## SECTION B – MISCELLANEOUS MATTERS

## B-1 CHANGE IN CLASSIFICATION PLAN – TITLE REACTIVATION

The Division of Classification and Personnel Management requests reactivation and renaming of the Electrical Metering and Relay Mechanic title to Electric Meter Technician.

## MEMORANDUM

DATE: March 10, 2014  
 TO: Civil Service Commission  
 FROM: Kenneth Connolly, Director *Kenneth Connolly*  
 Division of Classification and Personnel Management  
 SUBJECT: Change in State Classification Plan

Local Government

The Division of Classification and Personnel Management requests the reactivation and renaming of the title Electrical Metering and Relay Mechanic (01703), which was inactivated in 2010 due to non-use. Provisions of Vineland's current and previous contracts with Local 210 - IBEW, Unit 1 stipulate that the title is part of an apprenticeship program in the City of Vineland. Vineland asserts that in order for them to fulfil their union contract agreement, it is essential that the title be made available for use. The title is step three of the apprentice program. This step is the culmination of a four year program; whose levels are as follows:

Electric Meter Worker (01698) - Active  
 Electric Meter Repairer (01697) - Active  
 Electrical Metering and Relay Mechanic (01703) - Inactive

The AA asserts that the title had been vacant for a prolonged period at the time of inactivation because no participants in the apprenticeship were then at that level in the program.

The AA requests the renaming of the title to Electric Meter Technician, as the current title is obsolete and no longer accurately reflects the functions of the job.

The AA requests reactivation retroactive to April 2013, as they have an apprentice residing in the Electric Meter Repairer title who became eligible for advancement into this title at that time.

The effective date of this title reactivation will be retroactive to 4/28/2013, following the Commission's approval of the action.

**B-2 CHANGE IN CLASSIFICATION PLAN – TITLE CREATION**

The Division of Classification and Personnel Management requests creation of the dual title Assistant Municipal Engineer/Assistant Public Works Superintendent.

## MEMORANDUM

DATE: March 10, 2014  
TO: Civil Service Commission  
FROM: Kenneth Connolly, Director   
Division of Classification and Personnel Management  
SUBJECT: Change in State Classification Plan

### DUAL TITLE CREATION REQUEST

The City of Millville requests the creation of the dual title Assistant Municipal Engineer/Assistant Public Works Superintendent.

The City of Millville adopted a layoff plan in the summer of 2010; due to the subsequent retirements and the elimination of positions, it was necessary for a number of titles to absorb additional job duties and responsibilities. As a result, the Assistant Municipal Engineer assumed the responsibilities of Assistant Public Works Superintendent. The restructuring that occurred in 2010 is still in place, and the combined functions continue to meet the needs of the Municipality.

The Municipality has adopted a local ordinance, No. 1-2014, to formally acknowledge the existence of this dual role.

The responsibilities encompassed by these two titles were formerly handled by the titles Supervisor Recycling Operations, Street Superintendent, General Supervisor Streets, and the Superintendent of Recreation, which have since been eliminated or are vacant due to retirements.

### TITLE TO BE CREATED

**Effective:** Changes will be effective the first pay period following the commission's approval.
