SECTION B – MISCELLANEOUS MATTERS

B-1 CHANGE IN THE STATE CLASSIFICATION PLAN

The Division of Agency Services requests that the Archives Technician title be made common for use in local government.

MEMORANDUM

DATE: June 22, 2015
TO: The Civil Service Commission
FROM: Kenneth Connolly, Director, Division of Agency Services
SUBJECT: Change in State Classification Plan

COMMON TITLE

We request the title of Archives Technician (A15, 74242) be made common for use by local government.

The change is necessary to classify a position in the Morris County Heritage Commission. Local job titles in the museum or historic preservation fields are not relevant to dealing with archival materials as they are concerned with art works, building and structures, and managing environmental aspects of parks and interpreting historic sites. However, the Archives Technician is more suitable for the entry-level position requested by the Morris County Heritage Commission.

The Department of Law and Public Safety has been advised of our plans to utilize their title and no issues or concerns have been articulated.

The title specification has been modified to accommodate this request.

ESTABLISHMENT OF COMMON TITLE:

Effective: Changes will be effective the first pay period following the Commission's approval.

FROM:

Archives Technician
