FINAL ADMINISTRATIVE ACTION
OF THE
CIVIL SERVICE COMMISSION

Appointment Waiver

CSC Docket No. 2020-1583

ISSUED: JANUARY 30, 2020 (BW)

Winslow Township requests permission not to make an appointment from the December 2, 2019 certification for Secretarial Assistant (M0035A), Winslow Township.

The record reveals that Winslow Township provisionally appointed Danielle O’Drain, pending open competitive examination procedures, to the subject title, effective July 18, 2017. An examination was announced with a closing date of January 7, 2019 that resulted in a list of 12 eligibles with an expiration date of November 27, 2022. A certification containing the names of the 12 eligibles was issued on December 2, 2019.

The appointing authority returned the certification indicating that a permanent appointment would not be made from the subject list because the provisional appointee was no longer serving. Specifically, it explained that the job title is inappropriate for the position that it is trying to fill and it is not looking to fill a personnel secretary or aide for any of its departments at this time.

The appointing authority’s request for an appointment waiver was acknowledged, and it was advised that if its request were granted, it could be assessed for the costs of the selection process in the amount of $2,048. However, the appointing authority did not provide any additional information for the Civil Service Commission (Commission) to review.

1 O’Drain was returned to her permanent title of Keyboarding Clerk 1 on December 5, 2019.
It is noted that O'Drain is no longer serving as a Secretarial Assistant (M0035A) and there are currently no employees serving provisionally pending open competitive examination procedures in the subject title with the appointing authority.

CONCLUSION

In accordance with N.J.S.A. 11A:4-5, once the examination process has been initiated due to the appointment of a provisional employee or due to an appointing authority's request to fill a vacancy, the appointing authority must make an appointment from the resulting eligible list if there are three or more interested and eligible candidates. The only exception to this mandate may be made for a valid reason such as fiscal constraints.

In the instant matter, the examination for the subject title was generated as a result of the provisional appointment of Danielle O'Drain, who is no longer serving in the subject title. However, after a complete certification was issued, the appointing authority requested an appointment waiver, explaining that the Secretarial Assistant title was inappropriate for the position that it was trying to fill. Accordingly, there is a sufficient justification for an appointment waiver.

Although an appointment waiver is granted in this matter, both N.J.S.A. 11A:4-5 and N.J.A.C. 4A:10-2.2(a)2 state that if an appointing authority receives permission not to make an appointment, it can be ordered to reimburse for the costs of the selection process. While administering examinations and providing the names of eligible job candidates to the jurisdictions under the civil service system are two of the primary activities of this agency, these costly efforts are thwarted when appointing authorities fail to utilize the resulting eligible lists to make appointments and candidates have needlessly expended their time, efforts and money to take these examinations in hopes of being considered for a permanent appointment. In this case, the appointing authority's determination that it no longer needs to maintain the position of Secretarial Assistant after it appointed a provisional to that title which resulted in an examination does not provide a basis on which to waive the selection costs. Thus, although a waiver is granted, it is appropriate that the appointing authority be assessed $2,048 for the costs of the selection process.

ORDER

Therefore, it is ordered that a waiver of the appointment requirement be granted. Additionally, the Civil Service Commission orders that the appointing authority be assessed for the costs of the selection process in the amount of $2,048 to be paid within 30 days of the issuance of this order.
This is the final administrative determination in this matter. Any further review should be pursued in a judicial forum.
