be provided by Cardinal’s weekly “Service Flash,” which is available via Cardinal’s website or push e-mail. Backorder notices will contain an expected date of resolution as well as the reason for the backorder (e.g., raw material shortage), if the information is available from the supplier. When information is not forthcoming from the supplier, Cardinal’s standard procedure is to make the “date out” two (2) months from the notification, following up with the supplier on an every two week basis to obtain the appropriate updated information as to when products will be available. Cardinal’s “Service Flash” will also list recalled products, discontinued products, and products on allocation.
 - d) The State can call Cardinal’s customer service with questions in regard to recalled,

allocated, and discontinued or products on backorder.

3. The Parties agree the expiration dating for all products delivered under this Contract must have a minimum shelf life of six (6) months expiration dating remaining upon delivery to the State. Shipment of products with expiration dating of less than six (6) months requires the prior approval of the State. If Cardinal distributes short dated products to the State without prior approval, the products may be returned to Cardinal.
4. The Parties agree that if any product distributed by Cardinal under this Contract is recalled or removed by the manufacturer or Cardinal itself, or if a recall is suggested or mandated by a regulatory or official Agency, Cardinal will send notice to the State within the affected recall timeframe. Recall notices will be sent with the State's next delivery or via mail if the State does not have a delivery the day the recall notice is released. Cardinal will send recall notices to the State for any recalled product ordered by the State up to 12 months after the last purchase.
5. The Parties agree the State may terminate individual purchase orders, in whole or in part, immediately upon notice to Cardinal, or at such later date as the State may establish in such notice, upon the occurrence of any of the following events:
 - a) The State fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to pay for the goods to be purchased under the purchase order;
 - b) Federal or State laws, regulations or guidelines are modified or interpreted in such a way that either the purchase of goods under the purchase order is prohibited or the State is prohibited from paying for such goods from the planned funding source; or
 - c) Cardinal commits any material breach of this Contract or a purchase order.Upon receipt of written notice of termination, Cardinal will stop performance under the purchase order as directed by the State.

Termination of a standing purchase order does not extinguish or prejudice the State's right to enforce such purchase order with respect to Contractor's breach of any warranty or any defect in or default of Contractor's performance under such purchase order that has not been cured, including any right of the State to indemnification by Cardinal or enforcement of a warranty. If a standing purchase order is terminated, the State must pay Cardinal in accordance with the terms of this Contract for goods delivered and accepted by the State.
6. The Parties agree the following sections of the Standard Terms and Conditions are not part of the Contract:
 - a) Section 5.4, State's Option to Reduce Scope of Work; and
 - b) Section 6.3, Payment to Vendors, subsection c.
7. The Parties agree the following sections of the Waivered Contracts Supplement are not part of the Contract:
 - a) Section 2.15 State's Right to Inspect Contractor's Facilities;
 - b) Section 2.17, Delivery Time and Costs;

- c) Section 3.8, Performance Security;
- d) Section 3.9, Retainage; and

- b. Cardinal's indemnification and liability and subsection (a) is not limited by, but is in addition to the insurance obligations contained in Section 4.2, Insurance, of the Terms and Conditions.
- c. In the event of a patent and copyright claim or suit, Cardinal, at its option, may: (1) procure for the State of New Jersey the legal right to continue the use of the product; (2) replace or modify the product to provide a non-infringing product that is the functional equivalent; or (3) refund the purchase price less a reasonable allowance for use that is agree to by both parties.
- d. For the avoidance of doubt, the Parties agree this Agreement is not an agreement for Information Technology Services. As such, the Parties agree this Agreement's Indemnification terms are governed by the Standard Terms and Conditions.

b) Section 5.5, Change in Law, is hereby amended and restated as follows:

Cardinal agrees to provide the State with notice of resolution of any litigation arising under the antitrust laws of the United States or the State of New Jersey relating to the particular goods and services purchased or acquired by the State, or any of its political subdivisions or public agencies, pursuant to this contract prior to submission of any claim by Cardinal for recovery of any funds in such litigation. Cardinal also agrees to pay the State, upon request, its proportionate share of any funds Cardinal receives as a result of any judgment or settlement in such litigation.

The proportionate share shall be calculated by multiplying the total amount of any distribution received by Cardinal from any such settlement or judgment by a fraction. The fraction's numerator shall be the amount of the State's net purchases from Cardinal (purchases from Cardinal less and returns to Cardinal) of the goods at issue in the litigation during the time period covered by the settlement or judgment. The fraction's denominator shall be the amount of Cardinal's purchases of the goods at issue in the litigation during the time period covered by the settlement or judgment. For purposes of determining the value of the numerator and denominator in the fraction, the amount of purchases shall be limited to those purchases approved by the administrator responsible for claims administration of any settlement or judgment in the litigation.

In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

7.4 CONTRACT WORK HOURS AND SAFETY STANDARDS ACT, 40 U.S.C. 3701-3708

Where applicable, all contracts awarded by the non-Federal entity in excess of \$ 100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

7.5 RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit

Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

7.6 CLEAN AIR ACT, 42 U.S.C. 7401-7671Q, AND THE FEDERAL WATER POLLUTION CONTROL ACT, 33 U.S.C. 1251-1387, AS AMENDED

Contracts and subgrants of amounts in excess of \$ 150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

7.7 DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689)

A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

7.8 BYRD ANTI-LOBBYING AMENDMENT, 31 U.S.C. 1352

Contractors that apply or bid for an award exceeding \$ 100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

CONSTRUCTION CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, up grading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

N.J.S.A. 10:5-39 et seq. requires contractors, subcontractors, and permitted assignees performing construction, alteration, or repair of any building or public work in excess of \$250,000 to guarantee equal employment opportunity to veterans.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.
- (B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:
- (1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;
 - (2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;
 - (3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;
 - (4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;
 - (5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;
 - (6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:
 - (i) The contractor or subcontractor shall interview the referred minority or women worker.
 - (ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith

determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.

The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.

- (D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

EXECUTIVE ORDER NO. 151 REQUIREMENTS

Therefore, contractors engaged by the Division of Purchase and Property to perform under a construction contract shall put forth a good faith effort to engage in recruitment and employment practices that further the goal of fostering equal opportunities to minorities and women.

The contractor must demonstrate to the Division of Purchase and Property's satisfaction that a good faith effort was made to ensure that minorities and women have been afforded equal opportunity to gain employment under the Division of Purchase and Property's contract with the contractor. Payment may be withheld from a contractor's contract for failure to comply with these provisions.

Evidence of a "good faith effort" includes, but is not limited to:

1. The Contractor shall recruit prospective employees through the State Job bank website, managed by the Department of Labor and Workforce Development, available online at <http://NJ.gov>/<http://NJ.gov/JobCentralNJ>;
2. The Contractor shall keep specific records of its efforts, including records of all individuals interviewed and hired, including the specific numbers of minorities and women;
3. The Contractor shall actively solicit and shall provide the Division of Purchase and Property with proof of solicitations for employment, including but not limited to advertisements in general circulation media, professional service publications and electronic media; and
4. The Contractor shall provide evidence of efforts described at 2 above to the Division of Purchase and Property no less frequently than once every 12 months.
5. The Contractor shall comply with the requirements set forth at N.J.A.C. 17:27.

This language is in addition to and does not replace good faith efforts requirements for construction contracts required by N.J.A.C. 17:27-3.6, 3.7 and 3.8, also known as Exhibit B.

The “Contract” shall consist of this Supplement, the Standard Terms and Conditions, the Solicitation, and the proposal submitted by the contractor.

The Standard Terms and Conditions are hereby incorporated by reference. Section numbering of the changes and additions enumerated below continue the number scheme of the Standard Terms and Conditions.

- B. CHANGES/ADDITIONS TO THE STANDARD TERMS AND CONDITIONS FOR ALL GOODS, SERVICES, AND INFORMATION TECHNOLOGY WAIVERED CONTRACTS:**

2.13 OWNERSHIP DISCLOSURE

Pursuant to N.J.S.A. 52:25-24.2, in the event the contractor is a corporation, partnership or limited liability company, the contractor must complete an Ownership Disclosure Form.

A current completed Ownership Disclosure Form must be received prior to or accompany the submitted proposal. A contractor’s failure to submit the completed and signed form with its proposal will result in the rejection of the proposal as non-responsive and preclude the award of a Contract to said contractor unless the Division has on file a signed and accurate Ownership Disclosure Form dated and received no more than six (6) months prior to the receipt of the proposal. If any ownership change has occurred within the last six (6) months, a new Ownership Disclosure Form must be completed, signed and submitted with the proposal.

In the alternative, to comply with this section, a contractor with any direct or indirect parent entity which is publicly traded may submit the name and address of each publicly traded entity and the name and address of each person that holds a 10 percent or greater beneficial interest in the publicly traded entity as of the last annual filing with the federal Securities and Exchange Commission or the foreign equivalent, and, if there is any person that holds a 10 percent or greater beneficial interest, also shall submit links to the websites containing the last annual filings with the federal Securities and Exchange Commission or the foreign equivalent and the relevant page numbers of the filings that contain the information on each person that holds a 10 percent or greater beneficial interest. N.J.S.A. 52:25-24.2.

2.14 PROHIBITED INVESTMENT IN IRAN

Pursuant to N.J.S.A. 52:32-58, the contractor must utilize this Disclosure of Investment Activities in Iran form to certify that neither the contractor, nor one (1) of its parents, subsidiaries, and/or affiliates (as defined in N.J.S.A. 52:32-56(e)(3)), is listed on the Department of the Treasury’s List of Persons or Entities Engaging in Prohibited Investment Activities in Iran and that neither the contractor, nor one (1) of its parents, subsidiaries, and/or affiliates, is involved in any of the investment activities set forth in N.J.S.A. 52:32-56(f). If the contractor is unable to so certify, the contractor shall provide a detailed and precise description of such activities as directed on the form.

2.15 STATE'S RIGHT TO INSPECT CONTRACTOR'S FACILITIES

The State reserves the right to inspect the contractor's establishment before making an award, for the purposes of ascertaining whether the contractor has the necessary facilities for performing the Contract.

The State may also consult with clients of the contractor to assist the State in making a contract award that is most advantageous to the State.

2.16 STATE'S RIGHT TO REQUEST FURTHER INFORMATION

The Director reserves the right to request all information which may assist him or her in making a contract award, including factors necessary to evaluate the contractor's financial capabilities to perform the Contract. Further, the Director reserves the right to request a contractor to explain, in detail, how the proposal price was determined.

2.17 DELIVERY TIME AND COSTS

Unless otherwise noted elsewhere in the Solicitation, all delivery times are 30 calendar days after receipt of order (ARO) and prices for items in proposals shall be submitted Freight On Board (F.O.B.) Destination (30 calendar days ARO/F.O.B.). The contractor shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's Using Agency or designated purchaser. Thirty calendar days ARO/F.O.B. does not cover "spotting" but does include delivery on the receiving platform of the Using Agency at any destination in the State of New Jersey unless otherwise specified.

No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at the contractor's convenience when a single shipment is ordered.

The weights and measures of the State's Using Agency receiving the shipment shall govern.

2.18 COLLECT ON DELIVERY (C.O.D) TERMS

C.O.D. terms will not be accepted.

2.19 CASH DISCOUNTS

The contractor is encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts.

Should the contractor choose to offer cash discounts the following shall apply:

- A. Discount periods shall be calculated starting from the next business day after the Using Agency has accepted the goods or services, received a properly signed and executed invoice and, when required, a properly executed performance security, whichever is latest; and
- B. The date on the check issued by the State in payment of that invoice shall be deemed the date of the State's response to that invoice.

- A. All claims asserted against the State by the contractor shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1, et seq., and/or the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq.

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

- B. Nothing in this Contract shall be construed to be a waiver by the State of any warranty, expressed or implied, of any remedy at law or equity, except as specifically and expressly stated in a writing executed by the Director.
- C. In the event that the contractor fails to comply with any material Contract requirements, the Director may take steps to terminate this Contract in accordance with the Standard Terms and Conditions, authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the State by the defaulting contractor, as provided for in the State administrative code, or take any other action or seek any other remedies available at law or in equity.

2.21 NEWS RELEASES & ADVERTISING

- A. The contractor is not permitted to issue news releases pertaining to any aspect of the services being provided under this Contract without the prior written consent of the Director.
- B. The contractor shall not use the State's name, logos, images, or any data or results arising from this Contract as a part of any commercial advertising without first obtaining the prior written consent of the Director.

2.22 ORGAN DONATION

As required by N.J.S.A. 52:32-33.1, the State encourages the contractor to disseminate information relative to organ donation and to notify its employees, through information and materials or through an organ and tissue awareness program, of organ donation options. The information provided to employees should be prepared in collaboration with the organ procurement organizations designated pursuant to 42 U.S.C. 1320b-8 to serve in this State.

3.8 PERFORMANCE SECURITY

If performance security is required, such security must be submitted with the bid in the amount listed in the Solicitation. N.J.A.C. 17:12-2.5. Acceptable forms of performance security are as follows:

1. A properly executed individual or annual performance bond issued by an insurance or security company authorized to do business in the State of New Jersey,
2. A certified or cashier's check drawn to the order of "Treasurer, State of New Jersey," or
3. An irrevocable letter of credit issued by a federally insured financial institution and naming "Treasurer, State of New Jersey," as beneficiary.

The Performance Security must be submitted to the State within 30 days of the effective date of the Contract award and cover the period of the Contract and any extensions thereof. Failure to submit performance security may result in cancellation of the Contract for cause and nonpayment for work performed.

Although the performance bond is required for the full term of the Contract, the Director recognizes that the industry practice of sureties is to issue a one (1) year performance bond for goods and services contracts. Thus, the contractor is permitted to submit a one (1) year performance bond for the amount required under the Contract and, on each succeeding anniversary date of the Contract, provide a continuation or renewal certificate to evidence that the bond is in effect for the next year of the Contract. This procedure will remain in place for each year of the Contract thereafter until the termination of the Contract. Failure to provide such proof on the anniversary date of the Contract shall result in suspension of the Contract, and possibly, termination of the Contract.

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

For performance bonds based on a percentage of the total estimated Contract price. On each anniversary of the effective date of the Contract, the amount of the required performance bond, unless otherwise noted, is calculated by applying the established RFQ performance bond percentage to the outstanding balance of the estimated amount of the Contract price to be paid to the contractor.

In the event that the Contract price is increased by a Contract Amendment, the contractor may be required to provide, within 30 calendar days of the effective date of the Contract Amendment, performance bond coverage for the increase in Contract price. The required increase in the performance bond amount is calculated by applying the established bond percentage set forth above to the increase in Contract price. Failure to provide such proof to the Director of this required coverage may result in the suspension of payment to the contractor until such time the contractor complies with this requirement.

3.9 RETAINAGE

If retainage is required on the Contract as stated in the Solicitation, the state and/or agency will retain the stated percentage or retainage from each invoice. Payment of retainage will be authorized after satisfactory completion and submission of all services, deliverables or work products by the contractor and acceptance by the agency of all services, deliverables or work products required by the Contract.

For ongoing contracts, the agency will retain the stated percentage of each invoice submitted. At the end of the three (3) month period after payment of each invoice, the agency will review the contractor's performance and if performance has been satisfactory, the agency will release the retainage for the preceding three (3) month period. Following the expiration of the Contract, retained fees will be released to the contractor after certification by the agency's project manager, if any, that all services have been satisfactorily performed.

3.10 SUBCONTRACTOR UTILIZATION PLAN

A contractor that will subcontract any of the work or services to be provided under the Contract shall submit to the agency along with its proposal a Subcontractor Utilization Plan located at the following webpage: <http://www.state.nj.us/treasury/purchase/forms/subcontracting.pdf>. See also Section 5.8 of the Standard Terms and Conditions.

The State's obligation to maintain the confidentiality of the contractor's confidential information provided to the State under the Contract is conditioned upon and subject to the State's obligations under the New Jersey Public Records Act, N.J.S.A. 47:1A-1 et seq., ("OPRA"), the New Jersey common law right to know, and any other lawful document request or subpoena.
- b. By virtue of the Contract, the parties may have access to information that is confidential to one another. The parties agree to disclose only information that is required for the performance of their obligations under the Contract. The contractor's confidential information, to the extent not expressly prohibited by law, shall consist of all information clearly identified as confidential at the time of disclosure ("Contractor Confidential Information"). - f. In the event that the State receives a request for Contractor Confidential Information related to the Contract pursuant to a court order, subpoena, lawful document request or other operation of law, the State agrees, if permitted by law, to provide the contractor with as much notice, in writing, as is reasonably practicable and the State's intended response to such request. The items described in the preceding sentence shall be delivered or returned to the State of New Jersey upon thirty (30) days’ notice by the State or thirty (30) days after the expiration or termination of the Contract. Only to fulfill the purposes of the Contract does the State grant the contractor a non-exclusive, royalty-free, world-wide license to use, copy, display, distribute, transmit and prepare derivative works of State Intellectual Property and State data and background information. Notwithstanding anything to the contrary contained in the Terms and Conditions or this Supplement, no part of the State’s data will be disclosed, sold, assigned, leased or otherwise disposed of to any person or entity other than the State unless specifically directed to do so in writing by the Contract Manager. The State’s license to the contractor is limited by the term of the Contract and the confidentiality obligations set forth in Section 5.17 of this Supplement.

The State will (1) promptly notify the contractor in writing of the claim or suit; (2) the contractor shall have control of the defense and settlement of any claim that is subject to subsection (a); provided, however, that the State must approve any settlement of the alleged claim, which approval shall not be unreasonably withheld. The State may observe the proceedings relating to the alleged claim and confer with the contractor at its expense. Furthermore, neither the contractor nor any attorney engaged by the contractor shall defend the claim in the name of the State of New Jersey or any Agency, nor purport to act as legal representative of the State of New Jersey or any Agency, without having provided notice to the Director of the Division of Law in the Department of Law and Public Safety and to the Director of DPP. 1. COTS and Customized Software

- a. Unless the Contractor Standard Form Agreement provides greater coverage as determined by the State, in its sole discretion, the contractor warrants that COTS and Customized Software products licensed to the State shall operate in all material respects as described in the Solicitation and/or contractor technical documentation for ninety (90) days after Acceptance. The State shall

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

notify the contractor of any COTS or Customized Software product deficiency within ninety (90) days after Acceptance. For a Contract requiring the delivery of COTS or Customized Software and Custom Software, a notice within one hundred eighty (180) days that describes a deficiency in functional terms without specifying whether the deficiency is with COTS, Customized Software or Custom Software shall be deemed a notice that triggers the warranty provisions in both Section 5.11(a) and 5.11(b) of this Supplement.

- b. Except for the portion of the contractor's COTS or Customized Software product that intentionally contains one or more of the following for the purpose of anti-virus protection, the contractor warrants that, at the time of delivery and installation of the COTS or Customized Software provided pursuant to the Contract, its product shall be free of what are commonly defined as viruses, backdoors, worms, spyware, malware and other malicious code that will hamper performance of the COTS or Customized Software, collect unlawful personally identifiable information on users, or prevent the COTS or Customized Software from performing as required under the Contract.
- c. In the event of any breach of this warranty, the contractor shall correct the product errors that caused the breach of warranty, or if the contractor cannot substantially correct such breach in a commercially reasonable manner, the State may end its usage and recover the fees paid to the contractor for the license and any unused, prepaid, technical support fees paid. Under no circumstances does this warranty provision limit the contractor's obligation in the event of a breach of confidentiality.
- d. The contractor does not warrant that COTS or Customized Software is error-free or that it will operate uninterrupted.

2. Custom Software

- a. Unless the Contractor Standard Form Agreement provides greater coverage, as determined by the State, in its sole discretion, the contractor warrants that Custom Software Deliverables shall operate in all material respects as described in the applicable specification documentation for one hundred and eighty (180) days after Acceptance. The State shall notify the contractor of any Custom Software deficiency within one hundred and eighty (180) days after Acceptance of the Custom Software Deliverable (the "Notice Period"). Where the contractor is providing multiple Custom Software Deliverables over the term of the Contract, the Notice Period shall begin to run after the Acceptance of the final Custom Software Deliverable under the Contract. At that time, the State may assert defect claims relating to any and all of the Custom Software Deliverables provided under the Contract; however, the State may also assert claims earlier, in its discretion, without waiving the Notice Period.
- b. For a Contract requiring the delivery of COTS or Customized Software and Custom Software, a notice within one hundred eighty (180) days that describes a deficiency in functional terms without specifying whether the deficiency is with COTS, Customized Software or Custom Software shall be deemed a notice that triggers the warranty provisions in both Section 5.11(a) and 5.11(b) of this Supplement.
- c. The contractor warrants that, at the time of Acceptance of the Custom Software Deliverable provided pursuant to the Contract, its product shall be free of what are commonly defined as viruses, backdoors, worms, spyware, malware and other malicious code that will hamper performance of the Custom Software, collect unlawful personally identifiable information on users, or prevent the Custom Software from performing as required under the Contract. Under no circumstances does this warranty provision limit the contractor's obligation in the event of a breach of confidentiality.
- d. In the event of any breach of this warranty, the contractor shall correct the Custom Software errors that caused the breach of warranty, or if the contractor cannot substantially correct such breach in a commercially reasonable manner, the State may recover a portion of the fees paid to the contractor for the Custom Software with the uncorrected defect or in the event that the Custom Software is still deemed, by the State in its sole discretion, to be usable by the State even with the uncorrected defect, the State may recover a portion of the fees paid to the

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

contractor for the Custom Software (up to the total amount of such charges for such Custom Software) to reflect any reduction in the value of the Custom Software Deliverable as a result of the uncorrected defect. Under no circumstances does this warranty provision limit the contractor's obligations in the event of a breach of confidentiality.

- e. The contractor does not warrant that Custom Software is error-free or that it will operate uninterrupted.

3. IT Services

- a. Unless the Contractor Standard Form Agreement provides greater coverage, as determined by the State, in its sole discretion, the contractor warrants that all Services will be provided in a professional manner consistent with industry standards. The State shall notify the contractor of any Services warranty deficiencies within ninety (90) days from performance of the deficient Services.
- b. In the event of any breach of this warranty, the contractor shall re-perform the deficient Services, or if the contractor cannot substantially correct a breach in a commercially reasonable manner, the State may end the relevant Services and recover the fees paid to the contractor for the deficient Services.

4. Hardware

- a. Unless the Contractor Standard Form Agreement provides greater coverage, as determined by the State, in its sole discretion, the contractor warrants that the equipment offered is standard new equipment, and is the manufacturer's latest model in production, with parts regularly used for the type of equipment offered; that such parts are all in production and not likely to be discontinued; and that no attachment or part has been substituted or applied contrary to manufacturer's recommendations and standard practice.
- b. The contractor warrants that all equipment supplied to the State and operated by electrical current is UL listed where applicable.
- c. The contractor warrants that all new machines are to be guaranteed as fully operational for one (1) year from time of Acceptance by the State. For the avoidance of doubt, Acceptance with respect to Hardware in this subsection (d) shall occur no later than sixty (60) days after delivery, as evidenced by a signed delivery receipt. The contractor shall render prompt service without charge, regardless of geographic location.
- d. The contractor warrants that sufficient quantities of parts necessary for proper service to equipment shall be maintained at distribution points and service headquarters.
- e. The contractor warrants that trained mechanics are regularly employed to make necessary repairs to equipment in the territory from which the service request might emanate within a 48-hour period or within the time accepted as industry practice.
- f. The contractor warrants that all Software included with the Hardware shall perform substantially in accordance with specifications, for one (1) year from the time of Acceptance. The contractor warrants that Software media will be free from material defects in materials and workmanship for a period of one (1) year from the date of Acceptance.
- g. In the event of any breach of this warranty, the contractor shall promptly repair, replace or refund the purchase price of product rejected for failure to conform with the contractor's product specifications.

5. THE WARRANTIES SET FORTH HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, AND THE CONTRACTOR EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.

5.19 AUDIT NOTICE AND DISPUTE RESOLUTION

To the extent the contractor's proposal or Standard Form Agreement permits the contractor to conduct periodic audits of the State's usage of the Contractor Intellectual Property provided thereunder, such provision is amended to include the following audit notice and dispute resolution process:

- a. **AUDIT NOTICE** – Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, in the event that the contractor seeks to exercise a right in its proposal or Standard Form Agreement to audit the State's use of Contractor Intellectual Property, the contractor shall deliver simultaneous written notice, no less than thirty days in advance of the audit start date (unless the contractor's notice provides a longer notice period), to the:
 - i. Director of the New Jersey Department of Treasury, Division of Purchase and Property:

The notice shall reference the specific audit provision(s) in the contractor's proposal or Standard Form Agreement being exercised and include copies of same, specify the means by which the contractor will conduct the audit, and shall require the audit to be conducted in accordance with generally accepted standards in the field of such audits.

- b. **AUDIT DISPUTE RESOLUTION** -- If the State, in good faith, provides the contractor with written notice of an alleged error in the amount of underpaid fees due the contractor as a result of an audit (the "dispute"), then the parties will endeavor to resolve the dispute in accordance with this paragraph. Each party will appoint a Vice President, Assistant Director, or the equivalent (hereinafter referred to as "Representative") to discuss the dispute and no formal proceedings for the judicial resolution of such dispute, except for the seeking of equitable relief or those required to avoid non-compliance with the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq., may begin until either such Representative concludes, after a good faith effort to resolve the dispute, that resolution through continued discussion is unlikely. In addition, the parties shall refrain from exercising any termination right related to the dispute being considered under this paragraph and shall continue to perform their respective obligations under the Contract while they endeavor to resolve the dispute under this paragraph.
- c. **STATE NOT LIABLE FOR AUDIT COSTS** -- Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, the State will not reimburse the contractor for any costs related to an audit.
- d. **NO AUDIT RIGHT CREATED** -- In the event that the contractor's proposal or Standard Form Agreement does not permit audits of the State's usage of Contractor Intellectual Property, Section 5.19 of this Supplement shall not be interpreted to provide such an audit right.

Wholesaler will apply service fee discounts to all Contract Products and Non-Contract Products, including Wholesaler's Generic Drug Program Products.

Service fee discounts are based on the previous quarters' payment performance for the State of New Jersey. Wholesaler will be allowed to change service fee discounts four times annually within 30 calendar days after the close of each fiscal quarter (e.g., service fee discounts for January through March must be changed by April 30). If Wholesaler does not make changes to the service fee discounts within 30 calendar days, Wholesaler will be required to make the changes that positively impact STATE OF NEW JERSEY Participating Facilities and backdate those changes to the first day of the quarter, but will not be allowed to make changes to those accounts that are negatively impacted until the next fiscal quarter.

340B Drug Pricing Program

The 340B Drug Pricing Program resulted from enactment of Public Law 102-585, the Veterans Health Care Act of 1992, which is codified as Section 340B of the Public Health Service Act. Section 340B limits the cost of covered outpatient drugs to certain federal grantees, federally- qualified health center look-alikes and qualified disproportionate share hospitals (DSH).

Wholesaler is and must remain for the term of this Contract an Authorized Distributor for the 340B Drug Pricing Program. Wholesaler is required to provide notice in writing to STATE OF NEW JERSEY, immediately, in the event of a status change. For STATE OF NEW JERSEY Participating Facilities that are eligible and participating in the 340B Drug Pricing Program, the Wholesaler will maintain two separate purchasing accounts, one for ordering STATE OF NEW JERSEY Contract Products and one for ordering 340B Drug Pricing Program contract products.

Service fee/cost of goods discounts are to be applied to 340B purchases.

Facility Negotiated Contracts

There will likely be instances where Facilities may enter into contracts individually negotiated. In those instances, the Wholesaler is required to agree that the ordering, delivery, payment, and reporting terms of the waiver Agreement AN-067 will apply to contracts individually negotiated by Facilities, including any associated service fees.

Wholesaler's Generic Drug Program

Facilities will have the ability to purchase generic drugs from the Wholesaler's Source program. These contracts will be attached to all accounts, with the exception of any that have a 340B designation.

Goods Returned to the Wholesaler

Goods returned to Wholesaler will be managed in accordance with below, Wholesaler's Returned Goods Policy:

Cardinal Health Pharmaceutical Distribution Returned Goods Policy

Products in "merchantable condition" (as defined below) and originally purchased from Cardinal Health may generally be returned to the customer's servicing Cardinal Health distribution center in accordance with, and subject to, the terms and conditions of this policy.

Return Made Within:

Normal Credit Amount:

1 – 60 Days from Invoice Date

100% of original invoice amount paid by customer. This policy covers all order shortages, filling errors and damage if reported within three (3) business days and such products are returned within ten (10) business days of the date of the applicable invoice. Recalled products must be returned in accordance with applicable recall terms.

61 – 180 Days

Returns made greater than 365 days from the invoice date will not be accepted. No credit will be issued, and the product will be returned to customer.

Recalls

100% of return value (prorated for partial return) or, if known, applicable manufacturer credit.

“**Merchantable condition**” will be determined by Cardinal Health based upon its ability to return the product to its inventory for resale in the normal course of its business, without special preparation, testing, handling, or expense and will **exclude** the following:

- a) Any product purchased from any supplier other than Cardinal Health.
- b) Any product which has been used or opened; is a partial dispensing unit or unit of sale; is without all original packaging, labeling, inserts, or operating manuals; or that is stickered, marked, damaged, defaced, or otherwise cannot readily be resold by Cardinal Health for any reason.
- c) Short-dated (less than seven (7) months expiration dating)
- d) Any product that is outdated, seasonal, purchased on a “special order” basis, non-stocked or discontinued, drop-shipped, deals, pre-packs, frozen, products with low stability (e.g., unusually sensitive to temperature/handling situations), products considered to be toxic waste, and products not returnable by law proposed at the time of return and products remaining in opened containers.
- e) Any product not intended for return to a wholesaler in accordance with the return policies of the applicable manufacturer.
- f) Any product listed by any state or federal regulatory agency as a high-risk pedigree item that is returned without a valid invoice number that cannot otherwise be verified by Cardinal Health.

Unmerchantable Products

Any product not eligible for return in accordance with this policy (i.e., the product is not in “merchantable condition” as set forth above) will require return directly to the manufacturer. If any such products are returned to Cardinal Health, they will be returned to customer and no credit will be issued. Stickered products will be handled as follows: Cardinal Health will remove the sticker, retain the product and credit the customer (as applicable pursuant to this policy). If the product is damaged during the removal of the sticker, no credit will be issued to customer and the product will be returned to customer.

Notwithstanding the foregoing, in any case where Cardinal Health accepts the return of such products and agrees to return such products to the applicable manufacturer on behalf of customer (provided the manufacturer allows the return of such products), any credit issued to customer will be determined by Cardinal Health.

Required Return Documentation

Prior to returning any product to Cardinal Health, customer must execute and deliver to Cardinal Health a **Cardinal Health Returned Goods Authorization Ongoing Assurance** verifying that all returned products have been kept under proper conditions for storage, handling, and shipping.

A fully completed and signed **Merchandise Return Authorization Form** (the “MRA Form”) must accompany all products to be returned. **Note:** An MRA Form cannot be fully completed without a valid invoice number. The request for an MRA Form will be rejected if a valid invoice number is not provided.

Controlled Substances

Credit for the return of controlled substances requires a separate MRA Form and such returns must comply with all applicable laws, rules and regulations in addition to the terms and conditions of this policy.

Refrigerated, Chemotherapy and Hazardous Products

Refrigerated, chemotherapy and hazardous products must be returned in packaging that complies with applicable regulatory requirements. All such products that are not returned in packaging that complies with applicable regulatory requirements will be considered damaged and unsaleable. This product will be destroyed and no credit will be issued to customer.

Shorts and Damaged Products

Claims of order shortages (e.g., products invoiced but not received), filling errors and damage must be reported within three (3) business days from the applicable invoice date, or no credit will be issued. Returns of damaged products or products shipped in error must be received by the Cardinal Health servicing distribution center within ten (10) business days from the applicable invoice date, or no credit will be issued. Controlled substance shortage claims must be reported immediately per DEA requirements. In all instances, credit will not be issued until verification of the claim by Cardinal Health.

No deductions may be taken by customer until a valid credit memo is issued by Cardinal Health.

Shipping of Return Products

Products to be returned must be placed in a proper shipping container and signed for by the driver when picked up.

Signed MRA Forms shall be included in totes with the returned products. Only one (1) MRA Form shall be included in each tote.

- a) If the MRA Form is not signed, no credit will be issued, and the products will be returned to the customer.
- b) If the MRA Form is not inside the tote with the returned products, Cardinal Health will attempt to identify the customer that returned the products. The tote will then be returned to the customer with a request for a completed MRA Form(s).
- c) No credit will be issued for products returned but not listed on the accompanying MRA Form. Such products will be returned to the customer.

All MRA Forms will be reviewed by Cardinal Health for compliance with this policy. The acceptability and valuation of any return is at the sole discretion of Cardinal Health.

Products must be returned to the customer's servicing Cardinal Health distribution center within thirty (30) days from the date of customer's request for an MRA Form, or no credit will be issued.

In addition to the requirements set forth in this policy, Customer shall comply with all return procedures required by the Cardinal Health servicing distribution center.

Other Restrictions

Excessive returns may result in higher restocking fees as deemed necessary by Cardinal Health. In such an instance, Cardinal Health shall provide customer and STATE OF NEW JERSEY with at least (30) days written notice prior to implementing a higher restocking fee.

This policy is subject to change without prior notice by Cardinal Health. This policy is further subject to modification as may be deemed necessary or appropriate by Cardinal Health to comply with applicable federal and/or state regulations, FDA guidelines, state law, and other restrictions applicable to returned products. Cardinal Health will use commercially reasonable efforts to notify STATE OF NEW JERSEY of any change to this policy within ten (10) business days of said change.
